Backflow Prevention Device Testers

Currently Registered with the City of Round Rock

This list is for your convenience only, the City does not recommend nor endorse any companies identified below

You may use a licensed BPAT (Backflow Prevention Assembly Tester) not on this list, but they must register with the City of Round Rock prior to testing.

All test reports must be submitted online, through BSI Online, by the licensed BPAT.

Testers: You must contact the City at 512-341-3177 and request to be on this list. You will not be automatically added.
