**DIRECTIONS TO LAB**

From Round Rock:

Head north on IH-35
Exit on Westinghouse Road (Exit 257)
Turn left at traffic light, drive across IH-35
Go straight at next traffic light

From Georgetown:

Head south on IH-35
Exit on Westinghouse Road (Exit 257)
Turn right at traffic light

Enter Texas Crushed Stone
Turn left after crossing train track
Continue south to the City sign and flag poles
Stop at access gate and press button on silver panel to gain access
Once inside the gate, turn right between the water storage tanks
The lab is the last building on the right side
The lab is a single story stone building with a green metal roof
