2011	100,659	0.8%	**143,960**	1.5%
2012	101,702	1.0%	**146,380**	1.7%
2013	102,349	0.6%	**151,133**	3.2%
2014	103,107	0.7%	**155,613**	3.0%
2015	105,405	2.2%	**160,385**	3.1%
2016	106,591	1.1%	**165,024**	2.9%
2017	117,160	9.9%	**169,213**	2.5%
2018	120,440	2.8%	**173,490**	2.5%
2019	123,812	2.8%	**177,859**	2.5%
2020	127,279	2.8%	**182,323**	2.5%
2021	130,461	2.5%	**186,062**	2.1%
2022	133,723	2.5%	**189,881**	2.1%
2023	137,066	2.5%	**193,508**	1.9%
2024	140,492	2.5%	**197,218**	1.9%
2025	143,302	2.0%	**200,312**	1.6%
2026	146,168	2.0%	**203,462**	1.6%
2027	149,092	2.0%	**206,670**	1.6%
2028	152,073	2.0%	**209,651**	1.4%
2029	155,115	2.0%	**212,693**	1.5%
2030	158,217	2.0%	**215,795**	1.5%

Notes:

2010 is the base year for these projections

Greater Round Rock projections include City of Round Rock, and the ETJ, including Municipal Utility Districts

About Annual Adjustments

Projections for years beyond new estimate not adjusted when new estimate is released. While the City population has been growing slower than initially projected, recent new permits for single family and multi-family projects indicate that we should "catch back up" to the trend initially projected.

Annual Estimates for the City of Round Rock are developed each year to reflect the April 1 population projection
