

BAKING 4 SOLDIERS – EMPLOYEE COOKIE DRIVE

(Please bring to the Spirit Lunch on November 19.)

Tips For Sending Cookies To OUR Troops

- Wrap an individual cookie or two cookies back to back tightly in plastic wrap. Flat or pan style cookies are great because you can cut them into squares and they travel better.
- Bring your wrapped cookies to the Spirit Lunch, November 19, 2008, and drop them off at the Adopt - A - Unit table. We are shipping the cookies that afternoon.
- Cookies that ship well are chocolate chip, snickerdoodles, peanut butter, oatmeal, brownies and bar cookies. Please check the web site for baking restrictions. More tips can be found at www.verybestbaking.com/promotions/programs/troops.aspx.
- Cookies and cookie bars should not contain allspice, any form of liquor, nutmeg, or have icing.
- If you have any questions about the cookie drive, please contact Kathy at kathym@round-rock.tx.us. Visit www.roundrocktexas.gov to learn more about our “adopted” Battalion.
