The City of Round Rock Community Development Advisory Commission (CDAC) invites you to listen, learn, and share in the conversation of our community needs. Let's discuss programs and projects that benefit low to moderate income residents in Round Rock. The CDAC wants to hear from service providers and citizens on how to utilize the Community Development Block Grant Funds for 2012-2013 Fiscal Year. Some of the issues to be considered include:

- Neighborhood Revitalization
- Housing Needs
- Public Transportation Services
- Social Services (job training, after-school programs, health services, youth and senior services, utility assistance)
