

Subdivision Development

Concept Plan

Application Information & Procedures

*Copies of this and other Development Packet Chapters are available online at:
www.roundrocktexas.gov/landdevelopment*

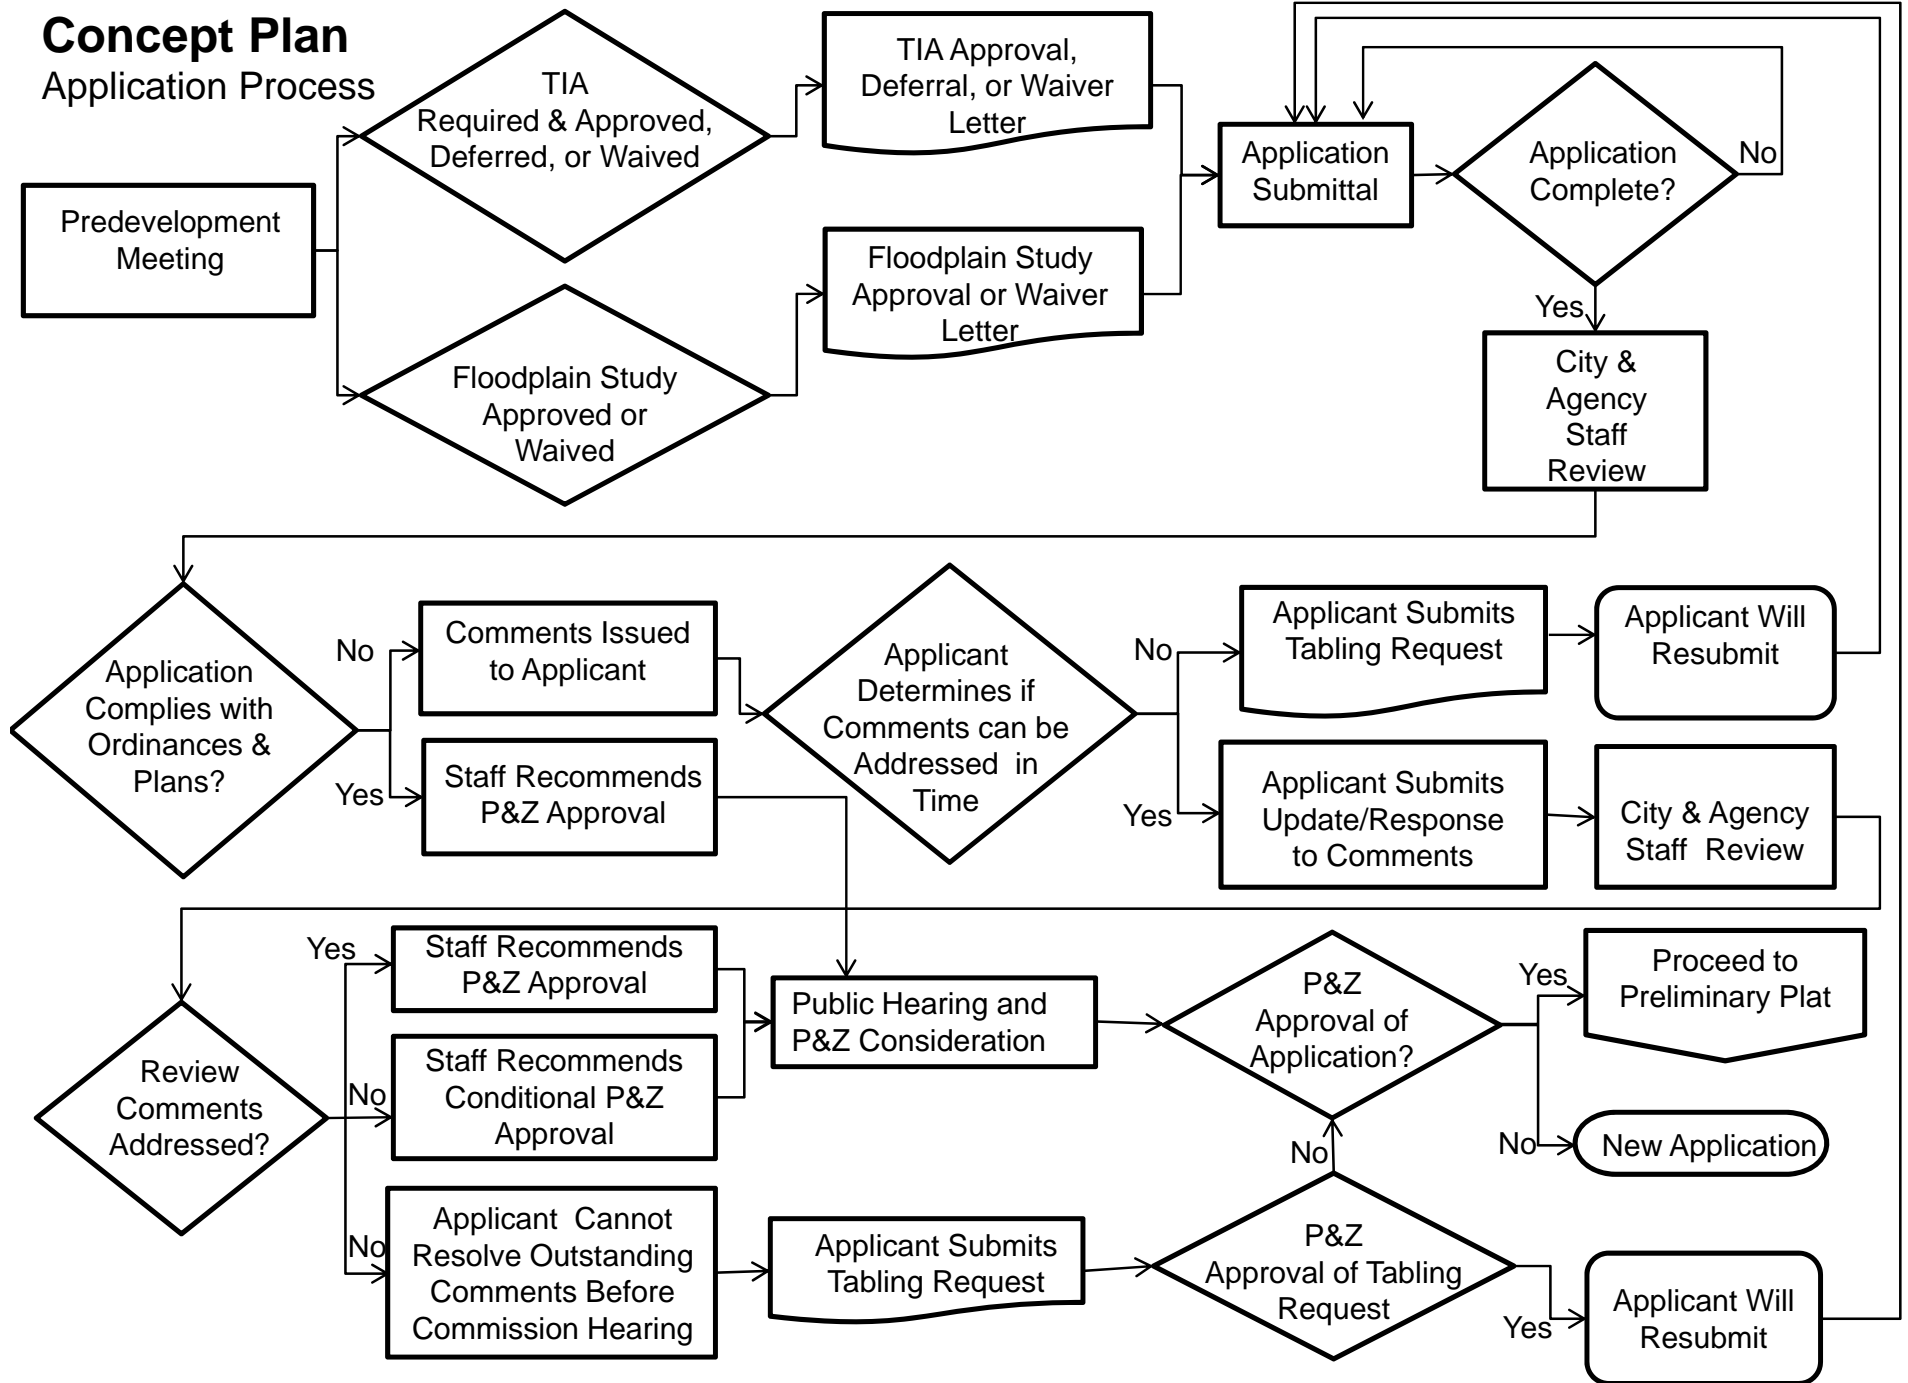

Contents:

- Concept Plan Review Process
- Deadlines & Meeting Dates
- Subdivision Ordinance and Design & Construction Standards
- Traffic Impact Analysis (TIA)
- Parkland Dedication
- Drainage Study Requirement
- Pre-Development Conference
 - Pre-Development Conference Request
- Planning & Zoning Commission (P&Z) Schedule
- Subdivision Review Contacts
- Concept Plan – Required Content
- Concept Plan – Application Requirements
 - Project Application
 - Letter of Intent for Parkland Dedication

Planning and Development Services Department
City of Round Rock, Texas

Effective January 2012

Concept Plan Application Process

Subdivision Concept Plan

This section of the Development Packet consists of information and required forms for Subdivision Concept Plan Applications.

The purpose of a Concept Plan is to present a layout of a proposed subdivision or addition. The intent is to facilitate the review of the proposal in accordance with General Plan policies and, where applicable, concurrent review by the Planning and Zoning Commission for original zoning. In addition, the purpose of a Concept Plan is to allow review of availability of utilities, streets, and drainage.

An Applicant must submit a Concept Plan application to Planning and Development Services (PDS) for approval by the Planning and Zoning Commission when the proposed Subdivision or Addition involves multiple lots, extension of utilities, streets, or other public improvements, or is a larger acreage project. A Minor Subdivision does not require the submittal of a Concept Plan and allows the Applicant to proceed directly to Final Plat. Application criteria for this less complex form of subdivision are found in the Minor Subdivision Final Plat section of the Subdivision Packet.

If the proposed subdivision is outside City Limits and annexation is not proposed, please review the Platting in the ETJ section of the Subdivision Packet for additional County requirements.

Concept Plan Review Process

The initial step in submitting an application is a Pre-development Conference (see below). An application is subsequently submitted on the Official Filing Date and reviewed for completeness (see attached Concept Plan Application Requirements). If the application is determined to be complete, it is distributed for technical and content review (see attached Plan Content). Comments generated during that review are forwarded to the Applicant within 10 calendar days.

The Applicant typically has 1 week to respond to comments. After the Applicant has completed the requested modifications or otherwise addressed review comments, an updated plan, specified number of paper copies, and supporting materials shall be submitted to PDS for distribution and review. If all review comments have been satisfied, staff shall recommend that the Planning and Zoning Commission approve the application. Concept plans do not require subsequent City Council approval. If the Plan is accompanied by a request for zoning, the zoning request must be approved by the City Council after it has been considered by the Planning and Zoning Commission.

After approval by the Planning and Zoning Commission, PDS staff will notify the Applicant of the Commission's decision. If an application was conditionally approved, the Applicant shall either correct the original mylar submitted with the response to comments, or shall submit a reproducible corrected mylar and a specified number of paper copies to PDS, if applicable.

Any conditions of application approval and/or corrections to the Concept Plan must be satisfied prior to submittal of an associated Preliminary Plat, or within 45 days of approval by the Planning and Zoning Commission, whichever occurs first.

Approved Concept Plans shall expire three years after approval by the Planning and Zoning Commission. If an associated approved Preliminary Plat expires, the Concept Plan shall also be deemed expired.

Deadlines and Meeting Dates

Applications for Concept Plans (whether original or revised) are reviewed on a schedule adopted by the Planning and Zoning Commission that reflects state statutory requirements. This schedule includes specific dates for application submittals to City staff and subsequent review by the Planning and Zoning Commission.

Each of these review cycles begins approximately five (5) weeks part. A Planning and Zoning Commission Submittal and Meeting Schedule is included in this section and is available online at http://www.roundrocktexas.gov/docs/p-z_schedule.pdf.

Subdivision Ordinance and Design & Construction Standards

This section of the Development Packet is intended to assist the Applicant in preparing a formal application. It does not replace the requirements found in Chapter 36, Subdivisions, Code of Ordinances, City of Round Rock, Texas, 2010, as amended, the Parkland Dedication or Tree Protection Requirements, or the Design and Construction Standards adopted by the City Council. Please review applicable chapters of the Code of Ordinances and adopted Standards prior to application submittal.

The City of Round Rock Code of Ordinances is at:

<http://www.roundrocktexas.gov/ordinances>

The Design and Construction Standards (DACS) are available online at:

<http://www.roundrocktexas.gov/home/dacs>

Traffic Impact Analysis (TIA)

Prior to submission of a Concept Plan the Applicant must contact the City of Round Rock Department of Transportation and ascertain whether a Traffic Impact Analysis (TIA) will be required. On the date of submittal of a Concept Plan application to PDS, one of the following must be included:

- 1) Correspondence from the City of Round Rock Department of Transportation stating that a Traffic Impact Analysis has been submitted and approved; or
- 2) Correspondence from the City of Round Rock Department of Transportation stating that a Traffic Impact Analysis has been deferred for this development; or
- 3) Correspondence from the City of Round Rock Department of Transportation stating that a Traffic Impact Analysis has been waived for this development.

The TIA, if required, shall be prepared in accordance with the City of Round Rock Design and Construction Standards, Section 2 - Traffic Impact Analysis. Please note, prior to the completion of a Traffic Impact Analysis (TIA), the Applicant must first meet with Transportation Department staff to determine an approved scope for the TIA.

Please contact Transportation Planner John Dean (512-218-6617), City of Round Rock Department of Transportation, prior to preparing or submitting a TIA.

The following guidelines should be reviewed prior to preparing the TIA:

- All traffic impact studies and calculations should be made according to **ITE standards**.
- The most recent edition of the ITE Trip Generation text shall be consulted for a Trip Generation average rate.

Parkland Dedication

The following information is to provide a general overview of parkland dedication requirements of the Subdivision Ordinance, and must not be interpreted as the Parkland Dedication Ordinance. Full Parkland Dedication requirements can be found in Article III, Chapter 36, Subdivisions, of the Code of Ordinances.

The primary purpose of the parkland requirements is to insure that the need for parkland that arises from new development is at least partially satisfied by the Developer of the new development, so that those who generate the need contribute their proportionate share. Accordingly, when new development occurs, a reasonable contribution is to be made for open space for those who live or work in the new development so that they may engage in active and passive recreational activities within or near the new development. In some instances, the need for parks resulting from new development may be addressed most effectively through the development and acquisition of community or regional parks serving several neighborhoods.

It shall be required that a Developer of any Subdivision or Addition set aside and convey to the public sufficient and suitable lands within the Subdivision or Addition for the purpose of parkland or contribute cash in lieu of land conveyance or combination thereof as determined by the Planning and Zoning Commission upon the recommendation of the Parks Director.

The parkland dedication calculations, general standards of the dedicated parkland, and improvements required can be found in Article III of the Subdivision Ordinance and the Appendix of the Code of Ordinances. As part of the Plat review process, the Parks Director shall make recommendations based upon requirements of the Code to PDS regarding whether or not the Developer has met the requirements of the Parkland Dedication Ordinance.

Prior to recording the Final Plat, the Developer shall deliver to PDS an executed deed, in a form approved by the City Attorney, conveying parkland shown on the Final Plat as approved by the Planning and Zoning Commission. (see also the Donation Deed Section of the Subdivision Packet).

Parkland Fee in Lieu of Parkland Conveyance

The City may at its option require a parkland fee for all or part of the required parkland conveyance under the circumstances identified under Chapter 36, Article II, Subsection 79 or when the development is a non-residential Subdivision. The Parkland Fees can be found in Appendix A of the Code of Ordinances.

Parkland fees may be used for acquisition and/or development of public parkland or other recreational facilities. Where fees are received in lieu of parkland conveyance in Subdivisions or Additions, the parkland fees collected shall be expended on a neighborhood park within the Park

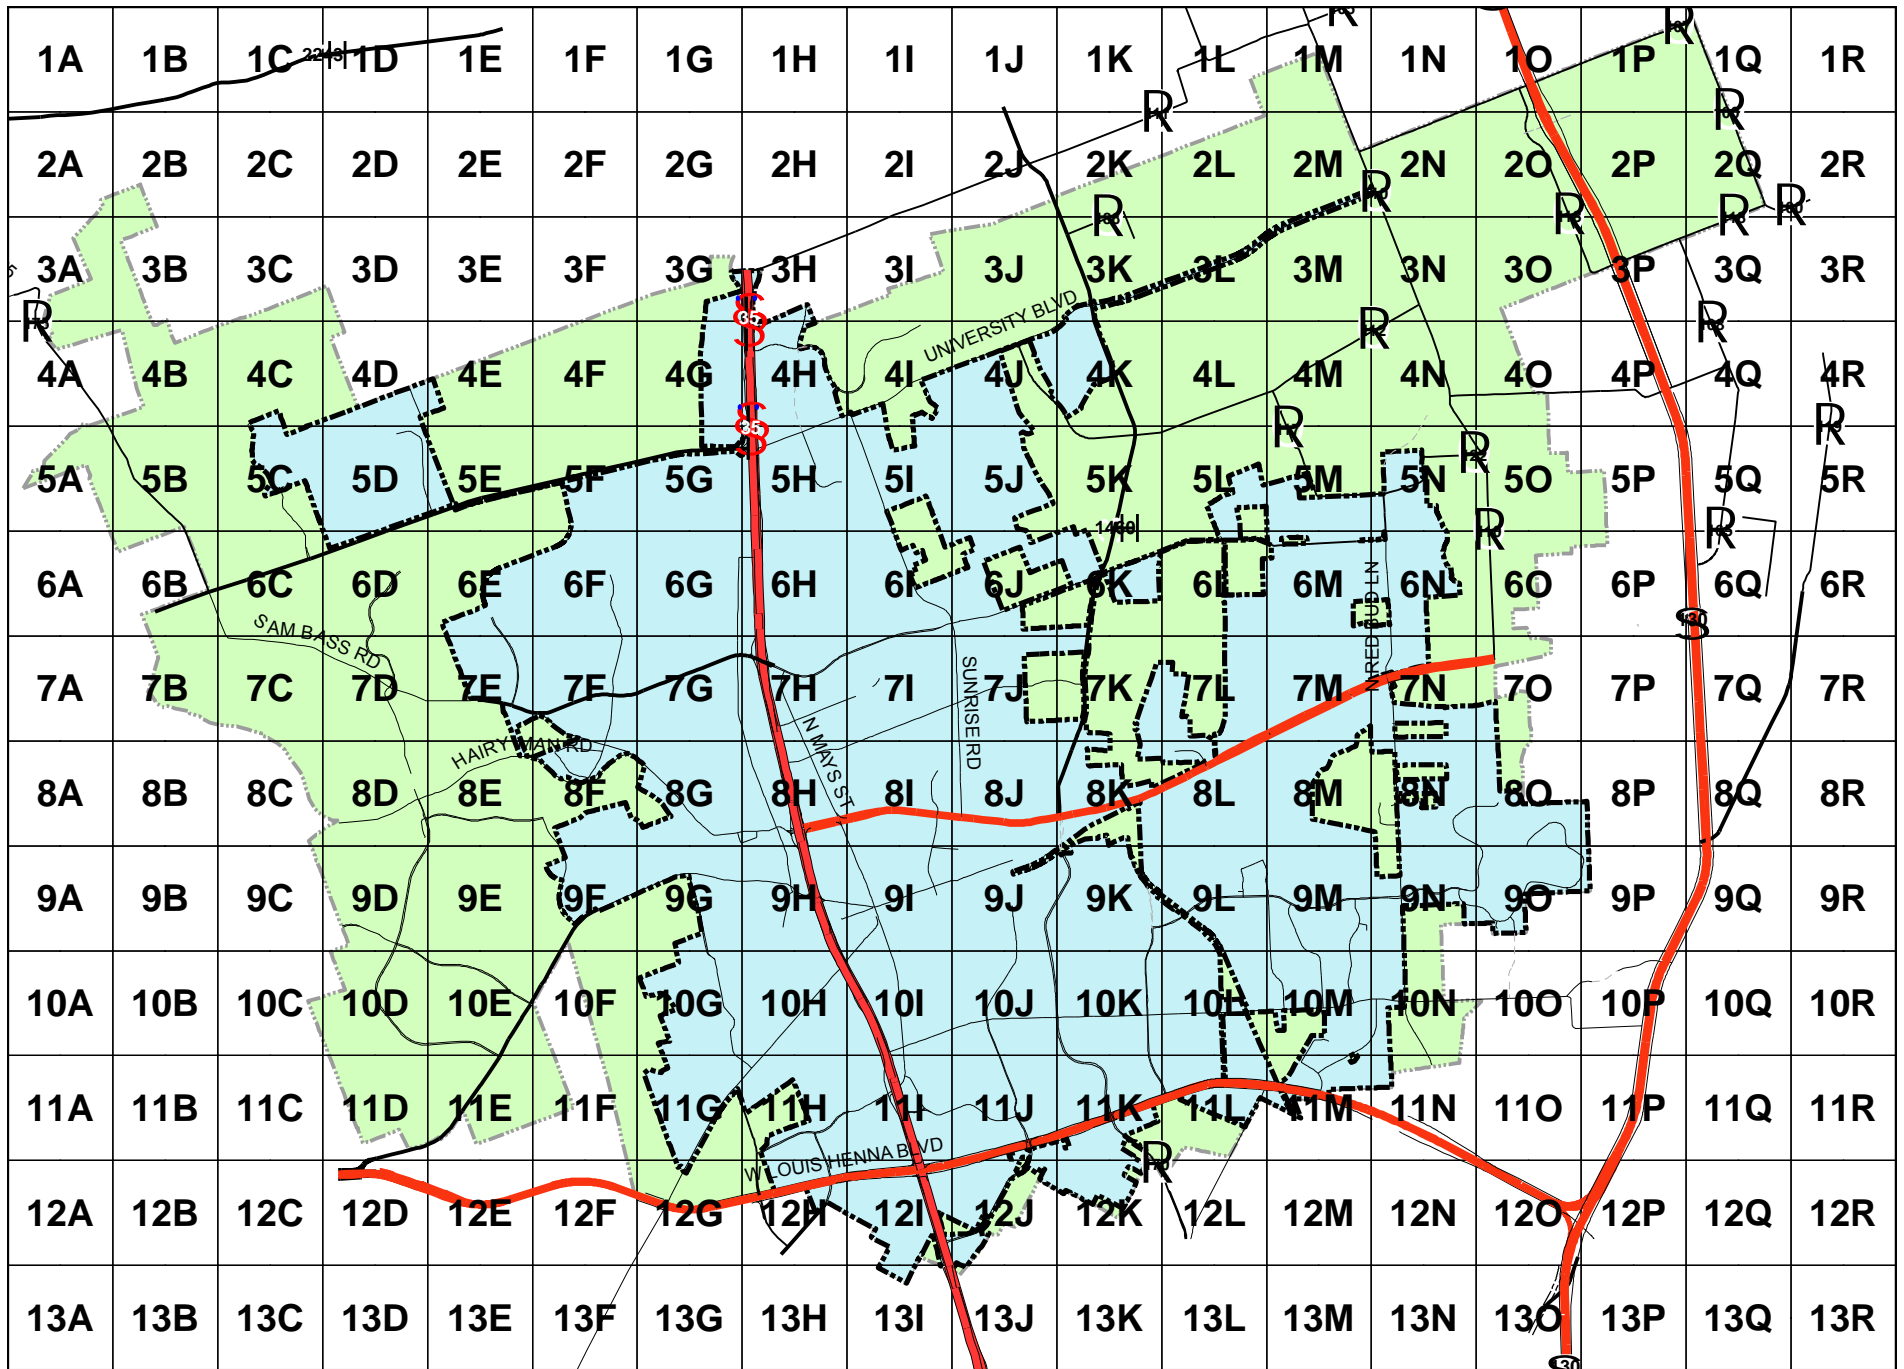

Exhibit A - Park Zones

385.15 acres per zone

Zone in which the Addition or Subdivision is located or the Park Zones surrounding it, for a total maximum area consisting of nine (9) Park Zones. In the event that there is not a suitable neighborhood park location within the aforesaid Park Zones, then the parkland fees collected shall be expended on the closest community or regional park.

A Letter of Intent for parkland dedication or fee in lieu of (see attached) is required at the time of Concept Plan application.

If you have questions regarding parkland dedication, please contact David Buzzell at 512.341.3345 or dbuzzell@round-rock.tx.us.

Drainage Study Requirement

A drainage study may be required as part of the subdivision or addition's development. If a drainage study is required, that study must be approved prior to submittal of the Concept Plan application. The requirement of a drainage study will be determined at the Pre-development Conference.

If a drainage study is required, please contact Ryan Beardmore (671-2752; dbeardmore@round-rock.tx.us) for additional information. A completed Drainage Study Requirement form (see attached) must be presented on the day of application submittal.

Pre-Development Conference

Prior to submitting a Concept Plan application, the Applicant must schedule a pre-development conference with PDS to discuss the proposed development. A checklist for the pre-development conference is included in this section and is also available online at: http://www.roundrocktexas.gov/docs/presubmittal_meeting_request_form.pdf.

Please contact PDS (512) 218-7043 to schedule a pre-development conference for platting. Please forward items noted on the checklist to PDS five days in advance of the scheduled conference to allow time for staff review and any associated research.

During or after the Pre-development Conference and before submitting an application, the Applicant must verify the deadline for filing an application with Planning and Development Services (PDS) and the date of the Planning and Zoning Commission meeting.

Presubmittal Meeting Request Form

Instructions: Forward the completed form to Kamie Fitzgerald via fax (512) 671-2751 or email (kfitzgerald@round-rock.tx.us) to schedule a presubmittal meeting.

- 1) Requested meeting date:

- 2) Choose one:
Legal Description, Address, or R# from Williamson County Appraisal District

- 3) Proposed land use:

- 4) Contact Name:

- 5) Contact Phone:

- 6) Contact Email:

- 7) Project Owner's Name and Address:

- 8) Questions to be addressed:

- 9) Scope of work and City permitting steps to be discussed:

The presubmittal meeting does not constitute a City review for the purposes of approval or permit issuance. Upon submittal of the appropriate applications comments are to be expected that were not discussed at the meeting. Nor shall the date of the meeting be construed as the submittal date for the application

01/02/13 (Wednesday)	1/14/13	01/30/13	02/28/13

All information for platting and zoning submittals must be delivered to the Planning Department designated representative by the **12 Noon deadline** on the date indicated as Submittal Day. Applications must be hand delivered by the applicant and/or authorized agent (no runners/couriers). No Planning and Zoning Commission Meetings are scheduled in January or September of 2012.

For additional information, please contact Diane Buck at 512-341-3166 or 512-218-5428.

* Determination will be made if Zoning or Concept Plan application is proceeding to the Planning and Zoning Commission in the current cycle. For Replat application deadlines, please contact staff.

Concept Plan Content (must be shown on Plan)

- 1) Unique Subdivision name; title must include the word "Revised" if concept plan has changed after Planning & Zoning Commission approval.
- 2) North arrow on plat schematic
- 3) Schematic drawn at a scale 1" = 100'
- 4) Scale bar and numeric scale
- 5) The following information must appear **in ONE place on the FIRST sheet**:
 - OWNERS: (if corporation include name)
 - ACREAGE:
 - SURVEYOR:
 - NUMBER OF BLOCKS:
 - LINEAR FEET OF NEW STREETS:
 - SUBMITTAL DATE:
 - DATE OF PLANNING AND ZONING COMMISSION REVIEW:
 - BENCHMARK DESCRIPTION & ELEVATION
 - ACREAGE BY LOT TYPE (e.g., ROW, Residential, Open Space, etc.)
 - PATENT SURVEY:
 - ENGINEER:
 - NUMBER OF LOTS BY TYPE:
- 6) Location map with north arrow
- 7) A legend with all acronyms defined.
- 8) Phasing clearly defined (if applicable)
- 9) Boundary survey with bearings and distances; boundary shown in solid bold lines
- 10) Lot and block lines
- 11) Lot table listing lot label and size (square feet) of all residential lots
- 12) Dashed lines showing the names and widths of adjacent recorded subdivisions or property lines with names and acreage of adjoining unplatted property
- 13) Parcel boundaries and ownership information if more than one parcel is included or if plan covers only a portion of a parcel.
- 14) Dashed lines showing adjacent streets, onsite and offsite easements.
- 15) Street layout and right-of-way must reflect the City of Round Rock Transportation Master Plan, as amended. Individual roadways must be identified.
- 16) Label all Right-of-Way widths.
- 17) All proposed streets must have identifying labels, but do not need to be formally named. (e.g. Street A, Street B, etc.)
- 18) Designation of any special purpose lots (i.e., park, landscaping, detention, ROW, etc.); labeled and the area listed in acres.
- 19) Existing easements:

- a) All existing easements encumbering the property must be depicted in schematic, to the extent practical, with recording information (Cabinet & Slide, Volume & Page, or Document Number).
 - b) The beneficiary of the easement must be included in the easement label.
 - c) Bearing and distance calls are not listed for separate instrument easements.
 - d) Existing blanket, undefined, or unlocatable easements must be referenced in a note on the plan.
 - e) Copies of all existing easement documents (except those dedicated by a recorded plat) must be provided.
- 20) Proposed easements:
- a) All proposed onsite and offsite easements must be depicted, with the exception of PUEs that will abut right-of-way.
 - b) The following note shall appear on the Concept Plan: A ten foot (10') PUE and sidewalk easement abutting and along the street side property line shall be dedicated for all street side property lots shown hereon.
 - c) Provide dimensions of proposed easements and label as "Proposed"
- 21) Depiction of the ultimate 4% annual floodplain and ultimate 1% annual floodplain.
- 22) One or both of the following notes must be added to the plat as applicable:
- a) If the ultimate 1% annual floodplain **does not** encroach upon any portion of the tract, the following note shall be added to the plat:
 "No portion of this tract is encroached by the ultimate 1% annual floodplain."
 - b) If the ultimate 1% annual floodplain **does** encroach upon the tract or any adjacent tract, the following note must be added to the plat:
 "No fences, structures, storage, or fill shall be placed within the limits of the ultimate 1% annual floodplain; unless approved by the City Engineer. Fill may only be permitted by the City Engineer after approval of the proper analysis."
- 23) Depiction of Zone A & AE FEMA floodplain with hatching or shading.
- One of the following notes must be listed on the plat:
- "No portion of this tract is encroached by any special flood hazard areas inundated by the 1% annual flood as identified by the U.S. federal emergency management agency boundary map (Flood Insurance Rate Map) community panel number _____, effective date _____, for Williamson County, Texas."
 - "A portion of this tract is encroached by special flood hazard areas inundated by the 1% annual flood as identified by the U.S. federal emergency management agency boundary map (Flood Insurance Rate Map) community panel number _____, effective date _____, for Williamson County, Texas."
- 24) All drainage easements must be labeled as "drainage and storm sewer easements". If a drainage easement exists or is proposed, the following note must be added to the plat:
 "No obstructions, including but not limited to fencing or storage, shall be permitted in any drainage easements shown hereon."
- 25) Location of all proposed drainage features and required off-site extensions.

Concept Plan Application Requirements

- **Please note that Concept Plan Applications must be submitted in person by the Applicant or Applicant's Agent. Applications submitted by a delivery service will NOT be accepted.**
- **Please note that the Concept Plan will NOT be considered complete or filed unless all the application requirements listed below are met.**

The Applicant shall submit a Concept Plan application that contains all of the following:

1. ____ **Completed Project Application** (included in the following pages of this packet).
2. ____ **Annexation Petition Commitment Letter** - 1 paper and 1 digital copy of a commitment letter stating that an annexation petition shall be provided upon the request by the Director of PDS. Said petition shall include a metes and bounds description labeled as Exhibit "A" and typed on an 8 ½ " x 11" sheet of paper with an accompanying sketch of the same size and a copy of the deed showing the current owner and labeled as Exhibit "B", if applicable;
3. ____ **Utility Service Letter** - 1 paper and 1 digital copy of a signed and sealed letter from the Applicant's Engineer describing how the subdivision will be served by water and wastewater and how the utilities will interface with adjacent tracts. The letter must include oversize construction and/or off-site requirements, if applicable, and a general discussion on drainage. If service is to be provided a Municipal Utility District (MUD) or other authorized utility provider, a letter certifying the availability of utilities is required;
4. ____ **TIA Letter** - 1 paper and 1 digital copy of written confirmation from the City of Round Rock, Transportation Department approving, deferring, or waiving a TIA pursuant to the requirements of subsection 106 of Chapter 36, Subdivisions, Code of Ordinances, City of Round Rock, Texas, 2010 edition, as amended, (see the TIA information in this packet for additional information);
5. ____ **Drainage Study Letter** - 1 paper and 1 digital copy of written confirmation from the City of Round Rock that a Drainage Study is not required or, if required, has been approved (see attached);
6. ____ **Letter of Intent for Parkland Dedication** - 1 paper copy of an Applicant-completed City form (see attached);
7. ____ **Tree Survey** - 1 paper and 1 digital copy of a letter confirming that a Tree Survey prepared by a registered professional land surveyor (RPLS) will be conducted, or requesting to use a Tree Inventory or a Partial Tree Survey in lieu of a Tree Survey, as defined in Chapter 14, subsection 20 and pursuant to the requirements of Chapter 14, subsection 25 of the Code;
8. ____ **Surrounding Property** - 1 paper copy of a list of all property owners within 300 feet of the proposed tract with addresses as recorded on the current tax roll. Provide one set of prepared envelope labels to notify affected property owners at their mailing address;
9. ____ **Location map** - 1 paper copy showing the subject property with 300 foot line drawn around the property proposed for the Concept Plan with a key referencing the list provided in the above requirement;
10. ____ **Aerial Photo** - 1 paper copy at the same scale as the concept plan;

11. ___ **Utility Schematics** - 1 paper and 1 digital copy that indicates the existing water and wastewater infrastructure and identify any proposed extensions of water and wastewater infrastructure necessary to serve all lots within the tract; schematics should include existing and proposed parcels and streets.

12. ___ **Drainage Schematics** - 1 paper and 1 digital copy that indicates the availability of drainage infrastructure/facilities and identify the proposed drainage infrastructure/facilities necessary to serve all lots within the tract; schematics should include existing and proposed topography, parcels and streets.

13. ___ **Concept Plan** - 5 paper copies and 1 digital copy with the title of the Concept Plan appearing on the outside and folded to a 9" by 12" size;

14. ___ **Digital Files** - 1-CD, that contains the following:

1) Digital Versions - in Adobe Acrobat pdf format - of the Above Requirements

- ___ Annexation Petition Commitment Letter, if applicable
- ___ Utility Service Letter
- ___ TIA Letter
- ___ Drainage Study Letter
- ___ Letter of Intent for Parkland Dedication
- ___ Tree Survey Letter
- ___ Surrounding Property Owner List
- ___ Location Map for Property Owner
- ___ Aerial Photo

2) Digital Versions of the Subdivision Plan:

- ___ 1 Adobe Acrobat file (.pdf) georeferenced to the State Plane Grid Coordinate System - Texas Central Zone (4203) or contain a minimum of two (2) survey points referenced to the City of Round Rock Control Network, State Plane or Latitude/Longitude. The file shall be in US feet and shall include rotation information and scale factor required to reduce surface coordinates to grid coordinates in US feet;
- ___ 1 AutoCAD file (.dwg) version of the same; and
- ___ 1 Adobe Acrobat file (.pdf) of the Plan reduced to 11 x 17 inches

3) Digital Versions of the Utility and Drainage Schematics

- ___ 1 AutoCAD file (.dwg) version of the utility schematics
- ___ 1 AutoCAD file (.dwg) version of the drainage schematics

15. ___ **Payment of fees:** In accordance with the fee schedule adopted by City Council (checks shall be made payable to the City of Round Rock and are based on the following):

Application Fee		\$500.00
Lot Fee:	Number of Lots ___ x \$25 =	\$ _____
Legal Fee		\$100.00
Notification Fee:	\$1.00 per property owner within 300 feet	
	Number to be notified ___ x \$1.00 =	\$ _____
	Public hearing notice published in newspaper	\$150.00
TOTAL		\$ _____
