

TROOP SUPPORT

Partnership with Fort Hood Round Rock & 404th Aviation Support Battalion

Until they come home...

"From all of us in Shops Platoon, WE THANK YOU ALL for the support. One of my Soldiers said it best the other day, "they are getting us exactly what we need and the best thing about the packages is the feeling that someone cares and is concerned." To me, it's the thought that counts."

- CPT Freddy Reyes, a platoon leader in his 20's who commands 75 soldiers in the Shops Platoon out of Fort Hood's 4ID 404th Aviation Support Battalion.

Round Rock's "adopted" troops deployed in July and since then, support from the Round Rock community has been magnificent! Let's keep it going for the remaining 10 months of their deployment. There's lots of ways you can participate:

- **Moral Support:** Write letters and cards, or make posters for our soldiers. Do it together as a family! Drop off at Round Rock City Hall, 221 E. Main, third floor, Attn: Jill Goodman.
- **Goodies:** Bring "care package" donations to the Adopt-A-Unit booth on Christmas Family Night (Dec. 12) in Downtown Round Rock. What do they need? Visit www.roundrocktexas.gov/forthood.
- **Volunteer:** Join our volunteer list. We may need help at the next event, packing care packages, or picking up and dropping off donations at Fort Hood. E-mail Jill at jgoodman@round-rock.tx.us.
- **Empower the Cause:** We rely on your donations to pay for shipping and to continue supporting the children and families of deployed soldiers. Make contributions payable to "Round Rock Adopt-A-Unit" and contact Jill at jgoodman@round-rock.tx.us.
