The following guidelines are **STRONGLY** recommended:

- **Know your limits; do not use ramps or rails beyond your ability level.**
- **Additional obstacles or other materials (ramps/jumps) may not be used in the skate facility. Do not bring any personal ramps or rails into this facility. No modifications to existing ramps are permitted.**
- **Headphones and music devices should not be used while riding.**
- **Children under the age of 10 must be accompanied by an adult.**
- **Spectators and pets are welcome, but not allowed on the skate park surfaces.**
- **City reserves the right to close the skate facility, including for programmed events.**
