The following are questions submitted by the deadline of Wednesday, 01/11/17, @ 5:00 p.m. as outlined below:

Question No. 1: Is there a breakdown for wall, rail, and fence padding?

Answer: No. It will be the responsibility of all qualifying bidders to take their own measurements as specified in the solicitation document.

Question No. 2: If we are able to bid as a manufacturer, would it be possible for our engineer to enter the field the morning of the site inspection to take accurate measurements?

Answer: Bidders "will not" be allowed to enter the field the morning of the pre-bid site inspection.

Question No. 3: Are copies of job plans for the Dell Diamond wall padding replacement available?

Answer: No. It will be the responsibility of all qualifying bidders to take their own measurements as specified in the solicitation document.
