2015 BENEFITS GUIDE

ROUND ROCK
This 2015 Benefits Guide describes, in non-technical language, the essential features of many of the benefit plans sponsored by the City of Round Rock. This Guide has been prepared as a reference only. It is not an official Master Plan Document for the City of Round Rock Health Benefits Plan, which includes dental, vision, life and voluntary benefits. The terms and conditions of coverage under The Plan are determined solely by the Master Plan Document as adopted by the City of Round Rock City Council. If there is any discrepancy between the Plan Document and the information described here, the Plan Document will govern. Participation in the plans does not constitute an employment contract. The City reserves the right to modify, amend or terminate any benefit plan or practice described in this guide. Nothing in this guide guarantees that any new plan provisions will continue in effect for any period of time.

Benefits Eligibility

Who Is Eligible

You are eligible to enroll in the City’s benefit plans if you are a regular, full-time employee scheduled to work at least 30 hours per week. As a regular, full-time employee, you are eligible for benefits on the first day of the month following your date of hire.

Eligible Dependents

You may cover your eligible dependents, including:

- **Spouse:** Your legally married spouse, including a declared common-law spouse. Only one spouse may be covered at any time.

- **Children:** Your biological children, stepchildren, and legally adopted children placed pending adoption. Your children must be under 26 years of age.

- **Dependent Grandchildren:** Your unmarried grandchild must meet the requirements listed above and must be listed as a dependent (as defined by the Internal Revenue Service) on you or your spouse’s federal income tax return. Proof of claiming the dependent may be requested from time to time.

- **Disabled Children:** To continue coverage for an eligible dependent past the age limit, the child must be covered as a dependent at the time and must also meet the following definitions:
  - A child incapable of earning a living at the time the child would otherwise cease to be a dependent, and depend on you for principal support and maintenance, due to a mental or physical disability.
  - A disabled child continues to be considered an eligible dependent as long as the child remains incapacitated and dependent on you for principal support and maintenance, and you continuously maintain the child’s coverage as a dependent under the plan from the time they otherwise would lose dependent status.
  - A dependent child who loses eligibility and later becomes disabled is not eligible to be covered. A disabled child who was not covered as a dependent immediately prior to the time the child would otherwise cease to be a dependent is not eligible to be covered.
Documentation Required

To provide coverage for a dependent under any of the City’s benefits programs, you must provide documentation that supports your relationship to the dependent. Social Security Numbers must be provided for all eligible dependents.

Acceptable documents are listed below for the following dependents:

- **Spouse**: A marriage certificate or declaration of informal (common-law) marriage, which has been recorded as provided by law.
- **Child**: A certified birth certificate, complimentary hospital birth certificate, Verification of Birth Facts issued by the hospital, or court order establishing legal adoption, guardianship, conservatorship, qualified medical child support order, or be the subject of an Administrative Writ.
- **Stepchild**: The documentation listed above must also be provided, and a marriage certificate or declaration of informal marriage indicating the marriage of the child’s parent and stepparent.
- **Dependent Grandchild**: The documentation listed above must also be provided, and a marriage certificate or declaration of informal marriage that supports the relationship between you and your grandchild. Additionally, a copy of the income tax return for the preceding year showing the grandchild was claimed as a dependent.
- **Disabled Child**: Verification of an ongoing total disability including written documentation from a physician verifying an ongoing total disability.
- **Qualified Child Pending Adoption**: For children already placed in your home, an agreement between you and a licensed child-placing agency or Texas Department of Family and Protective Services, which meets the requirements listed in Dependent Eligibility.

Initial Enrollment

When you first join the City, you have 31 days to enroll yourself and your dependents for benefits. If you enroll on time, coverage begins the first of the month following your date of hire. If you do not enroll within 31 days of becoming eligible, you will automatically be enrolled in company-sponsored benefits, such as basic life and accidental death insurance, but you will have to wait until the next annual Open Enrollment to enroll in medical insurance or make changes to coverage. You will be able to utilize the employee assistance program (EAP) upon hire.

Open Enrollment

Each year Open Enrollment provides you an opportunity to modify your medical, dental, vision coverage and/or Flexible Spending Account(s). Changes made become effective January 1 of the following year. All eligible employees may enroll online October 1 through October 31. Employees without access to a computer can enroll in benefits using the computers in various City buildings.

Waiving Coverage

If you are a full-time employee declining or dropping medical and/or dental coverage for yourself, you must:

- Provide proof of other insurance coverage for the coverage you are declining or dropping.
- Complete a Benefits Enrollment Form.

If you later decide you want to be covered, you will not be able to enroll for coverage until the next Open Enrollment or within 31 days of a qualifying life event.
Making Changes to Coverage

Once you make your benefit elections, these choices remain in effect until the next annual Open Enrollment. You are able to make a qualified life event change if you or your eligible dependents become eligible for coverage through special enrollment rules.

If you have a qualified life event change or you have another allowable event, you can make certain changes during the plan year. However, you must make your enrollment change within 31 days of the event by providing documentation to Human Resources. If you do not enroll online within 31 days, you will have to wait until the next Open Enrollment to make new elections.

Qualified status changes include, but are not limited to:

- Change in number of eligible dependents due to birth, adoption, placement for adoption or death
- Gain or loss of dependent status (i.e., your child reaches the age limit for eligibility)
- Change in legal marital status, including marriage, divorce, or death of a spouse
- Change in residence or workplace that changes your or your dependent’s eligibility for coverage
- Change in employment status, such as starting or ending employment, for you, your spouse or your children
- End of the maximum period for COBRA coverage

Special Enrollment Rules

If you choose not to enroll yourself or your dependents (including your spouse) because you have other coverage, you may be able to enroll yourself and your dependents at a later date if:

- You or your dependents lose Medicaid or Children’s Health Insurance Program (“CHIP”) coverage as a result of a loss of eligibility for such coverage, or
- If you or your dependents become eligible for a premium assistance subsidy under Medicaid or CHIP.

You must enroll within 60 days of the qualified events shown in the “Special Enrollment Rules” above.

If your dependent also had other health coverage and lost that coverage in the above situations, they may be added to your coverage. However, you will not be able to add yourself or your dependents to this coverage if the other coverage was terminated “for cause” (including failure to pay the required premiums on time).

In addition to the changes described above, you may enroll yourself and your spouse (with or without the new dependent) in the City health plan following marriage or the adoption, placement for adoption, or birth of a child, as long as you request enrollment within 31 days of the event. You must be enrolled to cover your dependents. If you have a special enrollment event and want to enroll for health coverage, call Human Resources at (512) 218-5490.

The Cost of Health Care

Here’s how your health plan dollar is spent

85¢: Cost of Health Care
15¢: Other
Medical Plan

The City’s medical options all provide coverage for the same types of expenses, such as doctor’s office visits, preventive care, prescription drugs and hospitalization. You choose the option that makes the most sense for you and your family based on your needs and what you want to pay for coverage.

Network Provider Organizations

The Point of Service (POS) plan offers in-network and out-of-network benefits. When you need care, you decide whether to go to an Aetna in-network doctor or to an out-of-network provider. If you receive care from in-network doctors and facilities, your out-of-pocket costs will be lower than if you use out-of-network providers and facilities because Aetna network providers discount their fees. And, with in-network providers, you generally do not have to file claims.

If you choose to receive care from an out-of-network provider, the medical plan pays a lower benefit and you must file a claim to receive reimbursement for covered expenses.

Here’s how it works:

Employee Contributions

Your cost for Medical, Dental and Vision plans in the Benefits Program will be paid on a before-tax basis through your payroll deductions. This means that your benefit deductions go farther because you save the federal income tax that would otherwise be required on these contributions. Below are the contributions in effect January 1, 2015 through December 31, 2015:

Prescription Drug Coverage

If you enroll in the City’s medical plan, you will automatically receive prescription drug coverage. When you need prescriptions, you can purchase them through a local retail pharmacy or, for medications you take on an ongoing basis, through the mail order pharmacy program.

Retail Prescription Program

The retail prescription program uses a network of participating pharmacies.

To receive the highest level of benefits, you must use a participating pharmacy. Prescriptions you fill at non-participating pharmacies are generally not covered.

Mail Order Program

For people who take medicine regularly for chronic conditions, prescription drug costs can be expensive. Mail order service can help. AetnaRx Home Delivery® fills prescriptions for millions of members who take medications for arthritis, asthma, diabetes, high cholesterol, high blood pressure and other chronic conditions.

Advantages:

- Convenient, consistent care – Instead of monthly trips to the pharmacy, you can get medications shipped directly to your home.
- Great supplies, lower copayments. Instead of a 30-day supply, you get a 90-day supply, with your doctor’s approval. And, depending on the medication, you may pay less for that larger amount than for three smaller fills at a retail pharmacy.
- Generic mail order prescriptions are FREE!

ORDERING REFILLS IS EASY – Choose one of these ways

2. By Phone: Call Rx Member Services toll free at (888) RX-AETNA (1-888-792-3862). Have your member ID number, your prescription number, and your credit card number ready.

3. By Mail: Complete the reorder form that you received with your last order and mail it back with your payment. The reorder form will also tell you when you can place your next refill order.

Dental Preferred Provider Organization (PPO) Plan

The Dental PPO allows you the freedom to visit any dentist, without referrals, for all of your dental care. If you receive care from one of Aetna’s preferred dentists, you’ll pay less for your care. Vision Plan

The City’s basic Vision Plan promotes preventive care through regular eye exams and provides coverage for corrective materials, such as glasses and contact lenses. The Vision Plan is administered through Aetna.

Vision Coverage

The PPO plan offers in-network and out-of-network benefits. When you need care, you decide whether to go to an Aetna in-network provider or to an out-of-network provider. If you receive care from in-network doctors and facilities, your out-of-pocket costs will be lower than if you use out-of-network doctors and facilities because Aetna network providers discount their fees. And, with in-network providers, you generally do not have to file claims. If you choose to receive care from an out-of-network provider, the plan pays a lower benefit and you must file a claim to receive reimbursement for covered expenses. To find a vision network provider, go to www.aetna.com.

The Vision Plan is designed to cover eye care needs that are visually necessary. You have to pay extra if you choose certain cosmetic or elective eyewear. So be sure to ask your eye doctor what items are covered by the plan before you purchase materials.

Employee Contributions

Your cost for Medical, Dental and Vision plans in the Benefits Program will be paid on a before-tax basis through your payroll deductions. This means that your benefit deductions go farther because you save the federal income tax that would otherwise be required on these contributions.

Life Insurance

Basic Life Insurance
The City of Round Rock automatically provides Basic Life and Accidental Death and Dismemberment (AD&D) Insurance for all eligible employees at no cost. Basic Life Insurance and Accidental Death and Dismemberment equal to your annual base earnings up to a maximum of $100,000. The benefit is paid to your beneficiaries in the event of your death.

Annual base earnings include your base salary. Interest is not included.

Supplemental Death Benefit
The City still provides a Supplemental Death Benefit in the retirement program. If you die while employed by the City, Texas Municipal Retirement System (TMRS) will pay your beneficiary or estate a benefit approximately equal to your current annual salary. You are automatically enrolled, with no cost to you, for the Supplemental Death Benefit when you enroll with TMRS. The benefit is paid to your beneficiaries or estate in the event of your death.

Basic Life Insurance Coverage IRS Rules
If your Basic Life Insurance coverage is more than $50,000, your income taxes may be affected. IRS regulations require that the value of life insurance benefits over $50,000 be reported as “imputed income” on your W-2, which is non-cash income you receive from an employer-provided benefit. This is a very nominal fee and depending on your age will be between $1.00 and $4.99 annually.

Optional Life Insurance
In addition, you may also purchase Optional Life Insurance for yourself, your spouse and your children. However, you may only elect coverage for your dependents if you enroll in Optional Life coverage for yourself. You pay for the cost of Optional Life Insurance on an after-tax basis through payroll deductions. Optional Life and AD&D insurance will be taken from your paycheck on a post-tax basis.

Beneficiary Designation
You must designate a beneficiary for your Supplemental Death benefit when you enroll with TMRS. Your beneficiary is the person(s) who will receive the benefits from your Supplemental Life Benefit in the event of your death. You can change your beneficiaries at any time during the year. If you do not name a beneficiary, or if your beneficiary dies before you, your life insurance benefits will go to a probate court.

Additionally, you must designate a beneficiary for your city paid basic life insurance, wages and any reimbursements owed to you by the City of Round Rock at the time of your death. You may do so by completing the Beneficiary Designation Form available on the Benefits Portal or at the Human Resources Office.
Disability Coverage

The City provides long term disability coverage at no cost to employees. Disability coverage works to keep all or part of your paycheck coming if you cannot work because of illness, injury or pregnancy. Short term disability can be elected by the employee at the employee’s expense.

Short-Term Disability
Short-term disability (STD) benefit is available to all eligible employees. If you enroll in STD, you may be eligible for STD benefits if you remain totally disabled and unable to work for more than 8 days. This coverage automatically provides you STD benefits that replace up to 60% of your weekly salary for a length of time that you choose (either 15 weeks or 25 weeks).

Long-Term Disability
If you remain totally disabled and unable to work for more than 180 days, you may be eligible for Long-Term Disability (LTD) benefits. The City automatically provides you LTD benefits that replace up to 60% of your base pay, up to a maximum of $5,000 per month. Your monthly LTD benefit will be reduced by Social Security and any other disability income you are eligible to receive (such as Workers’ Compensation).

When Are You Disabled?
To be considered totally disabled and eligible for LTD benefits, you must be approved by the insurance carrier and seeing a doctor regularly for treatment. In addition:

- Your doctor must certify that you are not able to do your job at the City, and;
- You must have lost 20% or more of your pre-disability income due to your illness or injury.
Flexible Spending Accounts (FSA)

The City allows you to contribute to one or both flexible spending accounts, which allow you to save taxes on certain out-of-pocket health care and dependent care expenses. The FSAs are administered by Aetna.

How the FSAs Work
The City offers two types of FSAs:

- Health Care FSA
- Dependent Care FSA

If you elect to contribute to one or both of the FSAs, you choose an annual amount to be taken from each of your paychecks and deposited into your account throughout the year. Your contributions are taken out of your paycheck before you pay taxes, so you save money. Then, when you have eligible health care or dependent care expenses, you can use the account to reimburse yourself, up to the amount you have elected to contribute to your account for the year.

With both accounts, the IRS requires you to use all of the money in your account by the end of the year or you lose it. This is called the “use it or lose it” rule.

Important FSA Considerations

- Any money left in your FSAs at the end of the plan year may not be rolled over to pay for future expenses in another plan year. Any unused funds will be forfeited, per IRS rules.
- For the Dependent Care FSA, you may only be reimbursed up to the amount in your account at the time you file a claim. If your eligible expenses are greater than the amount in your account, the unreimbursed amount will carry over and be reimbursed after your next deposit. (For the Health Care FSA, you can be reimbursed up to the full amount you have elected to contribute for the year—even if you have not yet contributed that much to your account.)
- The Health Care FSA and the Dependent Care FSA are separate accounts. You cannot use funds from one account to pay for expenses of the other. You also cannot transfer funds between the two accounts.
- If you use the Dependent Care FSA, you must provide your caregiver’s Social Security number or tax ID when you file a claim for reimbursement.

Health Care FSA
You can use the Health Care FSA to pay for eligible out-of-pocket expenses that are not covered by another health plan. Examples include, but are not limited to:

- Medical or dental deductibles
- Office visit copays
- Coinsurance amounts
- Amounts you pay for prescription drugs
- Amounts you pay for certain over-the-counter items
- Eyeglasses, contacts and other vision-related expenses not covered by the vision plan
- Orthodontia expenses not covered by the dental plan

For a complete list of eligible expenses, visit www.aetna.com.
NOTE: YOU MUST COMPLETE A NEW FSA REIMBURSEMENT FORM AND RE-ENROLL EACH OPEN ENROLLMENT TO CONTINUE YOUR FLEXIBLE SPENDING ACCOUNT.

FSA Annual Contribution Amount
You can contribute $250 up to a maximum of $2,500 per year to the Health Care FSA.

A Note Regarding FSA use for Over-the-Counter Medications
You must have a doctor’s prescription to use the Health Care FSA to reimburse yourself for certain over-the-counter medications. Examples of medications that require you to submit a doctor’s prescription include:

- Acid controllers, digestive aids and stomach remedies
- Allergy and sinus medicines
- Anti-itch and insect bite remedies
- Cold sore remedies
- Cold, cough and flu drugs
- Pain relief medications
- Respiratory treatments
- Sleep aids and sedatives

How the FSA Debit Card Works
If you enroll in the Health Care FSA, you will receive one debit card in the mail. To request additional debit cards for your family members or if you lose your card, please contact Aetna at 1-866-229-1512.

You can use your debit card at certain places to pay for eligible expenses up-front, such as prescription drugs and office visit copays, without having to pay with cash and wait for a reimbursement. If you use your debit card at a health care provider’s office or at a vendor that has the software in place to track eligible FSA expenses, you will not be required to submit a receipt. For a list of vendors that have this software, go to www.aetna.com. However, for most debit card transactions, you will need to submit your receipts as substantiation of your expense, so it’s important to keep them.

If you choose not to use your debit card, you can always pay for your eligible expense and file a claim for reimbursement.

- Other dependents of any age who are mentally or physically disabled and whom you claim as a dependent for tax purposes (spouses and dependents age 13 and older must spend at least eight hours a day in your home if you are reimbursing yourself for services provided outside the home).

Some typical expenses that are eligible for reimbursement under the plan are:

- Licensed nursery school and day care centers for children
- Licensed day care centers for disabled dependents
- Services from a care provider over the age of 19 (inside or outside the home)
- Day camps

Medical Tips

Be a Wise Consumer

Should I go to the Doctor, Walk-In Clinic, Urgent Care or Emergency Room?

Accidents and illnesses can happen at any time. Knowing where to seek care is not always easy. Research shows that Emergency Room (ER) visits have increased by more than 30 percent in the past decade. *Going to the ER isn’t always the best choice—for your care or your wallet.* One of the best ways to reduce healthcare costs is to limit trips to the emergency room to true emergencies - life-threatening medical problems - build a relationship with a primary care physician for routine care. It’s a healthy way to keep healthcare affordable for all of us. In a true emergency, you shouldn’t hesitate to go to the ER. But…if your condition is not an emergency, check with your doctor first, visit rockcare clinic or call an urgent care facility. Knowing your healthcare choices can help save time and money. You can use this chart as a guide to help you make decisions.

Legal Protection Plan

Membership grants a member access to a host of legal benefits that are available and renew each year. You will have the opportunity to solve your legal matters at a reduced rate, without reducing the level of service. This service also covers wills and estate planning.

Retirement

The City values you as an employee. As part of your compensation, the City provides retirement benefits. Over the years, the City has made a significant investment in providing retirement benefits to employees, so it is important that you understand how your retirement benefits work. Several programs are available to help you prepare for your retirement. These programs include mandatory participation in retirement systems and City contributions to Social Security on your behalf. For more information about your defined benefit retirement plan, contact your retirement system.

Texas Municipal Retirement System (TMRS)

The City’s retirement program is with TMRS. Full-time employees contribute a mandatory 7% of their salary. The City contributes a ratio of 2:1 to the employee’s fund after the employee has become vested (five years) AND retires (after 20 years of service OR at age 60 with five years of service). The retirement fund earns interest. The City also participates in Social Security. A Supplemental Death Benefit is also provided by TMRS at one times your annual salary.

457 Deferred Compensation Plans

Employees are offered the opportunity to save more toward retirement than the mandatory 7% with TMRS. Under Section 457 of the Internal Revenue Code, employees may defer up to the maximum allowed depending upon their age. Participation is handled through payroll deduction so taxes are reduced each pay period. An employee may join the 457 plan anytime during the year.

Advantages

Reduce current income taxes while boosting retirement savings.
Earnings accumulate tax-deferred.
Portability. An employee can move savings to another governmental 457 plan, IRS or qualified plan.

Withdrawals

An employee may withdraw assets under certain conditions. Additionally, it’s necessary to complete the appropriate paperwork available at Human Resources or Nationwide at the number indicated in the Vendor Directory.

Important Notice from City of Round Rock about Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the City of Round Rock and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. The City of Round Rock has determined that the prescription drug coverage offered by Aetna is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?
You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

- If you are an active employee and you decide to enroll in a Medicare prescription drug plan and drop your City of Round Rock Health Plan prescription drug coverage, you and your dependents may not be able to re-enroll in the City of Round Rock Health Plan coverage until the next annual enrollment period.

- If you are a retiree and you decide to enroll in a Medicare prescription drug plan and drop your City of Round Rock Health Plan prescription drug coverage, you and your dependents will not be able to re-enroll in the City of Round Rock Health Plan coverage in the future.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?
You should also know that if you drop or lose your current coverage with the City of Round Rock and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
What is the Donut Hole?
The "Donut Hole" is an analogy used to explain the coverage gap in Medicare Part D drug plans. On Part D drug plans, the plan itself will help pay for your prescription medications until you have reached a certain limit ($2,840 in 2011), and from this point on, you will have to pay the total cost of the medications out-of-pocket until you reach the maximum out-of-pocket cost limit ($4,550 in 2011). This gap of $1,710 ($4,550 - $2,840) is what you would have to pay; which is the full cost of your medications while you are in the "donut hole". After you reach the coverage gap limit ($4,550 in 2011) then you will enter what is called "catastrophic coverage" in which you will have the greatest amount of drug coverage until then end of the calendar year. To learn more about the donut hole, view the following link: Medicare Donut Hole. Below is also a picture diagram of how and why it is called the "donut hole"...

If you enroll in a Medicare-approved plan that offers prescription drug coverage, you may be required to provide a copy of this notice when you join to show that you are not required to pay a higher premium amount.
You’re getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan’s Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse’s plan), even if that plan generally doesn’t accept late enrollees.

What Is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a “qualifying event.” Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you’re an employee, you’ll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.
- If you’re the spouse of an employee, you’ll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:
  - Your spouse dies;
  - Your spouse’s hours of employment are reduced;
  - Your spouse’s employment ends for any reason other than his or her gross misconduct;
  - Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
  - You become divorced or legally separated from your spouse.
- Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:
  - The parent-employee dies;
  - The parent-employee’s hours of employment are reduced;
  - The parent-employee’s employment ends for any reason other than his or her gross misconduct;
  - The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
  - The parents become divorced or legally separated; or
  - The child stops being eligible for coverage under the Plan as a “dependent child.”

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to the City of Round Rock, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The
retired employee’s spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When Is COBRA Coverage Available?
The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Commencement of a proceeding in bankruptcy with respect to the employer;
- The employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 after the qualifying event occurs. You must provide this notice to: City of Round Rock

How Is COBRA Continuation Coverage Provided?
Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability Extension of 18-Month Period of Continuation Coverage
If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

Second Qualifying Event Extension of 18-Month Period of Continuation Coverage
If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are There Other Coverage Options Besides COBRA Continuation Coverage?
Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse’s plan) through what is called a “special enrollment period.” Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.
If You Have Questions
Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor’s Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA’s website.) For more information about the Marketplace, visit www.HealthCare.gov.

Keep Your Plan Informed of Address Changes
To protect your family’s rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

**PART A: General Information**

The Health Insurance Marketplace is a new way to purchase health insurance in the United States. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer, the City of Round Rock.

**What is the Health Insurance Marketplace?**
The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

**Can I Save Money on my Health Insurance Premiums in the Marketplace?**
No. Regular full-time employees will not experience savings because the City pays the entire premium for the PPO and the majority of the HMO premium. Part-time employees may realize savings by going to the Marketplace.

Temporary employees hired by the City of Round Rock are not eligible for City-provided medical coverage. Temporary employees and their dependents can purchase health insurance through the Health Insurance Marketplace, designed to provide affordable health insurance.

**Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?**
Yes. The City of Round Rock offers coverage that meets government standards. If you are in a regular budgeted position and work full-time you will not be eligible for a tax credit at the Marketplace.

If you are in a regular budgeted position working part-time, and the premium you would pay for the City’s lowest cost medical plan (Employee Only) is more than 9.5 percent of your household income for the year, you may be eligible for a tax credit at the Marketplace. If you are a temporary employee, and therefore not eligible for medical coverage under a City medical plan, you are eligible for medical coverage through the Marketplace and may also qualify for a tax credit.

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by the City of Round Rock, then you may lose the City’s contribution (if any) to the employer-offered coverage. Also, the City’s contribution as well as your employee contribution to City offered coverage is usually excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

**How Can I Get More Information?**
For more information about your coverage offered by the City of Round Rock, review this guide, go to www.austintexas.gov/benefits/enrollment for your summary plan description, or contact City of Round Rock 512-218-5490.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.
PART B: Information About Health Coverage Offered by Your Employer

This section contains information about health coverage offered by the City of Round Rock. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

Basic Health Care Coverage Information

As your employer, the City of Round Rock offers a health plan to all employees in regular budgeted positions. Temporary employees are not eligible for coverage under a City medical plan.

The City of Round Rock offers dependent coverage to eligible dependents. Eligible dependents (spouse, domestic partner, children, and dependent grandchildren) are detailed in this guide.

The City’s coverage meets the minimum value standard*, and the cost of this coverage to you is intended to be affordable, based on employee wages.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process.

*An employer-sponsored health plan meets the “minimum value standard” if the plan’s share of the total allowed benefits costs covered by the plan is no less than 60% of such costs (Section 36B(c)(2)(ii) of the Internal Revenue Code of 1986)
Other Notices

Newborn & Mothers Health Protection Notice
For maternity hospital stays, in accordance with federal law, the Plan does not restrict benefits, for any hospital length of stay in connection with childbirth for the mother or newborn child, to less than 48 hours following a vaginal delivery or less than 96 hours following a Cesarean delivery.

However, federal law generally does not prevent the mother’s or newborn’s attending care provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). The plan cannot require a provider to prescribe a length of stay any shorter than 48 hours (or 96 hours following a Cesarean delivery).

Women’s Health and Cancer Rights Act of 1998
If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultations with the attending physician and the patient, for:
- All states of reconstruction of the breast on which the mastectomy was performed
- Surgery and reconstruction of the other breast to produce a symmetrical appearance
- Prostheses
- Treatment of physical complications of the mastectomy, including lymphedema

These benefits will be provided subject to the same deductibles, copays and coinsurance applicable to other medical and surgical benefits provided under your medical plan. For more information on WHCRA benefits, contact The City of Round Rock Human Resources Department.

Notice of Special Enrollment Rights
If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to later enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents’ other coverage).

However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer that sponsors that coverage stops contributing toward the coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.
