All solicitations received may be evaluated based on the best value for the City. In determining best value, the City may consider:

5.1. Purchase price;

5.2. Reputation of Bidder and of Bidder’s goods and services;

5.3. Quality of the Bidder’s goods and services;

5.4. The extent to which the goods and services meet the City’s needs;

5.5. Bidder’s past performance with the City;

5.6. The total long-term cost to the City to acquire the Bidder’s goods or services;

5.7. Any relevant criteria specifically listed in the solicitation.

Bidders may be contacted for clarification of bid and/or to discuss details of the services they are proposing. This may include a presentation and/or the request for additional material/information to clarify.
6. **AWARD:** The City may choose to not award an Agreement. Split awards between Vendors may be made at the sole discretion of the City. The City reserves the right to enter into an agreement or a purchase order with a single award, split awards, or use any combination that best serves the interest and at the sole discretion of the City.

7. **POST AWARD MEETING:** The City and Successful Bidder(s) may have a post award meeting to discuss, but not be limited to the following:

   7.1. The method to provide a smooth and orderly transition of services performed from the current contractor;
   
   7.2. Provide City contact(s) information for implementation of agreement;
   
   7.3. Identify specific milestones, goals and strategies to meet objectives.

8. **NON-APPROPRIATION:** The resulting Agreement is a commitment of the City’s current revenues only. It is understood and agreed the City shall have the right to terminate the Agreement at the end of any City fiscal year if the governing body of the City does not appropriate funds sufficient to purchase the estimated yearly quantities, as determined by the City’s budget for the fiscal year in question. The City may effect such termination by giving Vendor a written notice of termination at the end of its then current fiscal year.

9. **INTERLOCAL COOPERATIVE CONTRACTING (PIGGYBACK):** Other governmental entities may be extended the opportunity to purchase off the City’s agreements, with the consent and agreement of the awarded Vendor(s) and the City. Such consent and agreement shall be conclusively inferred from lack of exception to this clause in a Bidder’s submittal. However, all parties indicate their understanding and hereby expressly agree that the City is not an agent of, partner to, or representative of those outside agencies or entities and that the City is not obligated or liable for any action or debts that may arise out of such independently-negotiated “piggyback” procurements.
