

# BACA FALL GROUP EXERCISE CLASSES

The Allen R. Baca Center values health and exercise and provides group exercise classes to our members with WEIGHT ROOM MEMBERSHIP for FREE or nominal fee! Non-members must pay the drop in rate of \$3/class. All participants must have a pass to enter. Please be courteous and respectful to other participants and our instructors by being early to class. Class participation is limited based on space & equipment. Thank you & enjoy the Group Exercise classes at the Baca Center!

**Back to the Basics:** is a 30 minute modified intensity circuit training class. Using primarily body weights while moving from one area to the next. Each area will focus on a different body part.

**Barre None Pilates:** Barre none Pilates. Balance, body weight strength and core.

**Cardio I:** An introductory cardio class for those that are looking to learn different types of cardio. This class is designed to be the jump start you need, with basic moves and cardio concepts for those needing low impact or just starting out.

**Circuit Hour:** is a one hour timed circuit training class using Dumbbells, weight bars and "tiny steps" to strengthen muscles and work the core. Members will engage in solo as well as partner movements to work the entire body.

**Flex & Stretch:** Involves movement based flexibility, core exercises and developmental stretching.

**Low Impact Aerobics:** 30 minutes of easy to follow low impact cardio steps, followed by 15 minutes of core and strength.

**Strength Training:** This is a low impact class with an emphasis on improving posture, balance, range of motion, flexibility, and muscle strength.

**Stretch & Balance:** Is designed to help improve and maintain muscular endurance, flexibility, and balance while emphasizing good postural alignment and relaxation.

**Weight Room Orientation:** Take a tour of the BACA Center Weight Room and fully understand exercise progression as well as how to use the exercise machines properly.

**Zumba:** Music is the key ingredient to Zumba classes. The score, created with specific beats and tempo changes, transitions the workout from one toning, strengthening or cardio move to another, and targets every major muscle group in the body.
