***\$ Designates classes that require a \$5 drop-in fee ***Please see CMRC Front Desk for information on the current Group Exercise Schedule

We believe that Recreational Fitness is anything that involves physical activity and results in an increase in the participant's overall health and happiness. *Rock Active* isn't solely connected to the gym or the group exercise room, it can be as simple as walking on one of our great trails or playing with your kids at one of our parks. The *Rock Active* team is here to provide you with the courage and self-confidence to go out and enjoy your family, friends, and your community. We want to empower you to invite others to join our active community!

CIRCUIT STRENGTH: Build muscle and strength while burning fat with these specially designed circuits. Each class will focus on 10-12 exercises targeting the whole body. You will be challenged in a fun and motivating environment.

CARDIO CIRCUIT: A fun, high energy workout that combines the elements of HIIT, Synergetic, Isometric, and Plyometric training!!! Come sweat and start the weekend off right!

FITNESS FREESTYLE: a high intensity interval workout randomly chosen!!! Are you ready to freestyle??

INTERVAL TRAINING: Let's blast away the fat and build strong muscles in this class that will incorporate cardio and weight training all in one interval style workout.

KETTLEBELL: Learn how to swing, clean, press, and use the Kettlebell properly. Kettlebell cardio routines, supersets and interval workout blends will keep your heart rate up and tone your body without increasing mass!

KICKBOXING: Punch and kick your way to fitness, burning calories and toning muscles. This high energy, martial arts inspired workout is non-contact and no complex moves to learn.

PILOXING: Piloxing is a non-stop, cardio fusion of standing Pilates, boxing and dance. This class will help you burn maximum calories, build lean muscles, and increase stamina.

P.O.P PILATES: is an incredible fusion of ab-chiseling and developing a rock solid core of total body.

POWER: Get lean, build strength and tone muscles to great music and easy moves. Using lighter weights and high reps, this workout will hit all the major muscle groups.

SPYNERGY: *Specialty Class* This cycling workout will get your heart rate going and your legs burning. The extreme part of this workout incorporates cycling, weight training and core work!

STRENGTH MAX OUT: resistance training that will have your muscles maxing out!!! Get ready!!!

ZUMBA: A fusion of Latin dance rhythms featuring interval training using fast and slow sessions!

ZUMBA TONING: Take Zumba to the next level by combining a typical Latin-infused, high energy Zumba class and body-sculpting exercises. Students will learn to use lightweight, maraca-like Zumba Sticks!

W.O.W.: *Specialty Class* (Women on Weights) Focus on building a strong foundation through weight lifting. Push your muscles to the limit and reap the benefits of strength training!
