DIRECTIONS TO Environmental Lab

Take IH 35 to Round Rock

From Round Rock:

Head N on IH 35 and take Exit 257 - Westinghouse Rd
Turn left at stop sign and come across IH 35
Go straight after next stop sign

From Georgetown:

Head S on IH 35
Exit on Westinghouse Road (Exit 257)
Turn right at stop sign

Enter Texas Crushed Stone and turn left after crossing the train track
Continue South to the City signs and flag poles
Stop at access gate and follow instructions to gain access
Once gate opens - follow signs to the Environmental Lab
This will be a one story white rock building with a green tin roof
