This agreement ("Development Plan") made the 24th day of September 1992, between the City of Round Rock, Texas, having its offices at 221 East Main Street, Round Rock, Texas (hereinafter called the "City"), and Oaklands Estates Joint Venture, a Texas joint venture, having its offices at 102 Westlake Drive, Suite 100, Austin, Texas, 78746 (Hereinafter called the "Developer").

WHEREAS Developer has requested a Planned Unit Development from the City for the eighteen (18) single family residential lots on a tract of land located within the incorporated limits of the City of Round Rock and more fully described as follows:

A 14.215 acre tract of land being more particularly described by metes and bounds in Exhibit "A" attached hereto and made a part of hereof (hereinafter referred to as the "Property").

AND WHEREAS the Developer, in accordance with Chapter 11, Section 11.316, Code of Ordinances 1990 Edition, City of Round Rock, Texas is required to submit a Development Plan to the City containing certain terms and conditions for the use and development of the Property;

AND WHEREAS the City Council has reviewed the proposed Development and determined that it promotes the health, safety, and general welfare of the citizens of Round Rock and that it complies with the intent of the Planned Unit Development ordinance of the City;

NOW THEREFORE BY THIS AGREEMENT WITNESSETH that in

consideration of the premises and the conditions and covenants hereinafter set forth, the City and the Developer covenant and agree as follows:

1. LIENHOLDER CONSENT: That Developer is the sole holder of fee simple title to the Property and that he has obtained the written consent to the re-zoning of the Property from TF Two family residential to a Planned Unit Development for all lien holders, legal or equitable, of the Property. Said written consent is attached as Exhibit "B", and hereby made a part of this Development Plan.

2. DEVELOPMENT AND USES: The Property shall be developed for the following purposes only: a development consisting of eighteen (18) single family lots, with a 20,000 square foot minimum parcel size, as generally shown on the concept plan attached hereto as Exhibit "C". The concept plan is hereby incorporated into and made a part of this Development Plan and shall also be considered as having satisfied the subdivision plat concept plan requirement.

3. GENERAL COMPLIANCE: The Developer shall comply with all the requirements and restrictions depicted in this Development Plan, and in Exhibit "C". Unless specifically waived by this Development Plan or the Planned Unit Development Ordinance of the City of Round Rock, the Developer shall also comply with all other applicable ordinances of the City of Round Rock.

4. CHANGES TO THE DEVELOPMENT PLAN: After this Development Plan has been accepted and approved by the City Council, any substantial alterations shall be re-submitted for consideration to the City Council following the same procedure required in the original adoption of this Development Plan. Any minor alterations to the Development Plan which do not substantially change the concept

of the Planned Unit Development may be approved by the Director of Planning.

5. LAND USE AND BUILDING TYPES: No building shall be erected, altered or permitted on any lot for a use other than a single family residence. Clearly secondary, ancillary buildings and structures such as garages and swimming pools are also permitted.

6. PARKING: Parking shall be permitted on one side of the internal streets only within the development. Each residence shall provide a minimum of six paved off-street parking spaces, the design and configuration of such spaces shall be approved by the Director of Planning prior to the issuance of a building permit.

7. LANDSCAPING: The Developer agrees to be responsible for the installation of landscape improvements and sprinkler systems in the areas designated as greenbelt lots on Exhibit "C". These areas will include a greenbelt/pedestrian pathway, and two entrance lots. The entrance lots will be landscaped and will contain signage for the P.U.D. at the entry to the property. These areas will also be irrigated for landscaping and lighted. All landscaping and irrigation installed by the Developer shall be substantially complete before subdivision improvements are accepted by the City.

8. TEMPORARY STRUCTURES OR EMPLACEMENTS: No structure or emplacement of a temporary character, mobile home, trailer, derelict, junk or racing motor vehicle, or any motor vehicles without a current license tag, or any tent, shack, barn or other outbuilding shall be erected, placed, driven onto, altered or permitted to remain on any lot at any time, either temporarily or permanently. No unenclosed outdoor storage shall be permitted. This provision shall not apply to

vehicles, equipment or temporary structures utilized by Developer, or his successors or assigns, or contractors or subcontractors when engaged in construction or repair work, or such work as may reasonably be necessary for the completion of the subdivision and the disposition of lots by sale, lease or otherwise.

9. ELECTRICAL EQUIPMENT AND UTILITIES: All on-site electrical distribution, telephone or television cable, shall be underground. All exterior antennas shall be prohibited.

10. MAINTENANCE OF GREENBELT LOTS: The Developer shall be responsible for the maintenance of improvements and landscaping on all greenbelt lots shown on Exhibit "C". This responsibility may be assigned to a legally responsible Homeowners Association, with the consent of the City.

11. MINIMUM SETBACKS: Front yard setbacks for the property shall be 25' for the interior lots bordering the greenbelt and 30' for lots bordering the perimeter of the property. All lots shall have 15' sidelot setbacks and 25' rear yard setbacks. (See Exhibit "D")

12. TEXAS WATER COMMISSION: According to State of Texas requirements, construction plans shall be required to be submitted and reviewed by the Texas Water Commission ("TWC"). Utility designs and water quality ponds

14. ON SITE DETENTION: The Oaklands Section 4 has been included in a regional detention system. The detention requirements have been calculated using the previously approved preliminary plat with 104 residential lots and 1550 linear feet of streets. The current proposal of 18 single family lots will have a lower runoff coefficient and impervious cover than the previous approval. As a result there is no requirement for on site detention.

15. ACCESS TO OAKWOOD BOULEVARD: Access to Oakwood Boulevard from any Single Family lot shall be prohibited.

16. ENTRY SIGN: One entry sign is hereby authorized to be located either (1) entirely within the greenbelt situated at the northwest corner of Oakwood Boulevard and the entrance road, or (2) within the median in the entrance road are hereby authorized to be permitted (see Exhibit "G"). - E. Oakwood Blvd. shall be constructed to full city standards by the Developer as part of the Subdivision improvements. However, the sidewalk construction shall be limited to the portion shown on Exhibit "F".

18. LICENSE AGREEMENT: The City hereby grants a license agreement to the Developer to locate postal boxes in the portion of the public right of way shown in Exhibit "G". The exact position and design of the postal boxes shall be submitted with the final plat for approval by the Director of Planning and Postmaster prior to the recording of the plat.

19. REPRESENTATION: It is understood and agreed that the City has made no representations, covenants, warranties, guarantees, promises or agreements (verbal or otherwise) with the Developer other than those in this contract.

20. RECORDATION: This agreement shall be construed as running with the land and shall be recorded in the official deed records of Williamson County.

21. INTERPRETATION: Whenever the singular or masculine is used herein, the same shall be construed as meaning the plural, feminine or body corporate or politic where the context or the parties so require.

22. AMENDMENT: The terms of this agreement may be altered only in accordance with Section 4 of this Plan.

23. INCORPORATION: Exhibits A, B, C, D, E, F and G referred to are hereby incorporated into and made a part of this agreement.
