(THE OAKLANDS SECTION TWO PUD)

ROAD, FENCE AND LANDSCAPING COVENANTS

STATE OF TEXAS

COUNTY OF WILLIAMSON

That Regency-Yeager Joint Venture, a Texas joint venture (the "Owner"), acting herein by and through Pat Casey, its Managing Venturer, the owner of the fee simple to Replat of Lots 64-90, Block H, of the Amended Plat of the Oaklands Section Two Revised (the "PUD"), has adopted an overall plan for the orderly development of the PUD and to implement such plan hereby adopts the following protective covenants which shall constitute covenants running with the land and shall be binding upon any purchaser, grantee, owner or lessee of any lot in the PUD and shall inure to the benefit of and be enforceable by the owner and the owner's successors or assigns and by the City of Round Rock, Texas. The covenants are as follows:

1. A PUD No. 8 Maintenance committee (the "Maintenance Committee") is hereby established and initial members of the Maintenance committee are the members of the Oaklands Owners Association appointed pursuant to the provisions of the amended and restated Declaration of Covenants, conditions and Restrictions for the Oaklands as recorded in Vol. 2381, Pages 768-777. Any changes in the membership of the Maintenance Committee shall be set forth in a recordable form document and shall be filed of record in the Official Records of Williamson County, Texas, within ten (10) days from the date of said change or changes. A successor to a member of the Maintenance Committee shall have all of the duties and possess all of the powers of the members he replaces. A majority of the Maintenance Committee may designate a representative to act for it and to perform any function which the Maintenance Committee as a whole could perform, provided that the appointment or removal by the Maintenance Committee of such a representative shall be by instrument in writing which shall be filed for record in the Official Records of Williamson County, Texas. Neither the members of the Maintenance Committee nor its designated representatives shall ever be entitled to any compensation performed pursuant to these covenants. In addition to other parties for whose benefit these covenants shall run, the Maintenance Committee shall further have the authority to enforce any and all of the covenants set forth in these protective covenants against any person or person violating or attempting to violate the same, and in furtherance of the foregoing, and not by way of limitation, the Maintenance Committee may enter proceedings at law or in equity to restrain violation of these protective covenants, to recover damages for the breach or

violation thereof, to collect any annual maintenance charge imposed herein, and to foreclose any lien herein imposed.

2. The Maintenance Committee is empowered to employ and pay the persons or entities necessary to maintain the private drive in the PUD, maintain all fencing that fronts on all public or private rights-of-way in the PUD and for maintaining the landscaping on the real property in the PUD which lies between the curb on Oakwood Boulevard and the west line of the PUD.

The Maintenance Committee is empowered and obligated to enforce the following parking and direction requirements regarding said private drive, to-wit:

- a. Parallel parking shall be expressly allowed on the westerly 8 feet of said private drive;
- b. A fire lane is hereby established on the entire easterly 12 feet of said private drive and parking is expressly prohibited in that area;
- c. The private drive shall be designated to be a one-way thoroughfare, southbound;
- d. The Maintenance Committee shall, at its expense, maintain sufficient signage which clearly defines the non-parking areas and the one-way requirement. The signs shall indicate that violators of the "No Parking Zone" shall be subject to having the violator's vehicle towed at the vehicle owner's expense;
- e. The Maintenance Committee shall, upon receiving notice of violation of the no parking requirements set forth above, secure the services of a wrecker to remove the violating vehicle at the vehicle owner's expense.

3. An annual maintenance charge in the initial sum of \$100.00 is hereby assessed against each lot in the subdivision, which maintenance charge shall be applied toward the payment of expenses incurred by the Maintenance Committee for maintaining the private drive in the PUD, maintaining all fencing that fronts on all public or private rights-of-way in the PUD and for maintaining the landscaping on the real property in the PUD which lies between the curb on Oakwood Boulevard and the west line of the PUD.

The \$100.00 initial maintenance charge shall remain in effect for two years from date hereof, and thereafter, may be increased by the Committee only to the extent that the expenses incurred for such maintenance exceeds \$100.00 for each lot in the subdivision. Such maintenance charges shall continue for so long as these protective covenants shall be effective, and shall be secured by a Vendor's Lien upon each lot in the PUD, with the first such payment to be due and payable on the 1st day of June of each year in advance, with the first such payment to be due and payable on the 1st day of June, 1994.

4. The owners of the lots in the PUD agree to, as evidenced by their purchase of a lot in the PUD which is subject to these covenants, indemnify and hold harmless the Maintenance Committee for any damage or costs sustained by the Maintenance Committee in the good faith performance of their duties as set forth herein. Any such damage or costs so sustained by the Maintenance Committee shall become a part of the expenses incurred by the Maintenance Committee in ascertaining the amount of any increased maintenance charges as set forth in Paragraph 4 above and the Maintenance Committee may increase and assess the maintenance charges to reflect said damages or costs at any time after the date of these covenants.

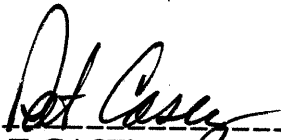

5. Each condition and covenant in these protective covenants shall be covenants running with the land and shall be binding upon all parties and all persons claiming under them until January 1, 2013. After said date, said covenants shall automatically be extended for successive periods of five (5) years each, unless and until an instrument in writing terminating these covenants is signed and acknowledged by 75% of the owners of the lots in the Oaklands Owners Association and by the City of Round Rock, Texas, and is filed of record in the Official Records of Williamson County, Texas.

6. These protective covenants may be amended only by a 75% majority of the owners of the lots in the Oaklands Owners Association coupled with the express written consent of the City of Round Rock, Texas. Any such amendment shall be made in writing and shall be signed and acknowledged by the owners comprising the 75% majority and by the City of Round Rock, Texas, and shall be filed of record in the Official Records of Williamson County, Texas, and shall become effective upon such filing.

7. Invalidation of any one or more of the foregoing covenants, conditions or charges shall not affect the validity of any other covenants, conditions or charges set forth herein, which shall remain in full force and effect for all purposes.
