SEEDING

An estimated finish time for your swim distance is required for seeding purposes. It's VERY important to put down an accurate time on your entry form, as padding your time makes others have to swim around - or over - you. Participants that pre-register, but fail to provide an estimated finish swim time, and late registrations will be seeded at the end of their age group. See age groups below.

<u>Age Group</u>	<u>Swim</u>	<u>Run</u>
15+ years	200 Yards	5K
11-14 years	200 Yards	2K
9-10 years	100 Yards	1K
7-8 years	50 Yards	1K

EVENT DAY PROGRESSION DETAILS- 6:00am

Participants will check-in or register for the event beginning at 6:00am on event day. Once checked-in, participants will receive their packet, time chip, race numbers, and race bib and be directed to the outside transition zone to set up their area. All participants must go through check-in or late registration prior to entering the transition zone. Beginning at 7:00am, the 15+ year age group will begin staging for a 7:30am launch. Staging for subsequent age groups will begin immediately after the last participant in the previous group exits the staging area.

TRANSITION/SPECTATOR ZONE RULES

We ask all spectators to respect the event team and volunteers that are conducting this event, and most importantly the participants competing. There will be designated zones for spectators and we ask everyone to please honor those markings. The transition zone will be accompanied by volunteers that will assist any athlete as needed. Parents and spectators are prohibited from the transition zone.
