Preliminary Plat

Application Process

(1) May be waived by PDS Director

(2) May have been addressed at Concept Plan stage

Preliminary Subdivision Plat

This section of the Development Packet consists of information and required forms for Subdivision Preliminary Plats.

The purpose of a Preliminary Plat is to present a detailed layout of the proposed subdivision in order to facilitate review by the Planning and Zoning Commission of the proposal's street and drainage systems, easements, utilities, building lots, and other lots, including parkland.

The Applicant shall submit a Preliminary Plat application to PDS for approval by the Planning and Zoning Commission. The Preliminary Plat shall conform with the approved Concept Plan. If the Concept Plat was approved with conditions, all conditions shall be satisfied prior to the submittal of a Preliminary Plat application.

If the Preliminary Plat does not conform to the approved Concept Plan, a new or revised Concept Plan shall be submitted in conjunction with the Preliminary Plat. Dependent on the changes proposed with the Concept Plan, public notice and a public hearing may be required.

If an approved Planned Unit Development (PUD) is to serve as the Concept Plan for a proposal, the PUD must clearly state this is the case. If the Preliminary Plat does not conform to the approved PUD, a new or revised PUD shall be submitted in conjunction with the Preliminary Plat. Dependent on the changes proposed, public notice and a public hearing may be required for the PUD amendment.

If the proposed subdivision is outside City Limits and annexation is not proposed, please review the Platting in the ETJ Chapter for additional County requirements.

Preliminary Plat Review Process

An application is submitted on the Official Filing Date and reviewed for completeness (see attached Preliminary Plat Application Requirements). If the application is determined to be complete, it is distributed for technical and content review (see attached Preliminary Plat Content). Comments generated during that review are forwarded to the Applicant within 10 calendar days.

The Applicant typically has one week to respond to comments. After the applicant has completed the requested modifications or otherwise addressed review comments, an updated plat, specified number of paper copies, and supporting materials shall be submitted to PDS for distribution and review. If all review comments have been satisfied, staff shall recommend that the Planning and Zoning Commission approve the application. Preliminary plats do not require subsequent City Council approval.

After approval by the Planning and Zoning Commission, PDS staff will notify the Applicant of the Commission's decision. If an application was conditionally approved, the Applicant shall either correct the original mylar submitted with the response to comments, or shall submit a reproducible corrected mylar and a specified number of paper copies to PDS, if applicable.

Any conditions of application approval and/or corrections to the Preliminary Plat must be satisfied prior to submittal of an associated Final Plat, or within 45 days of approval by the Planning and Zoning Commission, whichever occurs first.

Approved Preliminary Plats shall expire after three years unless a Final Plat for a portion of the Preliminary Plat has been approved and recorded, in which case the Preliminary Plat is extended three additional years from the date each additional final plat is recorded. If a Preliminary Plat expires, the associated Concept Plan shall also be deemed expired. Major revisions to a Preliminary Plat (see subsection 36-40(f)) require approval by the Planning and Zoning Commission and shall extend the Preliminary Plat for three (3) years from the date of Commission approval. A minor revision to a Preliminary Plat, that is administratively approved, does not extend the expiration date beyond the three (3) years from the original date of approval by the Planning and Zoning Commission, extensions for recorded Final Plats notwithstanding.

Deadlines and Meeting Dates

Applications for Preliminary Plats (whether original or revised) are reviewed on a schedule adopted by the Planning and Zoning Commission that reflects state statutory requirements. This schedule includes specific dates for application submittals to City staff and subsequent review by the Planning and Zoning Commission.

Review cycles usually begin on the 1st. and 3rd. Tuesday of each month. A Planning and Zoning Commission Submittal and Meeting Schedule is included in this chapter and is available online at

<https://roundrock.legistar.com/Calendar.aspx>

Before submitting an application, the Applicant shall verify the deadline for filing an application with Planning and Development Services (PDS) and the date of the Planning and Zoning Commission meeting.

Subdivision Ordinance, Design & Construction Standards, & Other Requirements

This section of the Development Packet is intended to assist the Applicant in preparing a formal application. It does not replace the requirements found in Chapter 36, Subdivisions, Code of Ordinances, City of Round Rock, Texas, 2010 Edition, as amended, the Parkland Conveyance or Tree Protection Requirements, or the Design and Construction Standards adopted by the City Council. Please review applicable chapters of the Code of Ordinances and adopted Standards prior to application submittal.

The City of Round Rock Code of Ordinances is at:

https://www.municode.com/library/tx/round_rock/codes/code_of_ordinances?nodeId=14610

The Design and Construction Standards (DACS) are available online at:

<http://www.roundrocktexas.gov/departments/transportation/design-construction-standards/>

Requirements for a Traffic Impact Analysis, Parkland Conveyance, and Tree Protection & Mitigation shall have been addressed at the Concept Plan stage. For additional information, contact Gerald Pohlmeier (512-218-5589), Katie Baker (512-341-3355), or David Bost (512-341-3175), respectively.

Pre-Development Conference

Prior to submitting a Concept Plan application, the Applicant must schedule a pre-development conference with PDS to discuss the proposed development. A checklist for the pre-development conference is included in this section and is available online at:

<http://www.roundrocktexas.gov/main/wp-content/uploads/2015/01/Presubmittal-Meeting-Request-Form.pdf>

Please contact PDS (512) 218-7043 to schedule a pre-development conference for platting. Please forward items noted on the checklist to PDS five days in advance of the scheduled conference to allow time for staff review and any associated research.

During or after the Pre-development Conference and before submitting an application, the Applicant must verify the deadline for filing an application with Planning and Development Services (PDS) and the date of the Planning and Zoning Commission meeting.

Pre-Development Conference Checklist

The Applicant must attend a Predevelopment Conference prior to the filing of an application for review of a Preliminary Plat.

The Applicant must provide five copies of a subdivision sketch or plan to PDS staff five business days before the intended meeting date to allow time for staff review. Specifics of the sketch include:

1. Subdivision Sketch (Schematic);
 - 5 drawn at a scale of 1" = 100' if less than 100 ac. or 1" = 200' if greater than 100 acres; and
 - 1 schematic reduced to 11" x 17"
2. Alternately, a pdf format file of the schematics may be sent via email to PDS staff.
3. The following items must be shown on the plans:
 - Title of the Project at the top of the page;
 - Owner's name, address, phone number, & fax number;
 - Agent's name, address, phone number & fax number;
 - North arrow;
 - Topographical information;
 - 1% annual chance FEMA floodplain (if applicable) and any significant water features;
 - Streets;
 - Number and size of lots; and
 - Neighboring development or acreage

Presubmittal Meeting Request Form
