## Learn about the

## Summer Reading Challenge

[www.roundrocktexas.gov/summerreading](http://www.roundrocktexas.gov/summerreading)

### Why read?

Summertime reading is the best way to keep reading skills strong while school is out.

Your library has great materials to share, and friendly staff to help you discover and use it.

### Make your reading count

Do you like to earn incentives? Then join the Summer Reading Challenge! Use our online program to track your reading from **June 7 to August 7**. Remember, listening to books counts, too!

Unlock online games and eBooks as you progress through goals. Visit the Summer Reading table in the Gallery to collect physical prizes by August 7.

### But I like paper reading logs

Feel free to pick up a paper log for at-home use. Help us keep Library lines short by updating your online record before you come in to claim prizes.

### Need help?

Teen volunteers in the Gallery can answer many questions and help you with online logs.

There's an FAQ (frequently asked questions) section on the summer reading website.

And friendly staff members are here to help you.

### Who can participate?

Everyone is welcome at RRPL. If you live in Texas, you can get a free library card, too.

In addition to this program for ages 0 - 12, your Library also has summer programs and reading challenges for teens and adults.
