GENERAL POLICIES AND GUIDELINES

- The playroom is focused on providing a babysitting service that is supervised, safe, fun, structured environment where children can learn, play and socialize.
- The Madsen Playroom is a babysitting service provided for CMRC members. Members who utilize the playroom must stay onsite.
- Members utilizing the playroom must purchase a playroom pass at the front desk and present it to the playroom attendant. Members must check in their child and complete the playroom sign in form. Members are required to pick up their child within the paid allotted time span. If a child is not picked up on time, the parent/guardian will be paged and issued a warning. Late fees or reduction of playroom privileges could be implemented.
- For the safety and enjoyment of our participants, positive behavior is encouraged at all times. If behavior issues occur, parents will be notified. For aggressive and ongoing behavior issues, attendance in the playroom may be discussed. For children become upset or are having a difficult time transitioning to the playroom, parents will be paged after 10-15 minutes of continuous crying.
- Children who are bathroom independent will be taken to the single restrooms near the racquetball courts. If additional assistance is needed, parents will be paged. For our younger kids, diapers will not be changed. If changing is needed, parents will be paged.
- Playroom attendants are not responsible for feeding young children. If feeding becomes necessary, parents will be paged.
