

Round Rock Public Library Summer Reading Challenge

for kids birth to age 11 | June 6 – Aug. 6, 2018

Instructions:

This program counts minutes or books—choose the one that makes sense for what you are reading.

Mark one music symbol every time you complete one book or 15 minutes of reading. Each symbol is worth 15 points. You'll earn a prize every time you complete 300 points, until you hit 2,400 points.

This form is only a handy tool. To claim prizes, you must update your online log at roundrocktexas.gov/summerreading.

Online tips:

You may log up to 400 minutes per day—it's not important to keep a daily record, just the total number of minutes or books. Be sure to record your completed missions, too.

Remember, you may go online with the Library's computers or free WiFi. The teen volunteers at the Summer Reading table are also happy to help.
