Art sculptures are on loan from regional artists are now installed on the Downtown, Prete and Centennial Plazas. These diverse pieces are on loan from the artists for at least one year.

The Sculpture Art Stroll includes pieces by sculptors John Christensen, Cindy Debold, Michael Epps, Jim LaPaso, Terry Jones, Isabella Puhala, Pokey Park, Dan Pogue, Dar Richardson, Marla Ripperda, Johnny Shipman, and Laura Sturtz

The Sculpture Art Stroll was a vision of the Round Rock Arts and part of the Arts Master Plan. The goals were to: Provide visual interest on the Round Rock downtown area; Increase the number and variety of outdoor public art installations by local and regional artists; Stimulate creative thought and reflective conversation among residents and visitors.

Each annual exhibit has a wonderful array of artwork that addresses these goals and helps create a more vibrant area in the center of our city.

This exhibit is made possible in part by the City of Round Rock, Texas Society of Sculpture, Round Rock Arts and the City of Round Rock Parks department for expert installation of the work.
