

Backflow Prevention Device Testers

Currently Registered with the City of Round Rock

This list is for your convenience only, the City does not recommend nor endorse any companies identified below and test prices vary. You may use a licensed BPAT (Backflow Prevention Assembly Tester) not on this list, but they must register with the City of Round Rock prior to testing.

All test reports must be submitted online, through BSI Online, by the licensed BPAT.

Testers: You must contact the City at 512-341-3177 and request to be on this list. You will not be automatically added.

Visit RoundRockTexas.gov/Backflow for more information.

Backflow prevention assembly testers listed above are for your convenience only. The City does NOT recommend nor endorse any contractors identified above. Backflow prevention assemblies on fire protection sprinkler systems are required by the State Fire Marshall to be tested by a full time employee of a Fire Protection Sprinkler Company that is registered with the State Fire Marshall's Office.
