Now then,
what is it

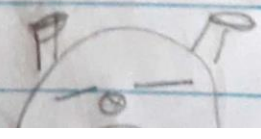

that Kathy
is working on
exactly?

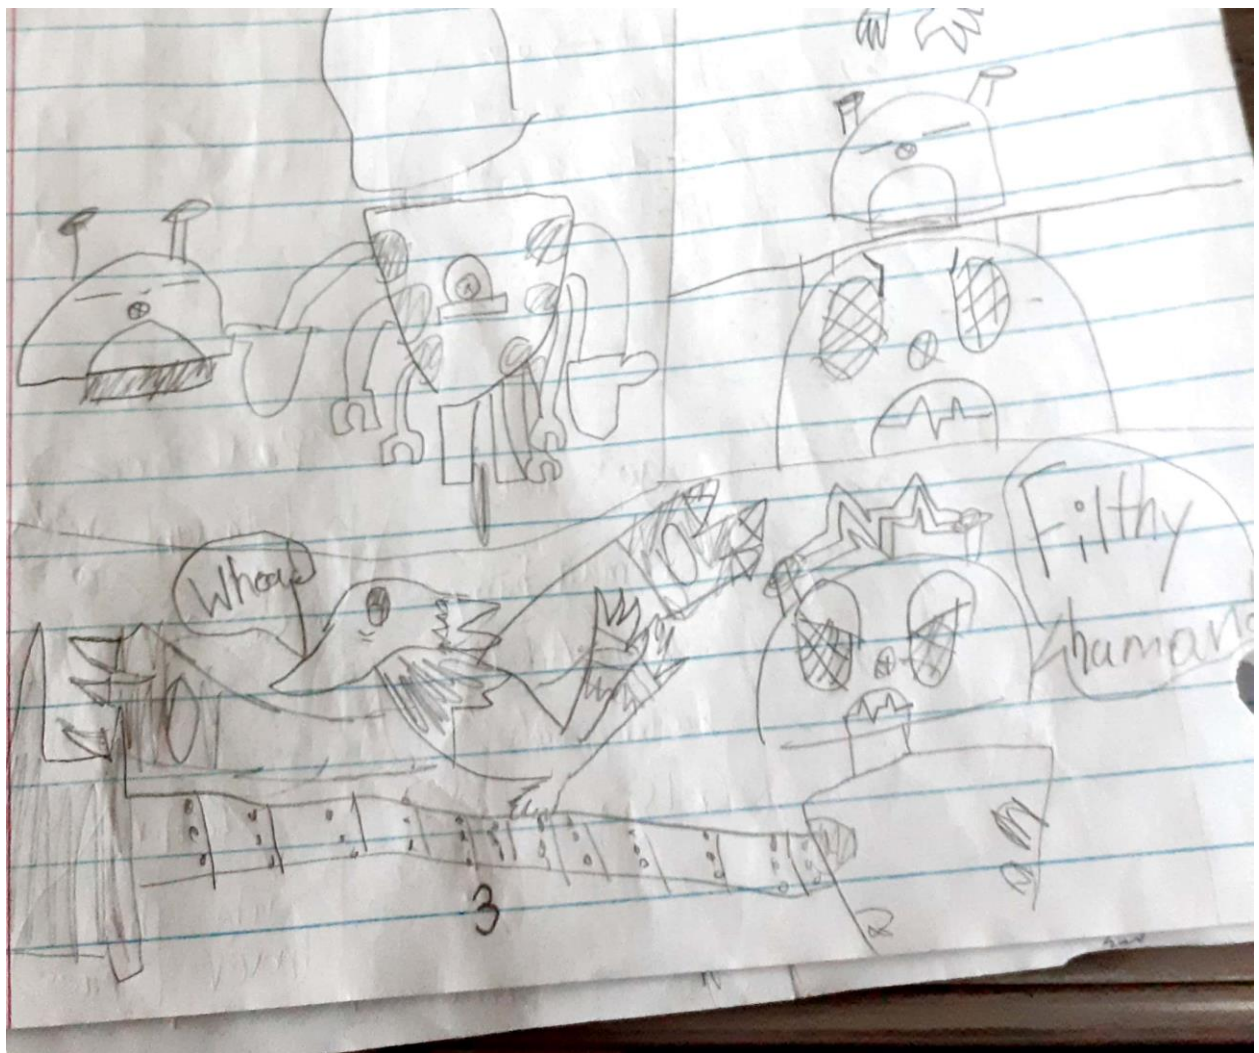

Now a real
Tin can Home
made!

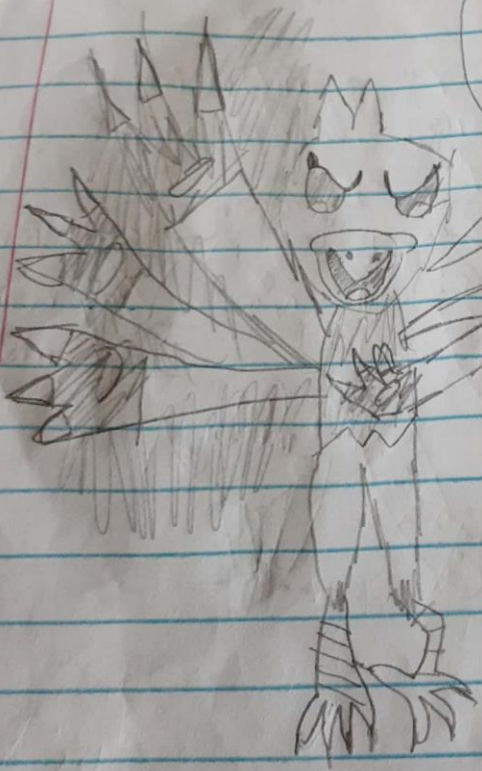

Now that's
a disaster, just
waiting
to happen

Refraction
arms and
all

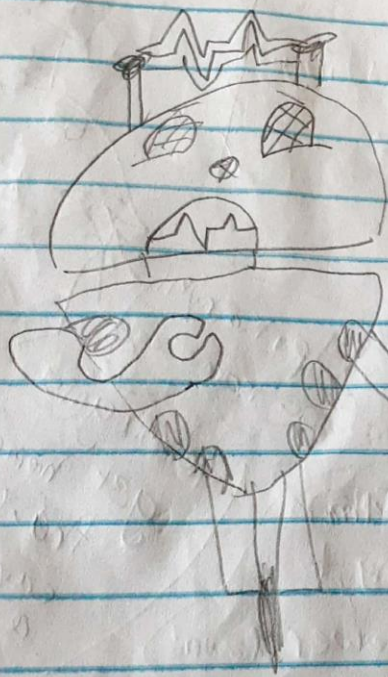

First of all, not human, buddy!!!
Second, NOT FILTHY!!!
Just bathed dude!

FYI I'm a mutant
Cannery experiment!
... Thank you very
much!

Names Kannery!

I am B.O.T.,
Sincerest apologies.
You see, you gave
me quite a fright.
I am newly created.

And I have minor
bug issues.

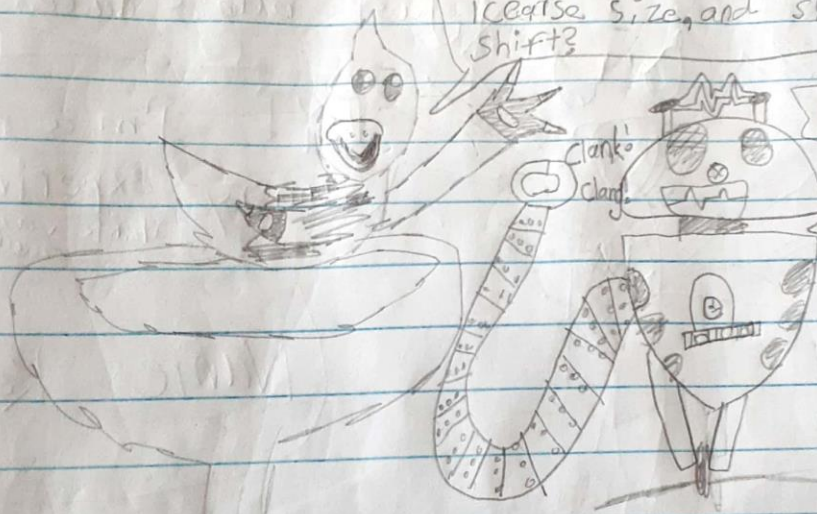

Minor??
4

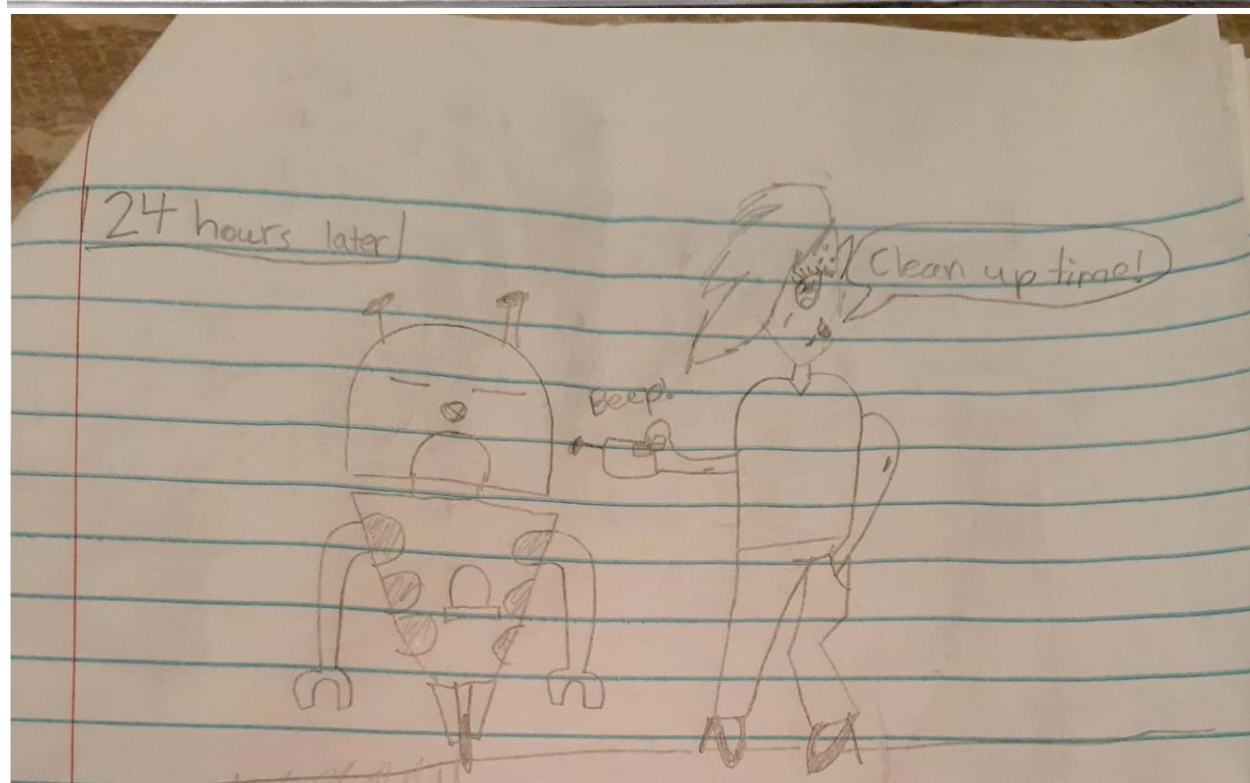

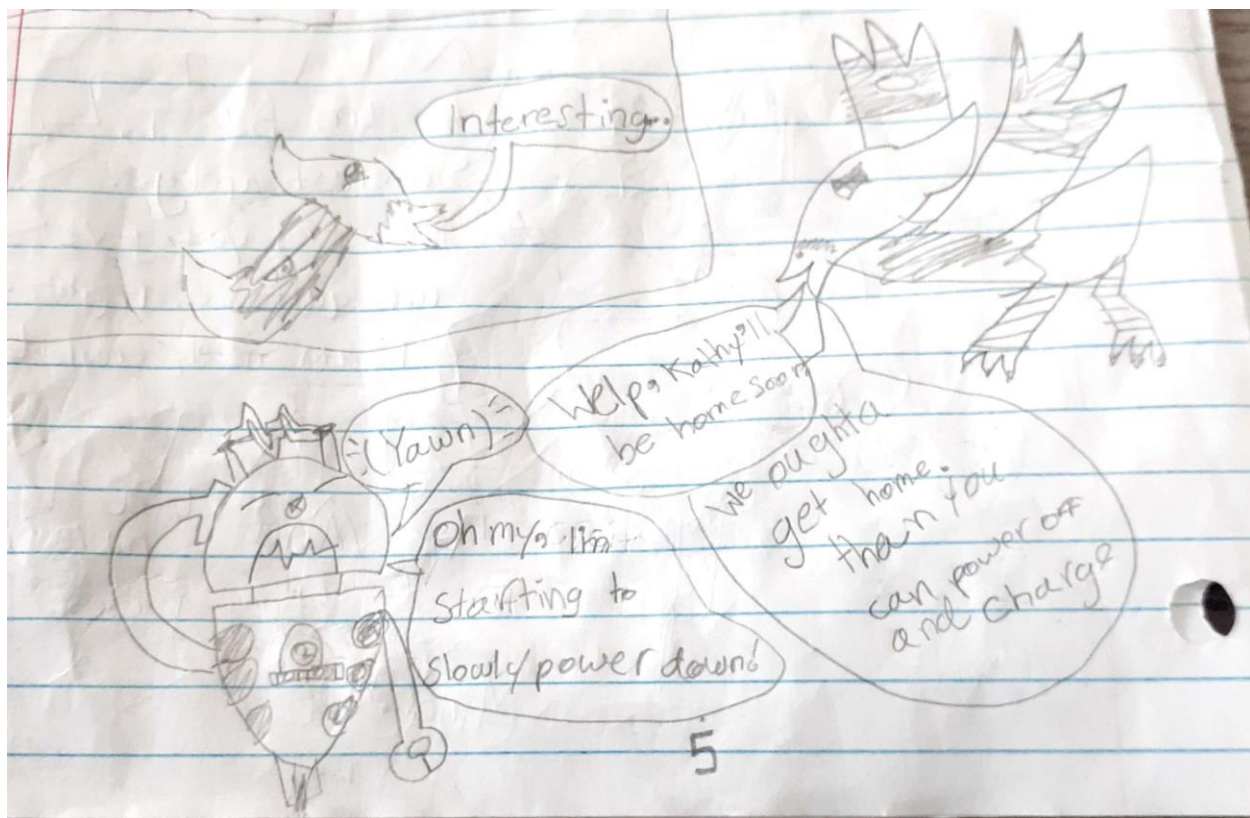

At the park

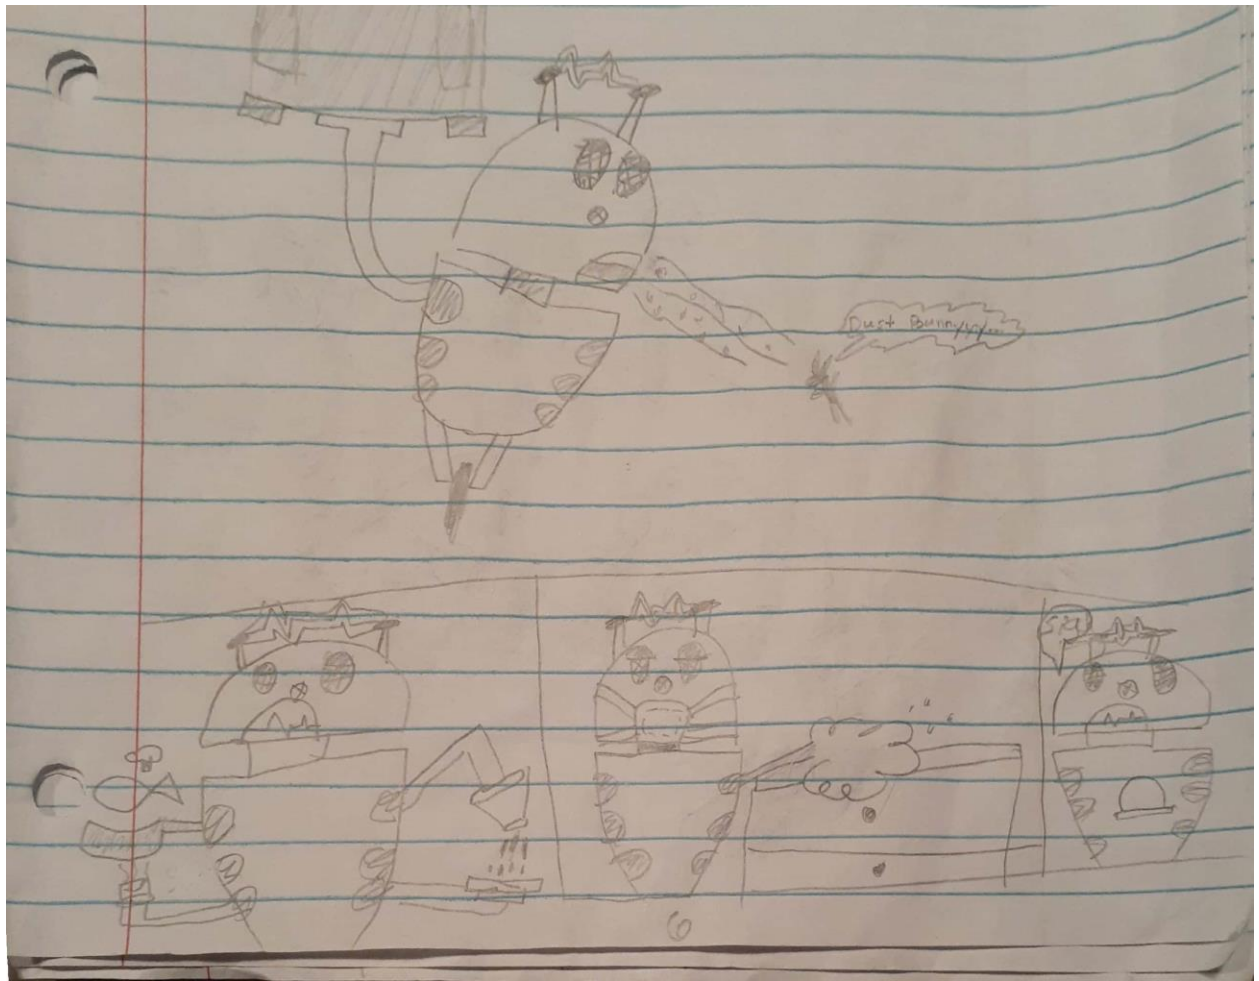

So, you can Minitarize
ice at size, and shape
shift?

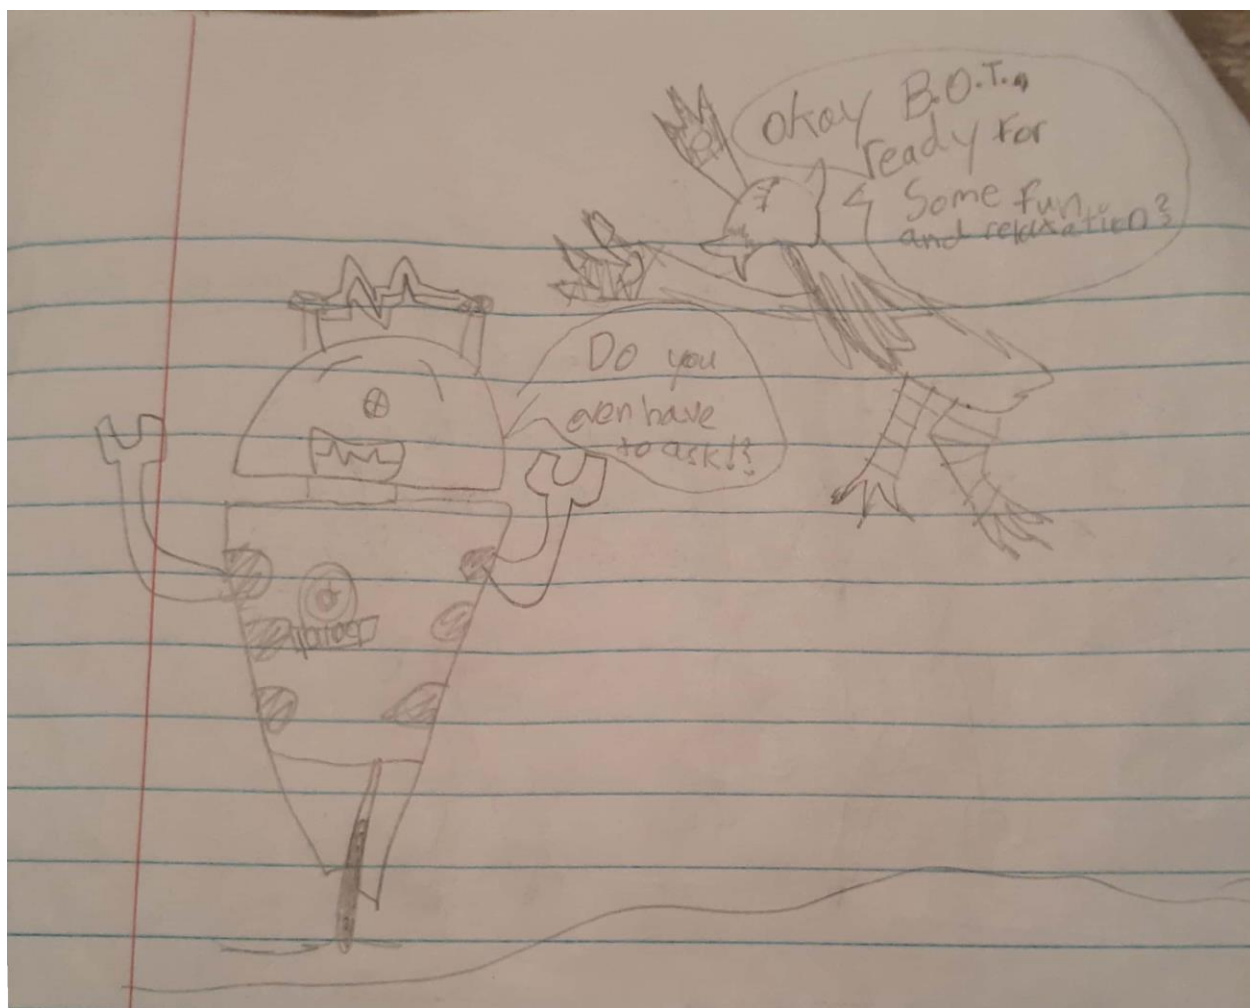

Don't forget
my retractable
arms!

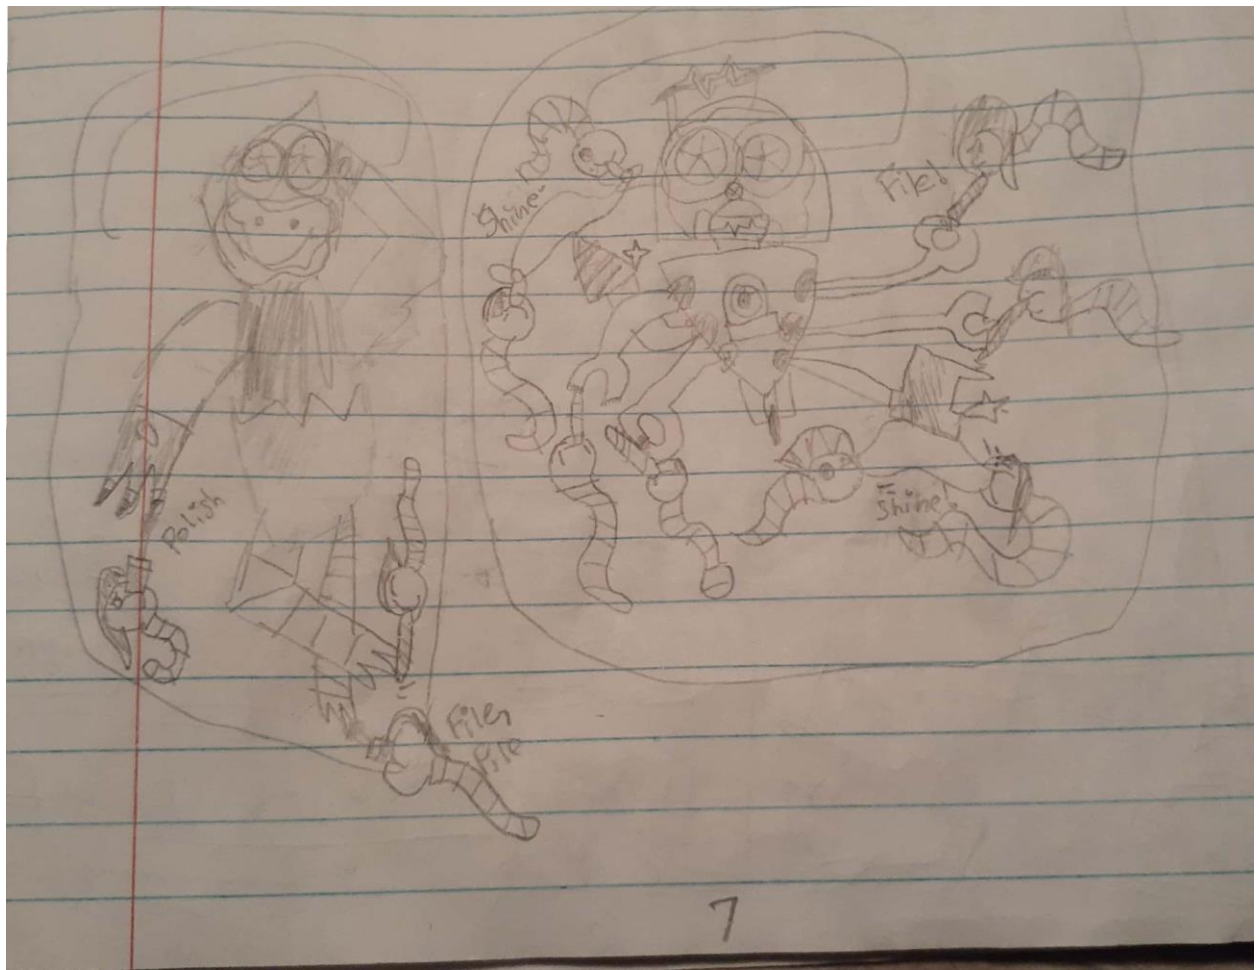

Clank
clank

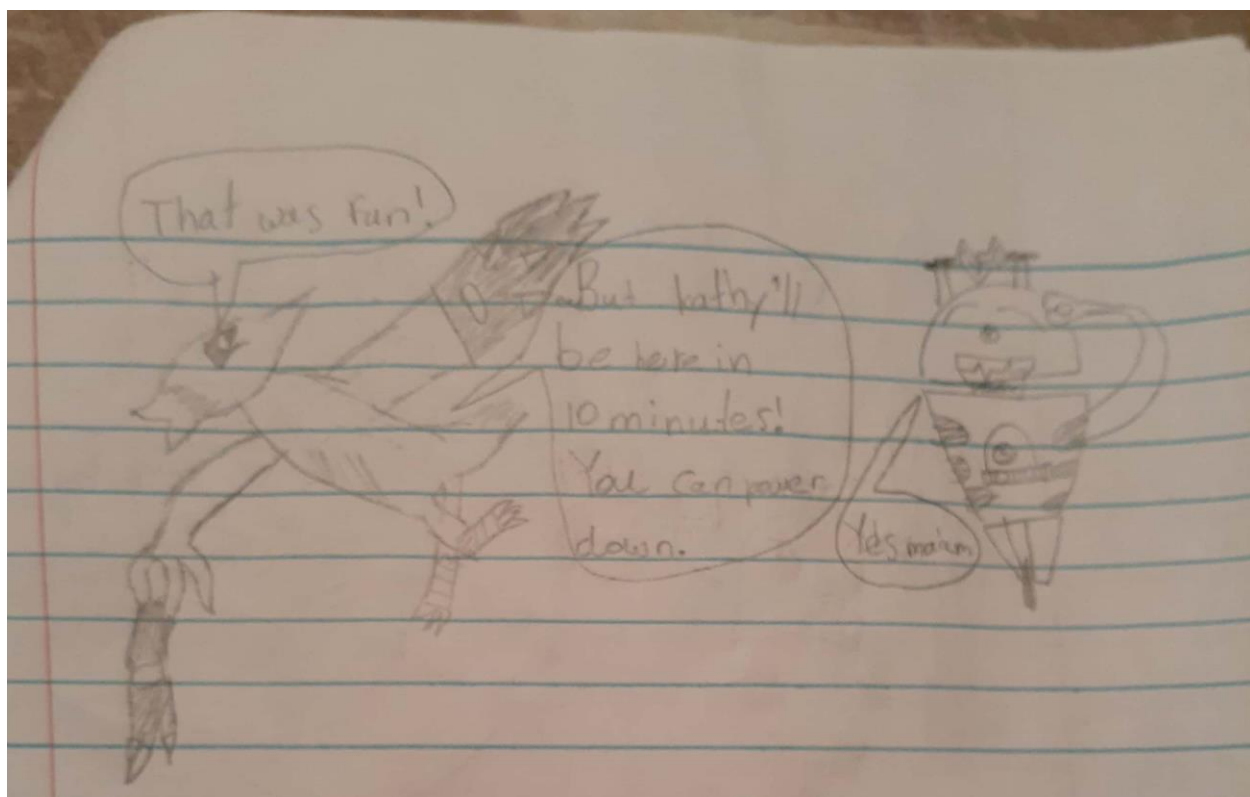

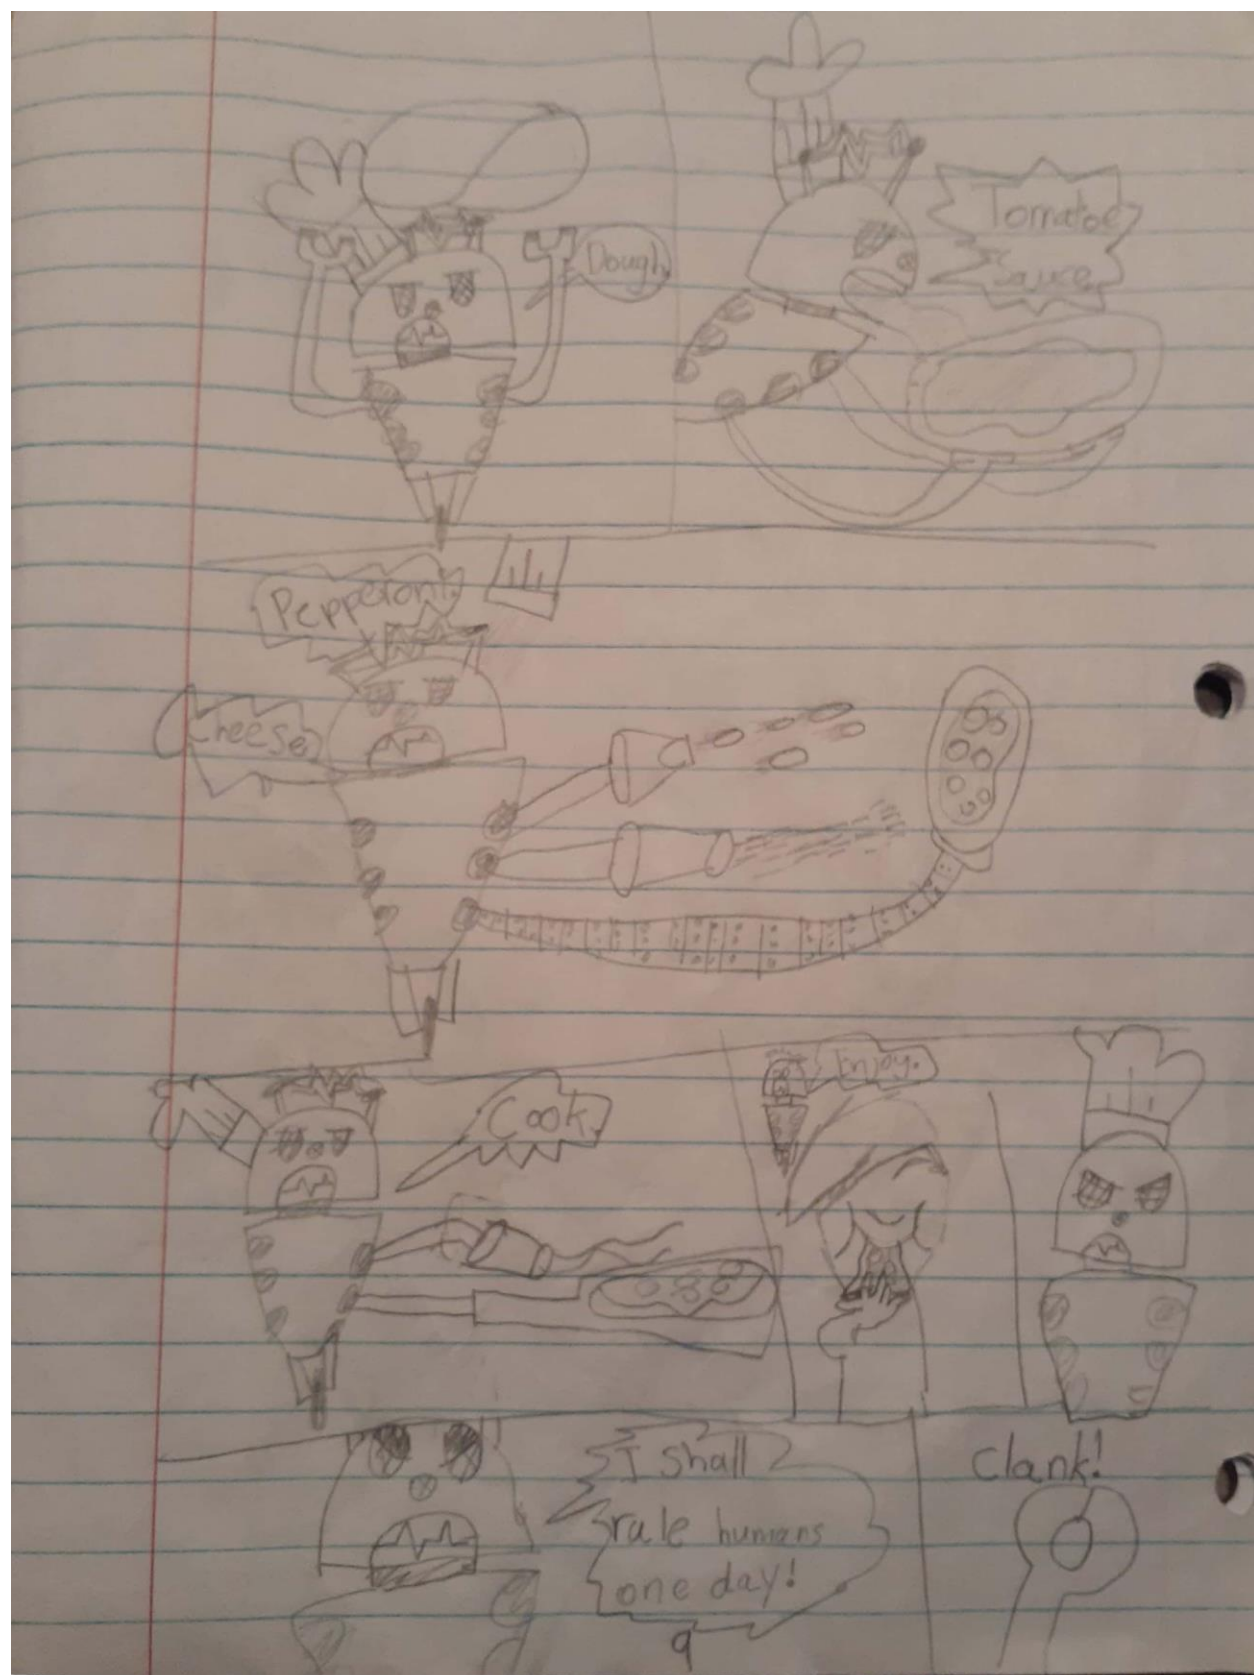

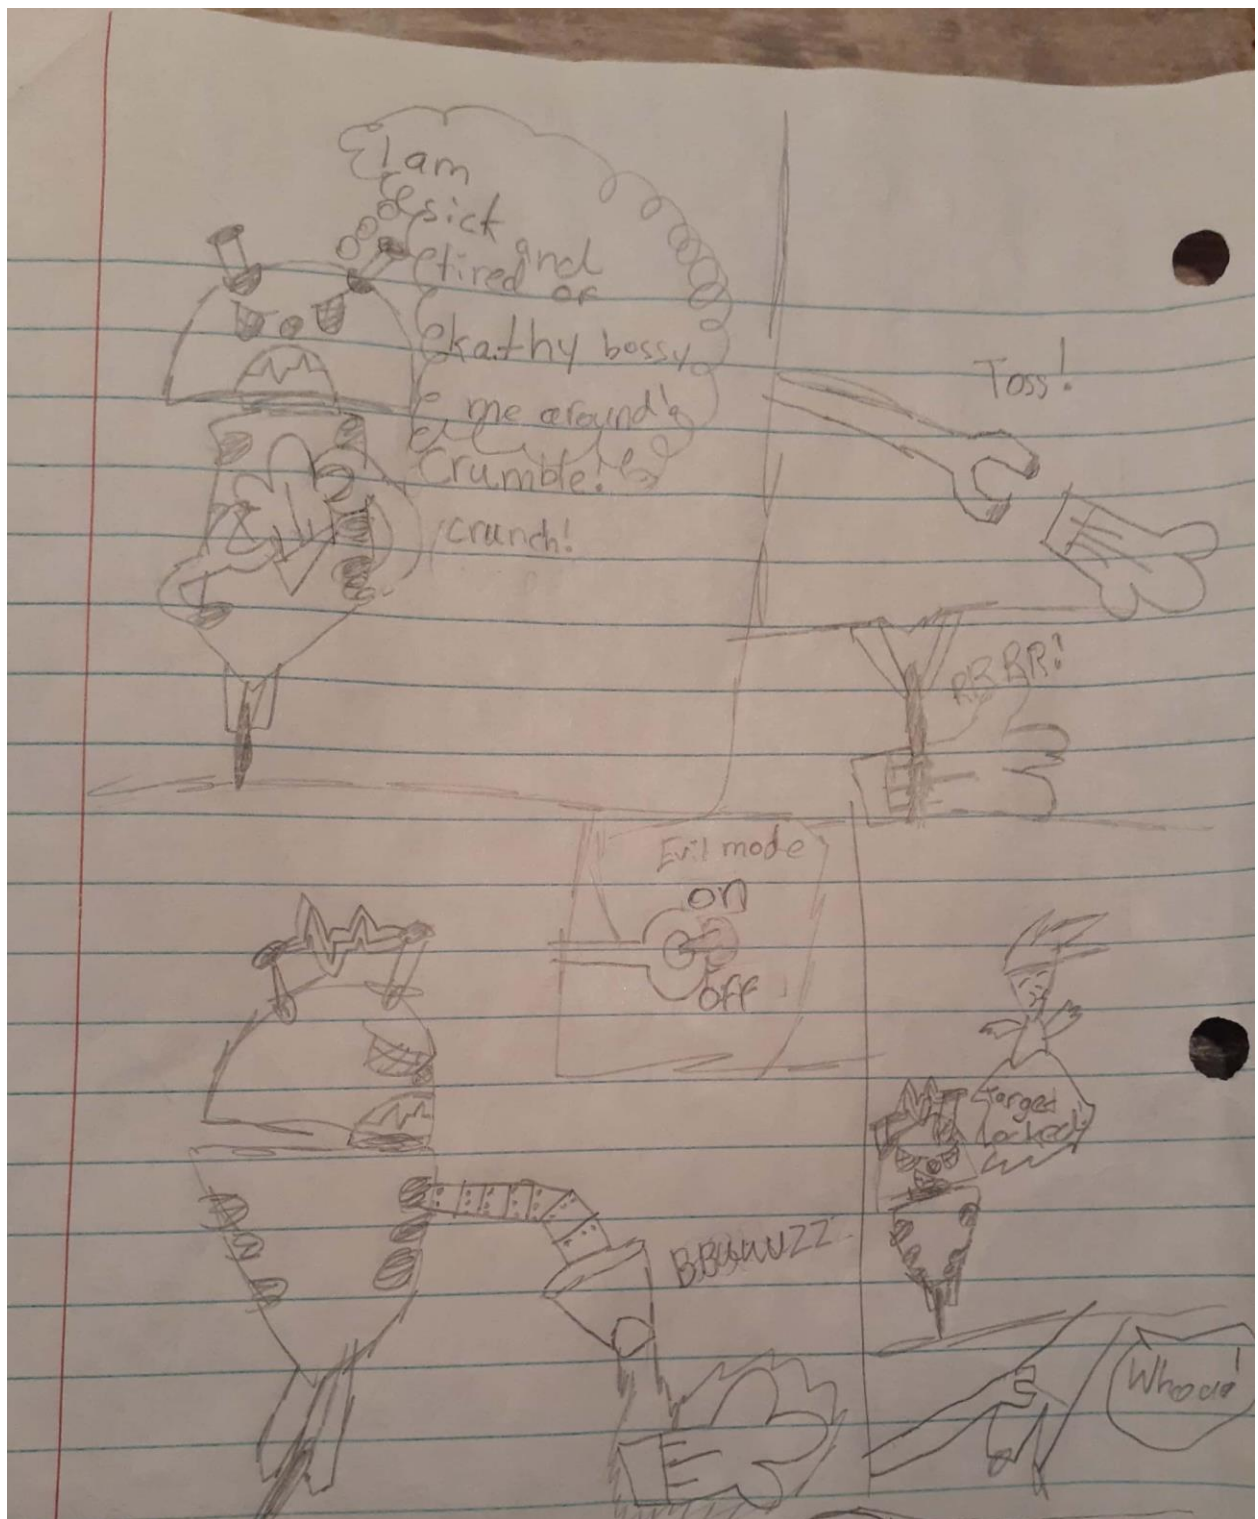

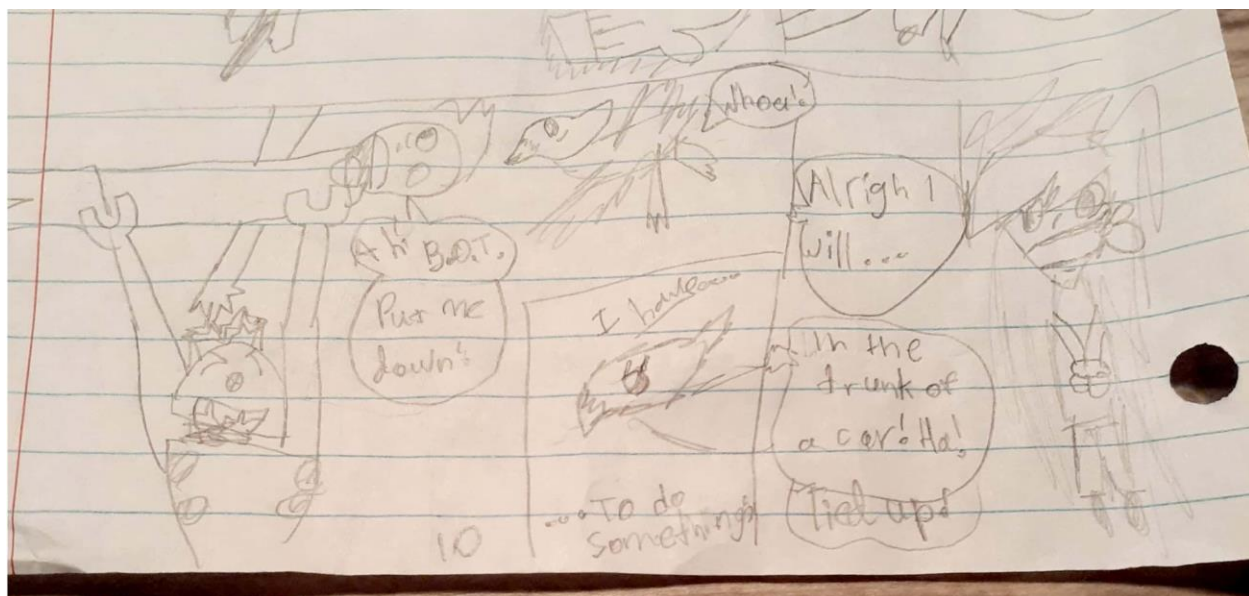

12 Hours later

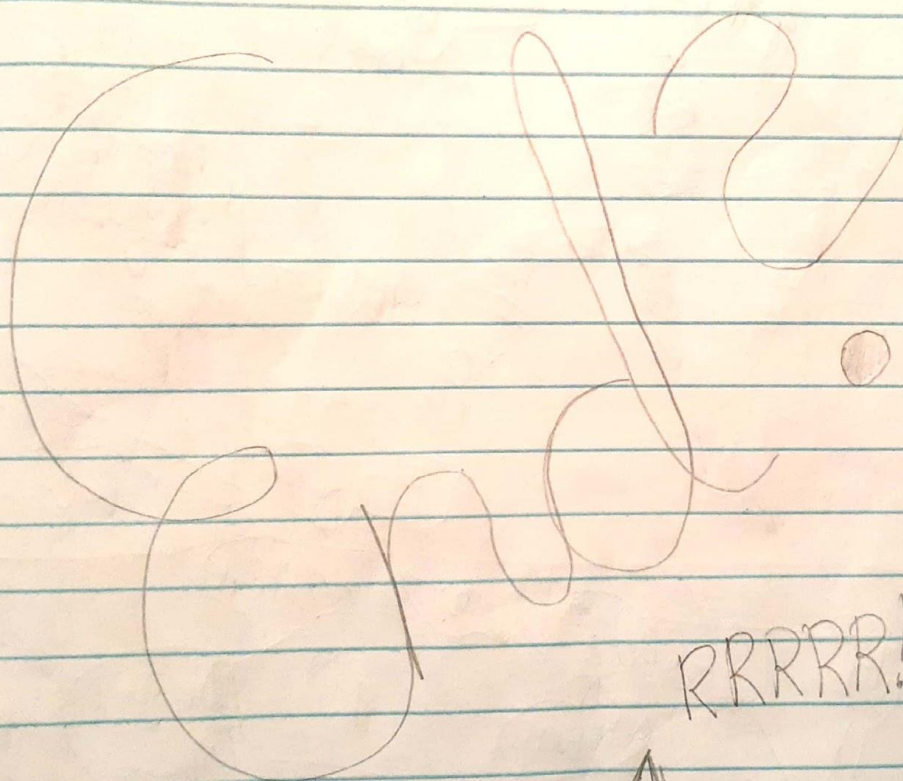

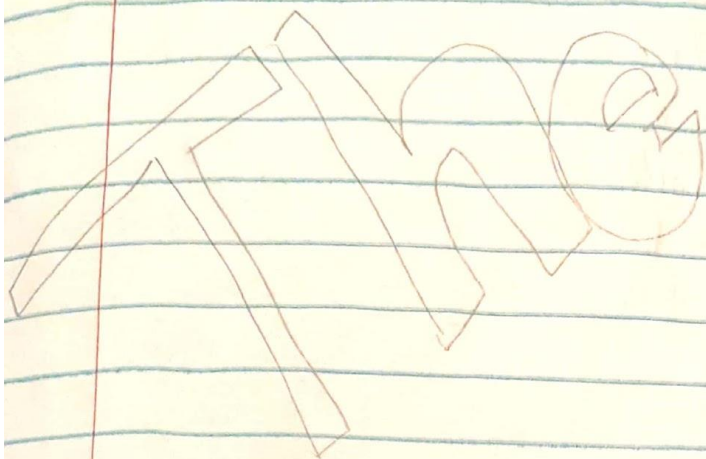

To be continued...

RRRRR!
