4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The City of Round Rock's goal for citizen participation is to encourage a broad participation of City residents, social service agencies and city departments in the planning and implementation of public hearings.

For the development of the City of Round Rock CDBG 2020-2021 Annual Action Plan, two public hearings were held. The first public hearing was a "Needs Assessment" public hearing that was held on April 9, 2020. The second public hearing was held on July 9, 2020. No comments were received. The notices for these public hearings were advertised in the Round Rock Leader newspaper in English and Spanish as well as posted at the following locations:

- City Hall bulletin
- City website and CDBG webpage
- City Hall Kiosk on first floor
- Kiosk at the Alan R. Baca Senior Center
- Round Rock Housing Authority
- Round Rock Library

In addition to the public hearing notice, an Executive Summary were made available as well.

The City of Round Rock always wants to continue to make efforts to broaden public participation during the development of the plan. This year with the mandatory shut-downs of city buildings and neighborhood facilities due to COVID-19, citizen participation was limited. Once offices and facilities opened up, citizen participation was encouraged but because of the continued anxiety about COVID-19 many residents continued to stay home and stay safe.

In order to broaden citizen participation in the future, Round Rock did amend their Citizen Participation Plan to include policies for citizen participation during emergencies and disasters.

Unfortunately, there were no comments received during the development of the program year.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

The City of Round Rock has developed an outreach effort to encourage input from a large cross section of residents and stakeholders. The outreach effort included two public hearings before city council, published and posted meeting notices, social media notifications, emails and flyers.

In addition to reaching out during the development of the plan, City of Round Rock CDBG staff continues to maintain a strong networking relationship with public and assisted housing providers and private and governmental health, mental health and service agencies throughout the program year.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

In order to enhance coordination and form effective relationships between public and assisted housing providers, private and governmental health, mental health and service agencies, the City of Round Rock actively consults with a variety of non-profits, social service providers, neighborhoods and citizens, and other governmental agencies. CDBG staff attend monthly Williamson County Non-Profit Networking Meetings the first Tuesday of every month at the Alan R. Baca Senior Center. Local non-profits come together to network and also to promote meetings, public hearings and events. A variety of non-profits attend the monthly networking meetings including non-profits that provide housing, mental health, health, transportation, affordable childcare and other services to low income, disabled and elderly residents of Round Rock.

CDBG staff attends the Round Rock Housing Authority (RRHA) monthly board meetings as well as meets regularly with the RRHA staff to provide technical assistance on the CDBG grant and to work together on the Analysis of Impediments to Fair Housing Regional Working Group goals and action items.

CDBG staff along with other local non-profits and social service agencies met regularly to discuss the needs of homeless and those at-risk of becoming homeless. The goals of this group is to eventually form a homeless coalition and also try to find resources to fill the gaps within the community regarding homeless and at-risk homeless. among the agencies that meet each month include food pantries, mental health agencies, neighboring local units of government, housing agencies, local and neighboring housing authorities, local not for profit health clinics, and Texas Homeless Network staff.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

Currently at this time there are no agencies receiving Continuum of Care (COC) grant funding in Round Rock or Williamson County. As per the THN, they have not had participation in the Texas Balance of State COC (TX BOS COC) from homeless service providers in Williamson County for some time. Currently there is not an active local homeless coalition in the area so the Round Rock CDBG staff with the help of the Round Rock Housing Authority director has started meeting quarterly to discuss the needs of the homeless and those in danger of becoming homeless.

The City of Round Rock is making an effort to address the needs of homeless persons and persons at risk of homelessness by funding the following with either CDBG or General Funds:

- Round Rock Area Serving Center Food Pantry that assists those that are homeless and at-risk of becoming homeless with \$25,000 of CDBG 2020 funds.
- Round Rock Area Serving Center Rent/Mortgage Assistance for those that are at-risk of becoming homeless with \$25,000 of CDBG 2020 funds.
- Round Rock Area Serving Center Rent/Mortgage/Food Pantry for those that are at-risk of becoming homeless and that need assistance with food during the COVID-19 Pandemic with City of Round Rock General Funds in the amount of \$45,000.
- Hope Alliance Domestic Violence Shelter with \$32,700 in General Funds to assist victims of domestic violence that are homeless.
- Texas Baptist Children's Home with \$10,000 in general funds to assist single mothers and their children in transitional housing.
- Sacred Heart Community Clinic with \$16,325 in CDBG 2020 funds to assist and provide medical services to low income and those that are homeless or at-risk of becoming homeless.

City of Round Rock CDBG staff networks with the Round Rock ISD Families in Transition Coordinator. The Families in Transition Program assists homeless families with children, families with children that are living with friends or relatives as well as unaccompanied youth. The role of the coordinator is to ensure that any student lacking a fixed, adequate and regular nighttime residence is provided with resources. Because there are no homeless shelters in Round Rock or Williamson County (except for the domestic violence shelter) homeless youth and unaccompanied youth are bused to shelters in Austin. According to the RRISD, a third of homeless students are unaccompanied youth.

Goodwill of Round Rock and Central Texas provides job rehabilitation and placement for homeless veterans as well as assistance with rent and job training. Currently due to COVID-19 the Round Rock location is closed but are taking intake applications for serves over the phone. The City CDBG staff will continue to network with the Goodwill to stay up to date on services that are being provided to homeless veterans.

The CDBG staff maintains a strong relationship with staff at the Bluebonnet Trails & Community Services (BBT) Round Rock location. BBT provides an array of services to the low income and homeless and at-

risk homeless that include a supportive housing and transitional housing program and behavior health services.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

At this time the City CDBG staff is not consulting with any nor are there any Continuum of Care recipients that serve this jurisdiction. As stated above, the City of Round Rock staff has started networking and forming a relationship with the Texas Homeless Network staff to stay informed of what is happening in the TX BOS COC regarding homelessness as well as encouraging homeless providers in Williamson County to join the effort to end homelessness.

Identify any Agency Types not consulted and provide rationale for not consulting

A wide array of agencies were invited to consult in the development of the Annual Action Plan. No individual agency was intentionally omitted.

The City of Round Rock CDBG staff does not consult with any adjacent units of local government or regional government agencies regarding the preparation of a plan concerning lead-based paint hazards nor has CDBG staff consulted with the health department regarding the addresses of housing units in which children have been identified as lead poisoned.

The majority of residential housing development in Round Rock occurred after the use of lead-based paint was banned; however, some areas of the community may have some homes with lead-based paint.

With the implementation of the Minor Home Repair Program, the program policy and procedures manual addresses compliance with the Residential Lead Based Paint Hazard Reduction Act of 1992 (Title X) and subsequent changes in September 1999. The procedures include:

1. Notification
2. Identification
3. Treatment (if necessary)

The City of Round Rock will continue to fund the Minor Home Repair Program with 2020 CDBG funds. Applicants who are eligible for the Minor Home Repair program are provided LBP information at the time of intake and will be made aware of possible dangers of LBP.

City of Round Rock staff does not consult with low income persons living in areas designated by the local jurisdiction as a revitalization area or an area considered slum or blight because the city does not have areas designated as slum or blight or revitalization areas.

The City of Round Rock does consult with other local governments and regional government agencies regarding metropolitan-wide planning and transportation responsibilities. In order to meet the transportation demands of population, employment and economic growth, the City developed the Transportation Master Plan, which consists of two basic elements, a roadway element and a bicycle/pedestrian element. The Transportation Master Plan encompasses the transportation system within the city limits as well as the extraterritorial jurisdiction (ETJ). The City also coordinates with city regional planning parnters. The updated Transportation Master Plan was adopted by City Council on Oct 12, 2017.

CDBG Staff consults with the Round Rock Housing Authority (RRHA) regularly and attends RRHA monthly board meetings.

CDBG staff is currently consulting and meeting with other local units of goverments and other regional housing authorities on the goals and metrics identified in the Central Texas Regional Analysis of Impediments to Fair Housing Report. This group meets quarterly.

CDBG staff continues to maintain a relationship and consults with community based and regionally based organizations that represent protected class members such as Meals on Wheels, Drive a Senior, CASA, Hope Alliance, ARCIL (Advocacy Resource Center for Independent Living), snd the Austin Tenants Council.

CDBG staff regularly meets and networks with the Austin Tenants Council regarding tenant rights and Fair Housing issues. Residents are referred to the Austin Tenants Council for assistance with filing a fair housing complaint and also with assistance with tenant issues. All the sub-recipients that receive CDBG funds are required to have on file a fair housing policy.

Narrative (optional)

CDBG staff does not network with any corrections programs or institutions other than the Council for At-Risk Youth. CDBG funded the Council for At-Risk youth in program year 2019 to provide counseling to at-risk youth in the ISD from grades 5-12. Other than that agency the CDBG staff does not network with any other corrections program or institution but the City of Round Rock HR department does participate in the Jails to Jobs Program. This program is literally transforming lives by breaking the cycle of youth recidivism. The Jails to Jobs Program empowers juvenile offenders to find purpose, personal growth and achievement through an employment-based mentoring and job skills program, in order to reduce recidivism in the justice system. The City of Round Rock guarantees graduates of this program a job.

Currently the CDBG staff does not have a working relationship with business or civic leaders but does work with the Realtor Association of Round Rock every April for Fair Housing Month and to invite them to the Fair Housing Workshop hosted by CDBG staff and the Austin Tenant's Council. Austin Tenant's Council provides Fair Housing Education and Counseling, assists with filing fair housing discrimination complaints as well as tenant/landlord issues and mediation. The CDBG staff has a strong working relationship with Austin Tenant's Council.

The City of Round Rock does not receive Emergency Solutions Grant (ESG) nor does Williamson County have agencies participating or actively applying for the COC grant. The city has started to work with Texas Homeless Network and non-profit agencies in the Round Rock/Williamson County area to try and start a conversation regarding the homeless persons and resources available to address these issues.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

In an effort to promote citizen participation during the development of the CDBG 2020 Action Plan, public hearing notices in English and Spanish were made available at the following locations and agencies:

- Publication in the Round Rock Leader
- City News section of the city website as well as in the CDBG webpage
- Public hearing notices and executive summary in the kiosk at senior center
- Public Hearing notices posted in the city hall bulletin
- Public hearing notices and Executive Summary posted at RRHA, RRASC, and library

The public participation process was developed to help the City of Round Rock identify priority needs in the community and set goals that will help address affordable housing needs and to better provide social services to the low to moderate income household and persons. Two public hearings were held before city council during the development of the plan. Residents were given at least 14 day notice of a public hearing and at least 30 days for the comment period. Copies of the public notices and proof of publications from the Round Rock Leader.

The projects and activities funded in this action plan all tie back to the high priority needs and goals in the CDBG Five Year Consolidated Plan (2019-2023). During the development of the five year consolidated plan the City CDBG staff had a goal and plan for citizen participation to ensure a broad participation of residents, housing, economic and social service providers as well as city departments and local housing authority. The City held stakeholder and resident meetings in addition to public hearings. This process helped the City develop the consolidated plan to assist for planning and developing the action plans for the next five years. Should goals or high priority needs change, the city will conduct a substantial amendment to add goals.

The City of Round Rock has been awarded \$675,500 in CDBG grant funds for program year 2020-2021. The CDBG 2020 is the second program year in the CDBG Five Year Consolidated Plan. The expected resources are the last of the funds expected for the remainder of the CDBG Five Year Consolidated Plan (2019-2023).

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

In an effort to leverage funds, the City has combined the CDBG and General Funds to assist the social services funding process. By combining these two processes, the City can make sure to fund agencies providing high priority needs with General Funds that could not be funded with CDBG funds due to the 15% funding cap. This process will also help prevent duplication of services. The process of funding social services agencies is as follows: A team, consisting of council members, Neighborhood Services staff and CDBG staff, review agency applications as well as conduct a risk analysis using set criteria and performance measures. Funding recommendations are presented to the City Council through the budget process. Awarded agencies are contracted to deliver the specific services to the residents of Round Rock.

There are no federal or local matching requirements for the CDBG grant.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

There are no projects in this action plan that are on publicly owned land or property located within the jurisdiction and funded with CDBG funds.

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Allocation priorities were based upon the Needs Assessment undertaken as part of the planning process and demand for projects and services in the past. The City identified Mays Street as an area that needed improved bus stop accessibility and the need for additional transportation options for traditionally transportation disadvantaged populations. This includes economically disadvantaged people, older adults and people with disabilities, limited English speaking persons and those with limited access to vehicles. Unfortunately, the need for infrastructure far exceeds the amount of CDBG funding available. The primary obstacle to addressing underserved needs is the limited resources available to address such needs throughout the City. The Public Services fund of 15% is also oversubscribed at far beyond what is available. The City encourages CDBG applicants to seek other resources from other public and private entities to leverage the limited amount of CDBG funds available.

This project will provide transportation options and improve bus stop accessibility to older adults and people with disabilities.

AP-60 Public Housing – 91.220(h)

Introduction

The Round Rock Housing Authority was established in 1966, with the first development built in 1972. Today, the Round Rock Housing Authority owns 100 units and administers 94 Section 8 Housing Choice Vouchers. Approximately 200 persons are assisted through these programs. The City of Round Rock will act as a resource for the Round Rock Housing Authority to assist the public housing authority with capacity building as well as programming that is associated with CDBG funds.

The RRHA is a five-member board, including a resident board member, and oversees the Round Rock Housing Authority. The board is appointed by the City of Round Rock Mayor. The City is invested in ensuring that selections made are in the best interest of the Round Rock Housing Authority. Each board member appointed by CORR Mayor possess management qualities that will ensure that best business practices are deployed.

Actions planned during the next year to address the needs to public housing

To address and improve the needs of public housing and resident initiatives, the Round Rock Housing Authority (RRHA) will continue to provide youth services at the Westwood location. The Boys to Men group, headed by Robert Hall, is a program which focuses on developing strong character skills for young children and youth. It is housed at the Westwood apartments owned by RRHA. Many of the young people who participate in the program do not have strong role models at home or come from blended families and single parent households. The young people in Boys to Men benefit from having someone they can confide in and interact with on a regular basis. Some of the activities include team sports, day trips to parks and lessons on the importance of being good citizens. Boys to Men relies primarily on donations and volunteers.

Another program that the RRHA provides its residents to meet their needs for self-sufficiency is the Family Self Sufficiency Program (FSS). This program provides affordable housing expertise, homeownership grant resources and programming initiatives to promote self-sufficiency for the program participants. The FSS program serves families in the Housing Choice Voucher (HCV) program the Public Housing Programs. Past and present participants have completed the following goals:

- Obtained and maintained employment
- Ability to pursue higher education
- Ability to maintain first time businesses with supportive mentorship and education

The unique value of the FSS Program is that clients can receive supportive case management to reach their individual goals towards self-sufficiency.

In addition to this, the RRHA continues to partner with several local agencies, faith-based organizations,

the City of Round Rock and the school district in order to bring resources to the residents of the housing authority.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

Currently there are no public housing homeownership initiatives in place either under the public housing program or the Section 8 program. The City of Round Rock plans to encourage Affordable Housing Roundtables that are conducted by the RRHA and include affordable housing builders, housing counseling nonprofits and banking institutions.

In order to encourage public housing resident to become more involved in management, the City of Round Rock is requesting for application for a resident board member vacancy. This board member will be appointed this August.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

The Round Rock Housing Authority is not designated as troubled housing authority by the U.S. Department of Housing and Urban Development.

Discussion

The Round Rock Housing Authority receives an annual Capital Fund Grant from The U. S. Department of Housing and Urban Development (HUD). The Round Rock Housing Authority is using these grant funds for the following Administrative and Operations expenses:

- Staff Salaries, Fringe Benefits, Travel and Training
- Office Supplies
- Postage
- Memberships
- Maintenance Expenses
- Utilities & Telephone
- Insurance
- Accounting Fees
- Legal Expenses

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The City of Round Rock and Williamson County are part of the Texas Balance of State Continuum of Care (BoS CoC). The BoS CoC is part of the Texas Homeless Network (THN), a nonprofit membership-based organization helping Texas communities to prevent and end homelessness. THN is a 501(c)(3) organization that is partially funded through Texas Department of Housing and Community Affairs and Texas Department of State Health Services.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

At this time in the City there are no agencies receiving Continuum of Care (COC) grant funding. The City of Round Rock CDBG staff has reached out to the Texas Homeless Network (THN) to stay informed on the homeless population issues and efforts to end homelessness in Central Texas.

In an effort to reduce and end homelessness the City of Round Rock has developed the following one-year goals:

1. City of Round Rock CDBG staff will continue to consult with the Texas Homeless Network/TX BoS CoC to discuss the next steps to actively participate in the effort to end homelessness in Williamson County. Reach out to Williamson County CDBG staff and partner with them in this effort. Reach out to non-profit agencies that provide services to homeless persons in Williamson County and encourage them to participate in coming together to discuss the homeless issues in the area. Set up a meeting that includes the homeless providers in Williamson County and a presentation by the Texas Homeless Network on the steps and process to plan a "Point in Time" count in January 2021, discuss forming a Local Homeless Coalition in Williamson County as well as provide information on the COC grant. This will help the City of Round Rock to reach out to homeless persons especially unsheltered persons and assess their individual needs. Continue networking with the Round Rock ISD homeless liaison. Continue funding the Round Rock Area Serving Center with CDBG 2020 funds to assist with rent/mortgage and food.

Addressing the emergency shelter and transitional housing needs of homeless persons

In order to address the emergency shelter and transitional housing needs of homeless persons, the following agencies provide temporary shelter, transitional housing and other services and are being

funded with 2020 CDBG or general fund dollars:

- The Williamson County Crisis Center (Hope Alliance) offers emergency shelter for victims of domestic violence and sexual assault. (\$35,000 from 2020 General Fund Social Services Grant)
- Round Rock Area Serving Center provides emergency shelter, food and clothing vouchers as well as mortgage and utility assistance in an effort to address/prevent homelessness. (\$50,000 with 2020 CDBG)
- Texas Baptist Children's Home provides a variety of residential and nonresidential services for children and families in need—these include housing for children and single-mother families as well as outreach and prevention services. (\$10,000 2020 General Fund Social Service Grant)

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City of Round Rock is making an effort to address the needs of homeless persons and persons at risk of homelessness by funding the following with either CDBG or General Funds:

- Round Rock Area Serving Center Food Pantry that assists those that are homeless and at-risk of becoming homeless with \$25,000 of CDBG 2020 funds.
- Round Rock Area Serving Center Rent/Mortgage Assistance for those that are at-risk of becoming homeless with \$25,000 of CDBG 2020 funds.
- Round Rock Area Serving Center Rent/Mortgage/Food Pantry for those that are at-risk of becoming homeless and that need assistance with food during the COVID-19 Pandemic with City of Round Rock General Funds in the amount of \$45,000.
- Hope Alliance Domestic Violence Shelter with \$32,700 in General Funds to assist victims of domestic violence that are homeless.
- Texas Baptist Children's Home with \$10,000 in general funds to assist single mothers and their children in transitional housing.
- Sacred Heart Community Clinic with \$16,325 in CDBG 2020 funds to assist and provide medical services to low income and those that are homeless or at-risk of becoming homeless.

City of Round Rock CDBG staff networks with the Round Rock ISD Families in Transition Coordinator. The Families in Transition Program assists homeless families with children, families with children that are living with friends or relatives as well as unaccompanied youth. The role of the coordinator is to ensure that any student lacking a fixed, adequate and regular nighttime residence is provided with resources. Because there are no homeless shelters in Round Rock or Williamson County (except for the domestic violence shelter) homeless youth and unaccompanied youth are bused to

shelters in Austin. According to the RRISD, a third of homeless students are unaccompanied youth.

Goodwill of Round Rock and Central Texas provides job rehabilitation and placement for homeless veterans as well as assistance with rent and job training. Currently due to COVID-19 the Round Rock location is closed but are taking intake applications for serves over the phone. The City CDBG staff will continue to network with the Goodwill to stay up to date on services that are being provided to homeless veterans.

The CDBG staff maintains a strong relationship with staff at the Bluebonnet Trails & Community Services (BBT) Round Rock location. BBT provides an array of services to the low income and homeless and at-risk homeless that include a supportive housing and transitional housing program and behavior health services to veterans.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

In an effort to help low-income individuals and families avoid becoming homeless, the City of Round Rock will continue to fund the Round Rock Area Serving Center with CDBG 2020 funds for the following activities:

- Food Pantry Program in the amount of \$25,000
- Housing Assistance Program (help with rent/mortgage) in the amount of \$25,000

Funding these two programs will help those at-risk of becoming homeless not have to choose between food/rent and other necessities.

CDBG staff does not network with any other corrections program or institution but the City of Round Rock HR department does participate in the Jails to Jobs Program. This program is literally transforming lives by breaking the cycle of youth recidivism. The Jails to Jobs Program empowers juvenile offenders to find purpose, personal growth and achievement through an employment-based mentoring and job skills program, in order to reduce recidivism in the justice system. The City of Round Rock guarantees graduates of this program a job.

The CDBG staff maintains a strong relationship with staff at the Bluebonnet Trails & Community Services (BBT) Round Rock location. BBT provides an array of services to the low income and homeless and at-

risk homeless that include a supportive housing and transitional housing program and behavior health services to veterans those recently released from mental health facilities.

BBT helps veterans with the tools they need to successfully integrate back into the community and transition from military life to civilian life again.

Discussion

in the next program year the City of Round Rock will continue to undertake activities that will address the housing and supportive services needs for persons who are not homeless but have other special needs with the following projects:

- Meals on Wheels will continue to be funded with CDBG 2020 grant funds in the amount of \$10,000 so that seniors and homebound seniors will be provided a meal daily.
- Bus Stops on Mays Street will provide more accessibility to bus stops and provide transportation options to elderly and disabled residents.
- Round Rock Area Serving Center will be funded with CDBG 2020 funds in the amount of \$25,000 to stock their food pantry and provide food to elderly and disabled.
- City of Round Rock General fund will fund Senior Access with \$35,000 to provide door to door transportation to seniors and disabled. This ensures that seniors and disabled are picked up at their door and taken to the door of their doctor appointment, grocery store, pharmacy or senior center.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

In an effort to remove barriers to affordable housing the Round Rock City Council unanimously approved a resolution of support that gave develops a green light to seek low-income housing tax credits from the Texas Department of Housing and Community Affairs to help finance the project that includes approximately 200 units of income restricted senior housing. Plans for the development call for a mixture of studios and one and two bedroom units. Building height is anticipated to be three stories.

Council has also approved several Planned Unit Developments that allow for detached single family housing units on condominium lots. By providing this housing alternative to standard single family home on fee simple lots, developers are able to offer quality housing units at a lower price points due to reduced infrastructure and public improvement costs. These types of single family condominium developments are being recommended for infill or remnant tracts where larger scale residential developments would not be feasible.

In addition, the city has the following actions planned to continue to address the barriers to affordable housing in the next program year:

- City of Round Rock will fund Round Rock Area Serving Center's Housing Assistance Program with program year 2020 CDBG funds, which provides housing and emergency shelter needs, helps elderly maintain independence, and helps families avoid eviction and homelessness.
- The City of Round Rock will fund with program year 2020 CDBG funds minor home rehabilitation for up to 8 homes in Round Rock.
- City of Round Rock CDBG Staff will promote and direct residents to TDHCA's down-payment assistance program;
- City of Round Rock CDBG Staff will participate and work with the Central Texas Regional Fair Housing Group to work with foundations and private partners to create the multifamily rehabilitation and accessibility improvement program; and
- City of Round Rock CDBG staff will participate on the affirmative marketing program and guiding principles for developers of rental housing along with the Central Texas Regional Fair Housing

Group.

Discussion:

AP-85 Other Actions – 91.220(k)

Introduction:

This section of the Consolidated Plan outlines actions planned to address obstacles to meeting underserved needs in Round Rock.

Actions planned to address obstacles to meeting underserved needs

Despite efforts, there remain a number of significant obstacles to meeting underserved needs. The following obstacles to meeting these needs in Round Rock are population growth; high cost of housing; cut backs in state and federal funding for basic needs and the need for transportation to existing services and childcare exceed available resources to meet these needs. To address the population growth and the high cost of housing, the Round Rock Area Serving Center provides rent/mortgage, food pantry and utility assistance. The City funded the RRASC for these programs with CDBG program year 20 funds totaling \$50,000.00. The City also funded the Sacred Heart Community Clinic with \$16,325 in CDBG funds for program year 20. Sacred Heart Community Clinic provides dental services, acute care, chronic care and provides medications as well to the very low-income uninsured residents.

The following programs also help address the cutbacks in state and federal funding and the need for childcare and transportation to existing services:

Senior Access provides door to door transportation to seniors to doctors' appointments, pharmacies, grocery stores, to pay bills, and to social service agencies for services. Senior Access is being funded in 2020 with City General Fund Social Services Funds in the amount of \$35,000.

Foundation Community provides free tax preparation to low- to moderate-income families. Foundation Communities Tax Preparation Program is being funded in 2020 with City General Fund Social Service Funds in the amount of \$15,000.

In order to meet transportation demand, the City developed a fix route bus service that was designed and focused on access to employment services to meet the needs of the low-income and minority populations to jobs, education and employment. This service offers ADA paratransit services as well for anyone with a disability that prevents them from being able to ride any fixed route vehicle, disembark from any fixed route vehicle or travel independently all or some of the time on any fixed route vehicle.

Council has also passed an ordinance that allows Round Rock Transit to sell discount bus passes to nonprofit and government agencies for the purpose of distributing the passes to low-income persons and families that meet the participation requirements.

The City also provides residents with the Guide to Affordable Housing in the Greater Austin Area that is provide by the Austin Tenant's Council. This guide is a tool for people seeking affordable rental housing in the Austin area that includes Round Rock. The guide contains general information on housing

programs funded on the local, county, state and federal levels, as well as specific information about apartment complexes participating in these programs. It contains lists and explanations of rental housing with rent restrictions, income-based rents and tenant income limits.

The City's General Fund provides funding of \$35,000 to Hope Alliance, an organization that meets short housing needs for survivors of domestic violence. The City's General Fund also provides \$10,000 in funding for the Texas Baptist Children's Home for an interventional specialist to help residents in a holistic approach.

Actions planned to foster and maintain affordable housing

The City of Round Rock will continue to support the following programs in program year 20 that support affordable housing. These include:

- The housing assistance program through the Round Rock Area Serving Center to assist residents with rent or mortgage at up to \$100 a household; and
- The minor home repair program for low-income homeowners in Round Rock.

Round Rock Area Serving Center Housing Assistance Program will be funded with CDBG 2020 funds in the amount of \$25,000 and the Minor Home Repair Program will be funded with 2020 CDBG funds in the amount of \$194,075.

Actions planned to reduce lead-based paint hazards

The majority of residential housing development in Round Rock occurred after the use of lead-based paint was banned; however, some areas of the community may have some homes with lead-based paint.

With the implementation of the Minor Home Repair Program, the program policy and procedures manual addresses compliance with the Residential Lead Based Paint Hazard Reduction Act of 1992 (Title X) and subsequent changes in September 1999. The procedures include:

1. Notification
2. Identification
3. Treatment (if necessary)

The City of Round Rock will continue to fund the Minor Home Repair Program with 2020 CDBG funds. Applicants who are eligible for the Minor Home Repair program are provided LBP information at the

time of intake and will be made aware of possible dangers of LBP.

Actions planned to reduce the number of poverty-level families

During the 2020 CDBG program year the City of Round Rock will take the following actions to reduce the number of poverty level families:

- The City will continue to fund the Minor Home Repair Program with 2020 CDBG funds to provide minor home repair for the low and very low-income residents in Round Rock. This program proposes to assist an estimated total of 8 households with repairs to include fence, plumbing, electrical, weatherization, and ADA improvements.
- Round Rock Area Serving Center will continue to be funded with CDBG program year 2020 funds to provide rent and mortgage assistance and access to their food pantry. These programs collectively propose to assist 1,200 households.
- Sacred Heart Community Clinic will be funded with \$16,325 in CDBG 2020 funds to assist poverty level families with health and dental care and medications at no cost to them. This program proposes to assist 100 households.
- The Meals on Wheels of Williamson and Burnet Counties program will be funded with \$10,000 in 2020 CDBG funds to prepare lunch meals for seniors at Baca Center and for homebound seniors.
- The Foundation Communities Free Tax Preparation Program will continue to be funded with 2020 General Fund Social Service Funds in the amount of \$15,000 that will provide poverty level families free tax preparation. This program proposes to assist 1200 households.

Actions planned to develop institutional structure

In order to bridge the gap, the City relies on a network of public sector, private sector, and nonprofit organizations to implement the Strategic Plan, particularly to address homelessness and special needs. The City Council evaluates their Strategic Plan and Annual Budget from a citywide perspective. During these discussions' resources are provided to fund programs not specifically covered by CDBG but will provide more funds toward homelessness and special needs programs.

The City continues to actively consult with a variety of nonprofits, social service providers, neighborhoods and citizens, and other governmental agencies. CDBG staff attend the monthly Williamson County Nonprofit Networking meetings the first Tuesday of every month at the

Alan R. Baca Senior Center. Local nonprofits come together to network and also to promote meetings, public hearings and events. A variety of nonprofits attend the monthly networking meetings including nonprofits that provide housing, mental health, health, transportation, affordable childcare and other services to low-income, disabled and elderly residents of Round Rock.

CDBG staff attends the Round Rock Housing Authority (RRHA) monthly board meetings as well as meets regularly with the RRHA staff.

In order to address gaps in institutional structure around homelessness, Round Rock CDBG staff has consulted with the Texas Homeless Network/TX BoS CoC and discussed the next steps to actively participate in the effort to end homelessness in Williamson County. In an effort to meet these goals, Round Rock CDBG staff has started work on the following:

- Reach out to Williamson County CDBG staff and partner with them in this effort
- Reach out to nonprofit agencies that provide services to homeless person in Williamson County and encourage them to participate in coming together to discuss the homeless issues in the area.
- Continue meeting with these non-profits in the 2020 program year and include the Texas Homeless Network (THN) which will guide us and help us with the steps and process to plan a "Point-in-Time" count, to discuss in forming a Local Homeless Coalition in Williamson County, as well as provide information on the COC grant.

Actions planned to enhance coordination between public and private housing and social service agencies

In an effort to enhance coordination between public and private housing and social service agencies, the City of Round Rock will continue to fund the Round Rock Area Serving Center/Volunteer Center with \$35,000 in 2020 General Fund Social Service funds that will help pay for the Volunteer Center Coordinator salary. The Volunteer Coordinator not only supplies volunteers and manages volunteers' opportunities but also continues to coordinate and host the Williamson County Monthly Networking Meetings. These meetings are held the first Tuesday of every month at the Alan R. Baca Senior Center. At this monthly networking meeting, nonprofit and social service agencies come together to network, promote events and listen to guest speakers. Up to 30 agencies attend the monthly meetings and have access the groups list serv and be able to share information on the upcoming events, public hearing and fundraisers. Collaboration and coordination between agencies is important to ensure that the needs in the community are being addressed.

As noted above, the City CDBG staff also attend the monthly Williamson County Nonprofit Networking meetings the first Tuesday of every month at the Alan R. Baca Senior Center and attends the Round Rock Housing Authority (RRHA) monthly board meetings as well as meets regularly with the RRHA

staff.

This office has the primary responsibility for managing and implementing the City's affordable housing and infrastructure program, the Consolidated and Annual Plans and related documents.

The City of Round Rock has developed a monitoring system to ensure that the activities carried out in the Plan are done so in a timely manner in accordance with the federal monitoring requirements of [24 CFR 570.501 (v)] and [24 CFR 85.40] and all other applicable laws, regulations, policies and sound management and accounting practices.

Sub-recipients are monitored to ensure that they have implemented and administered their CDBG funded activities according to applicable federal requirements. Particular attention is paid to compliance with management systems, procurement practices and compliance with civil rights requirements.

When applicable, sub-recipients are required to submit copies of paid receipts, timesheets, income documentation, client data and self-certification forms with their monthly requests. The City of Round Rock conducts monitoring of sub-recipients every program year during the summer. Particular attention is paid to compliance with eligibility and national objective requirements. The HUD monitoring checklist is used during these on-site monitoring visits. The monitoring visits are conducted by the CDBG Program Coordinator. Technical assistance is provided for sub-recipients at the beginning of the program year and anytime during the program year upon request.

Throughout the year, staff conducts mini desk reviews of all sub-recipients. Sub-recipients are required to submit monthly progress reports and reimbursement requests by the 15th of every month. This allows the City to monitor the sub-recipient's progress and spending on a monthly basis.

The City of Round Rock Office of Community Development maintains an open door policy for all agencies and frequent unofficial visits are made at participating agencies throughout the year.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) _____ [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.
