### Insurance and Permit Bond (For Contractor/Utility representatives doing ROW work)

Per Sec. 44-279 of the ROW Ordinance, Permit Bond paperwork will need to be filled out and updated annually with the City. This bond will be in the amount of the estimated cost to restore the public rights-of-way for the work anticipated to be done in that year and to relocate facilities pursuant to Article IX of said Ordinance. This bond will be valid each year construction occurs through one full year after the completion of the construction from a surety company authorized to do business in the State of Texas. Anytime the bond is renewed it will need to be sent back to the CORR to maintain record.

Additionally, utility companies/contractors will need to obtain and maintain insurance coverage in the amount of \$1,000,000 with a company licensed to do business in the State of Texas with an AM Best rating of at least A-. Said insurance will need to be provided as proof of coverage at the time of request for any construction permits and prior to any commencement of work moving forward.
