

**Imagine a Day  
Without Water**  
October 21, 2020

## Poster Contest Guidelines

We turn on the faucet and flush the toilet without thinking twice about where the water came from or where it will go. This fun and enlightening activity helps raise awareness about the importance of water to our everyday lives.

**The contest is simple:** create a poster conveying how you imagine a day without water to look.

- Any medium can be used (paint, colored pencils, crayons, markers, digital, etc.)
- Standard letter size paper or larger up to 12" x 12"
- Entry Form must be submitted with artwork

Posters are judged on artistry, creativity, originality, and the ability to communicate the importance of water in our everyday lives.

There will be one winner chosen per age bracket. Each contest winner receives a Visa gift card, public (or virtual) recognition during the November 12<sup>th</sup> City Council Meeting, as well as have their artwork displayed in City Hall through the end of December.
