PROGRAM GUIDELINES:

- Applicant must be a direct City of Round Rock water customer in good standing. MUD customers are not eligible.
- Property must have **both** aeration and compost added to lawn. Services do not have to be performed by the same company or service provider.
- Lawn aeration can be core or liquid aeration and can be performed by a professional company or by renting aeration equipment and doing it yourself.
- Compost needs to be applied at a depth of ¼ to ½-inch over the entire lawn (grass areas) and can be done by the property owner or by a professional. Compost consists of soil and natural materials; it is not mulch. Mulch will not be rebated.
- Rebate amount is \$100 per residential water account; \$300 per commercial account. Rebate does not include tax.
- Limit one rebate per water account, per year.
- An itemized receipt or paid invoice with date and service performed, along with a picture of lawn after aeration and a picture after compost has been applied, must be submitted with application within 45-days of service.
- Rebate check will be mailed 2-4 weeks after application has been processed and approved.
- Rebates are available until funds have been expended. Visit roundrocktexas.gov/rebates for available rebates. Once funds are exhausted the rebate program will no longer appear on the website.

Please sign to confirm you have read and agree to the Program Guidelines stated above.
