**Q23. What is your favorite building or site developed in the City within the past 5 years (name of development/address/notable tenant), and why?**

- 4 ELEVEN BUILDING IN DOWNTOWN
- Additional fire station - need with the growth seen in city
- All Abilities Park
- All abilities play park.
- All my favorites are older than 5 years.
- ALL NEEDS PARK RAB HOUSES
- All of the city buildings downtown. Great aesthetics.
- All parks, love the outdoors.

- Bass Pro, keeps me from traveling long distance to get the supplies I need.
- Behren Ranch
- BETWEEN LAFRONTERA AND HESTERS CROSSING; IH 35 AND CR172
- Bradford Park is the little neighborhood park in my area. I like the hike trail and the little pond. The pond gets trashed up-- I have gone with kids and garbage bags and cleaned it up myself. I love the new playground. I contacted the city for a 'sun shade' to be built over it since there is minimal shade there. To planted trees that would eventually give shade. It's extremely hot and months out of the year too hot for smaller children to play there...
- BRUSHY CREEK HIKE AND BIKE
- BRUSHY CREEK HIKED BIKE TRAIL EXTENSION.
- Brushy Creek Park
- Brushy creek park
- BRUSHY CREEK TRAIL
- Brushy Creek Trails - I live on the east side (Sonoma) and enjoy being able to ride to restaurants/bars/RR Donuts that are located in downtown. I also enjoy being able to ride to Raab Park with my kids. I think there is potential for some awesome developments on the south side of 79 with property that overlooks and has access to brushy creek. The property that Little Red Wagon Hamburgers operated on is one great example.
- Brushy Creek Trails, city did a nice job. However , I feel there needs to more of a police presence there.
- Brushy Creek walking trail.
- Business: Salt Traders, Jack Gilmore - Attractive building, great food & service, good steward of community.Park: All Abilities - enjoyed and accessible to all ages and abilities.
- Can't say no involved
- Can't think off the top of my head.
- Cattle crossing at Chisholm Trail and Brushy Creek. It is historical with no hidden agenda.
- Chick-Fil-a: the service is exceptional, the food is phenomenal, and it is just an overall happy place to go.
- Chisholm Trail historic site

- Redeveloped downtown. Kalahari.
- Renovations done to downtown however, I'm disappointed that it's a bar situation and not shops, tourist destination (ie Gruene, New Braunfels, Grapevine). Makes Round Rock not classy. I've lived here for 40+ years and the downtown could be sooo much better.

**Q23a-6. What is the reason for your response in Question 23? [Other]**

- As noted above Kalahari has brought many other retail options and more will follow.
- ATMOSPHERE AND LOCATION
- Brings other businesses in and around.
- Can't say been here to long to changes good but some bad
- City has screwed me over changing zoning. So leaving before they damage us more.
- DELL DIAMOND
- Destination location. The revenue it will generate for the city.
- ENHANCED APPEARANCE AND FUNCTIONALITY
- Fun for all ages
- Great place for families to enjoy time together. Great food and drinks.
- Haven't thought about it.
- HIGH QUALITY AND WELL RESEARCHED IDEA
- I'm not happy with all the growth, it only hurts the residence already here, just makes it more expensive to live in what used to be a nice small town with a small town feel and a cost of living that was affordable. Now people are being taxed out of their homes. Really sad, but I won't be living in Round Rock much longer, like others, it's time to leave my city that's being destroyed by the politicians. No longer do the people make the town, it's now, how many business can you squeeze into the town.
- Its availability to all citizens.
- ITS SPACIOUS
- Its usefulness!
- KID FRIENDLY SAFE PLACE TO PLAY INDOORS
- Mainly the opportunities / uses of the Plaza, also variety of restaurants/bars
- NICE TO WALK AROUND
- PARK FOR GRANDSON
- Preferential water rates for developers
- Promotion of supporting commercial services nearby.
- Service to residents for value price recreation.
- SERVICES
- The building is unique in that it is open air with the high ceilings and wide spaces. It almost has the feel of a smaller festival tent that I saw in Germany with Oktoberfest.
- THE JOY IT BRINGS THE KIDS!
- The park is well thought out and great use of the land.
- This answer not necessary as don't have a favorite.
- USE
- We are getting too big.
- We need more connections on the East side of Round Rock, Old Settlers is getting way too crowded.

**Q24-5. Which of the following are the primary reasons you go to other cities to shop or dine out? [Other]**

- BBQ IN ELGIN AND TAYLOR
- Better and different parks.
- Close to work or traveling.
- Convenience/timing if we happen to be out of Round Rock
- Convenient to location
- Customer service in most round rock establishments is garbage and I'd rather not pay Culpepper's legacy tax to Dell.
- DIFFERENT ATMOSPHERE I.E. DOMAIN
- Different foods
- Different options
- Dislike fighting traffic and parking so go outward not inward
- DON'T DINE OUT, COOK AT HOME.
- DONT I SHOP LOCAL 90 PERCENT
- FRIENDS
- GOING FOR SPECIFIC ITEM OR STORE
- HIGHER END CENTRAL MARKET, SPECIALTY LOCAL RESTAURANTS (ODD DUCK, UCHI, FRANKLINS BBQ, RAMEN TATSU-YA).
- I DO NOT GO TO OTHER CITIES.
- I KEEP ALL THE MONEY HERE IN RR
- I really do my best to stay in Round Rock so my tax dollars stay here.
- I shop here as much as possible
- I TRY TO KEEP MY SPENDING IN RR-I EAT IN AUSTIN ONLY WHEN AT WORK
- I work downtown Austin, so convenience.
- I would rather drive to almost any other community than Round Rock to shop based on how poorly the city is run and how corrupt the city government has become.
- ITS EASIER TO DRIVE TO CEDAR PARK
- just for a bit of variety now and then. I do most of my shopping and dining out locally. Pre-pandemic I would mostly end up eating/shopping in Austin or Georgetown because I had a band I was planning on seeing after the meal at a specific Venue. Or I was going to a specific brewery.
- Less traffic congestion to get there.
- Less traffic. Less wait times.
- Location - My home is located on the far east edge of the city which makes many vendors in Hutto or Pflugerville closer than those in Round Rock.
- Location of places close to home.
- Meet up with family or friends
- MORE ANTIQUE SHOPS
- MORE QUAIN-TOWN, EVEN HUTTO, PUTTING IN SOME CUTE PLACES-ALL WE DO IS NEW SALOONS AND BARS
- MY FAVE PLACES JUST HAPPEN TO BE THERE
- My friends live in Cedar park and Leander so we usually meet in the middle areas or a restaurant that we all can get to easily.
- NOT A LOT OF RESTAURANTS DOWNTOWN.
- Not as congested.
- Old favorites in Austin.

- Online shop, since I can find better prices than any city locally. Don't each out much, too expensive and the restaurants are to crowded and noisy.
- Option not available in Round Rock - Trader Joes, Pappasitos, for example.
- POLICE INTERRUPTION, AND WE SUPPORT THE BLUE!
- Rarely go elsewhere to eat out
- RARELY GO TO OTHER CITIES
- Selection
- SELECTIONS MAY BE DIFFERENT. I HAD A COUPON.
- Service
- SERVICE IS KEY
- Some places are closer in pflugerville or north Austin.
- SPECIALTY DINING SUCH AS THE DRISKLE HOTEL
- specialty merchants
- Specialty store not available in Round Rock, so Austin is nearest option.
- THE SPECIFIC STORES I WANT ARE NOT IN RR.
- TOO MANY FAST FOOD PLACES IN RR
- Traffic and ease of access to stores
- Try to shop and eat locally.
- UNIQUE RESTAURANTS
- Variety
- VIEWS, ENVIRONMENT
- WALKABILITY AFTER ARRIVING
- WE DON'T HAVE A DOMAIN TYPE VENUE.
- WE LOVE ROUND ROCK, AND ONLY SHOP HERE.
- We mainly go to Austin for specialty businesses or a specific restaurant - Terra Toys, Restart CBD, Casa De Luz, Conan's. We also shop the Costco's in Pflugerville and Cedar Park. And Natural Grocer's in Cedar Park or Georgetown (better quality and prices than Sprouts).
- We shop and dine about 99% in RR.
- We shop and dine in Austin a lot less than we did 20yrs ago. However Austin still has shopping options that you can't find in RR; Fry's, REI ""mall"" stores and many boutique stores. We dine in Austin primarily for the big city atmosphere.
- We typically shop and dine in town
- Where places we like are located.

**Q26-8. What do you think are the THREE biggest issues Round Rock will face in the next FIVE years? [Other]**

- Addressing race relations
- Californication ruining Williamson County.
- GRAFFITI
- ILLEGAL ALIENS TIMES 10
- NIGHT TIME CRIME, THEFT, PEOPLE STEALING OUT OF CARS AND FRONT PORCHES.
- Poor planning forcing tax payers to relocate out. City plan and zoning change screwed us over. So leaving as stated herein.
- Quality of Life - Recreation, neighborhood feel
- The police system in Round Rock is corrupt and conservative. It's disgusting that police cars put up political stickers, such as blue lives matter and even the dumb Punisher symbol (who was against law enforcement actually). I would also like to see all references to any religion stricken from police/city property. The few encounters I've had with Round Rock police, they have been rude and aggressive. I'm really glad I'm not Black and live in Round Rock.
- TRAFFIC FLOW DOWNTOWN IS REALLY BAD-USED TO DRIVE OUT TO FOREST ALL THE TIME-GO OUT OF MY WAY TO DO IT NOW

**Q27-8. Which of the following causes you the greatest concern when thinking about the COVID-19 pandemic? [Other]**

- ABILITY OF LOCAL GOVERNMENT TO PERFORM ALL SERVICES
- ABILITY TO OBTAIN COVID 19 VACCINE
- Another concern I have is the loss of our civil liberties and our government (s), especially our federal government, taking power and control over our lives.
- Church's options to serve other's, share the gospel and worship God.
- DEPRESSION DUE TO PEOPLE'S ISOLATION.
- DICTATING MASK, FEAR MONGERING OUR RIGHTS
- Establishing an end date when we get back to normal.
- GYM SAFETY
- HOARDING
- INADEQUATE HEALTH CARE WORKERS
- KIDS MISSING SOCIAL TIME WITH FRIENDS
- Lack of enforcement of mask rules, etc.
- PANIC BUYING
- PEOPLE NOT FOLLOWING GUIDELINES
- President Harris, Pelosi and Schumer will make it worse not better. And will waste my tax dollars bailing out. Failed democrat-liberal messes like CA, NY, MI.....
- Safety and health of teachers and other essential workers
- TEACHERS REQUIRED TO WORK IN UNSAFE CONDITIONS
- The lack of firm guidelines in Round Rock on wearing masks, keeping bars closed, and not allowing public gatherings. I have leukemia and my roommate is battling breast cancer. It makes me sad Round Rock seems careless about COVID-19.

**Q28-10. Which of these employment challenges are you or someone in your household facing (or likely to face) due to COVID-19? [Other]**

- AS LONG AS ECONOMY IS OK, MY WIFE AND I WILL HAVE A JOB.
- being forced into early retirement because of work arrangement changes.
- COMPANIES NOT HIRING, TOO MANY MIGRANTS FROM CALIFORNIA
- DEMOCRATIC TAKE OVER OF OUR LIVES = MANDATES
- ECONOMIC HEALTH
- HUSBAND HAD TO TAKE EARLY RETIREMENT.
- KIDS VIRTUAL LEARNING NEEDING SUPERVISION AT HOME, WIFE HAD TO QUIT JOB.
- Lack of employment. I have been unemployed for a year.
- LACK OF INTERNET CHOICES
- Laid off due to country fear of senile President Biden 200 million dead statements.
- LOSS OF HEALTHCARE FROM LOSS OF JOB
- Loss of job from economic slowdown
- Loss of job of adult child, moved in with us.
- MY JOB AS A CSR LEAD HAS BEEN PUT ON HOLD IN AUSTIN UNTIL VIRUS NUMBERS ARE LOWER
- Not adequate space at home for 2 working adults and 2 students to all be in the same space.
- NOT WORKING
- PERMANENTLY LAID OFF
- Recent graduate looking for job opportunity
- TEMP SALARY REDUCTION TO WEATHER THE STORM.
- The cost of goods and services have gone up.
- Unemployment

**Q29-6. What would cause you to be more likely to attend large events, e.g. Music on Main, July Fourth Frontier Days celebration, etc.? [Other]**

- 1 YEAR AT LEAST
- As long as masks are mandatory in the day light I will not be attending. If they are optional I have no issue attending given UV has been proven to kill this thing almost immediately.
- COMMON SENSE
- Events must be outdoors for me to consider them.
- Get true facts not pelosi/liberals facts on Covid. I had Covid: it is not worth the FEAR and DESTRUCTION that pelosi and Biden created to maintain their power base.
- Herd immunity established post-vaccine, we will not attend any event until that happens
- Herd immunity.
- High risk
- Higher risk category - can't attend any of those activities except by internet.
- I am likely to attend anyway!
- I am not planning to attend any event with crowds.
- I do not usually attend large events.
- I don't think we should meet in public with a lot of people. Bad idea.
- I HAVE NO CONCERNS ATTENDING EVENTS-NOT WORRIED ABOUT COVID
- I think all entertainment venues should open with no restrictions and no requirement to wear masks.
- I WOULD GO WITHOUT A MASK, PEOPLE SHOULD STAY HOME IF VULNERABLE
- I'm comfortable attending events.
- mandatory vaccines
- NO LARGE EVENTS
- NO MASKS!
- Not a concern for COVID
- NOTHING DURING COVID.
- Our decisions are based on difficulty for traffic/parking, availability of seating, food choices and restrooms for family who are elderly and/or very young.
- Pandemic over is when we will go out to public events.
- Parking
- PEOPLE COMPLYING WITH MASKS AND SOCIAL DISTANCING.
- People will not follow covid protocols. They are more worried over their right infringement than COVID might actually be real and a serious danger.
- Put it back downtown.
- stay home, stay safe
- THE CITY NOT BEING CONCERNED ABOUT COVID.
- The end of the pandemic!!!!
- THE EVENT ACTUALLY BEING HELD
- We don't typically attend these at all.
- We should all take responsibility for our own health choices. Round Rock should open back to normal. Those that don't want to get sick can stay home, wear masks etc. The freedom of health people should not be infringed.

**Q40. If you have any other comments to improve city services, please enter them below.**

- A local Round Rock News paper would be helpful for local Residents
- A signal revision could be warranted at the intersection of Old Settlers and Sunrise. The left turn time is too short. Coming out of church, after school drivers and bus travel becomes dangerous. Drivers make a run for it trying to turn left.
- Ability for more trash to be collected than fits in bins or recycling. Better info for lawn clipping removal.
- ADD GREEN RECYCLING TO HOUSEHOLD SERVICES, MORE SO IN SUMMER. FORM CITY ADVISORY GROUPS ON KEY AREAS. I CAN PROVIDE SOME EXAMPLES IF INTERESTED. 714-656-8819
- ADDRESS THE CRIME IN MY NEIGHBORHOOD AT NIGHT.
- ALL IS GREAT. PLEASE TRY TO KEEP PROPERTY TAXES DOWN
- As a Paramedic that works in another county, but lives in Williamson County / Round Rock, I always want to point out how excellent of EMS services you have in Round Rock. Williamson County EMS ranks in the top 10 in the country for EMS services. This is a great organization and the city should continue to partner and fund this service well into the future.
- Be nice to have a downtown theater to attend performances and other things.
- BEING IN AN AREA YOU CAN AFFORD TO LIVE. PEOPLE PICKING UP DOG POOP.
- BET THE BRUSHY CREEK TRAIL DONE!
- Better road planning on Hwy79. Hate the proposed plan!!!!!!
- Better traffic enforcement of moving violations such as speeding, red light running and left turn lane violations.
- Biggest threat is the feral hog problem. I do not see it being addressed by the city.
- Bringing Kalahari into Round Rock on hwy 79 is going to be terrible once the covid-19 is over and people will be packing the roads. Providing my address on the following page makes takes away from this being private and anonymous.
- CITY BUSES NEED TO SLOW DOWN WHEN DRIVING THROUGH NEIGHBORHOODS
- City codes for Garage Sales. A person cannot have Garage Sales even if they follow all of the city codes. Enforcer person shuts every garage sale down in my neighborhood. I network with my neighbors and everyone is complaining. Plus the woman enforcing codes is rude, disrespectful, discriminatory, extremely unfriendly and very rude when interacting with the public.
- City of Round Rock jobs need to match City Of Austin jobs and salary. This will help eliminate traveling into Austin for jobs.
- CONNECTION OF HIKE BIKE TRAILS ALONG BRUSHY CREEK; ABILITY TO STAY ON TRAIL FROM SAN ANTONIO ST TO HAIRY MAN RD-CONTINUE TO GROW PARKS WITH CITY POPULATION GROWTH
- CONTINUE TO NOT LET PANHANDLERS COME OR HOMELESS AND TENTS; OPEN UP OUR CITY, NO MASK UNLESS YOU WANT TO WEAR ONE; GET KIDS BACK IN SCHOOL
- Craig Morgan and every other city council member that voted to move the vote from May 2020 to May 2021 despite their being a November election in between at a minimum should resign and I believe belong behind bars for what they attempted to do.
- De-escalation training for law enforcement. Decreased rate of growth in population and traffic.
- DO NOT DEFUND THE POLICE
- DO NOT DEFUND THE POLICE. AUSTIN MAY THINK THEY ARE NOT NEEDED BUT THEY ARE. THEY ARE APPRECIATED
- Don't make hwy79 a freeway. No one will profit from it.

- DON'T GIVE PEOPLE CITATIONS THE NIGHT BEFORE TRASH PICK UP. I HAD BULKY FURNITURE PUT OUT AT 2PM THE DAY BEFORE TRASH DAY AND GOT A CITATION IN THE MAIL.
- Don't radically change things. Fewer apartments and more high end housing options will keep Round Rock a great place to live.
- DUE TO THE PRESENCE OF KALAHAIR AND THE INCREASED TRAFFIC IT WILL BRING TO ROUND ROCK, WE ANTICIPATE MOVING ONCE OUR CHILDREN GRADUATE. WE DO LOVE ROUND ROCK SCHOOLS.
- Finish those DAMN quiet railroad crossings already for Gosh sake
- FIRE EVERYONE INVOLVED WITH YOUR SOLID WASTE AND UTILITY SERVICES AND START OVER WITH PEOPLE WHO CARE ABOUT THEIR JOBS
- FIX ALL NEIGHBORHOOD STREETS; EXTEND EAGLE NEST TO N MAYS ST AND I-35 WOULD HELP ALLEVIATE CONGESTED TRAFFIC OLD SETTLERS RD AND UNIVERSITY BLVD
- FIX I-35 TRAFFIC, PERIOD!!!
- Fix the bridge at Mays, over the railroad track.
- Fix the traffic light timing, city street maintenance(landscaping mainly as it looks terrible on US79 and many other City roads), increase the # of parks and open spaces
- Get liberals out. Way too many moving in to power in RRTX, just like destroyed Austin
- GET ROUND ROCK AND NOT GEORGETOWN SHOWN ON WESTERN MAYOR ON TV
- Get the water rates fixed --you cannot equate postage stamp sized yards with normal sized yards!
- Great foresight and carry through seen in planning for growth- keep up the wonderful work! The Parks and Rec staff are second to none!
- Growth is good, except when it is at the cost of quality of life
- Having a choice of fiber would be great
- Hold Property Taxes down for elderly. Don't tax elderly Homeowners out of their homes.
- I 35 TRAFFIC IN ROUND ROCK IS VERY POOR. THE BOTTLE NECK ON SOUTHBOUND 35 WHERE TRAFFIC NEAR 620 MERGES IS HORRIBLE. FEEL LIKE NOTHING HAS BEEN DONE TO ADDRESS THIS.
- I AM LOOKING FORWARD TO THE NEW LIBRARY.
- I believe proactive community policing instead of reactive policing is becoming more necessary to reduce the increase in quality of life issues such as speeding, racing, aggressive driving. In addition, code enforcement for blocked driveways and unleashed dogs need better enforcement and education.
- I DO NOT LIKE THAT ROUND ROCK ALLOWS RVs, BOATS, TRAILERS, BROKEN DOWN CARS, ETC TO BE PARKED IN FRONT OF RESIDENTIAL HOMES 365 DAYS A YEAR. A FEW YEARS AGO, I CALLED AND TOLD THAT ROUND ROCK CONSIDERED ITSELF A RURAL COMMUNITY, WHICH I DONT THINK IS TRUE GIVEN ALL THE DEVELOPMENT. THESE THINGS ARE EYESORES THAT MAKE THE NEIGHBORHOODS LOOK LESS NICE AND NO MAJOR CITY ALLOWS THESE KINDS OF THINGS. PLEASE CONSIDER CHANGING
- I do think the city does a good job.
- I FEEL THAT THE TIME IS DRAWING NEAR THAT I WILL BE PRICED OUT OF MY HOME WITH HIGHER PROPERTY TAXES. WITH THE INFLUX OF RESIDENTS THAT WERE PRICED OUT OF ATX AND TEXAS IN GENERAL. IT WILL BE MORE ADVANTAGEOUS FOR US TO SELL AND MOVE TO MORE AFFORDABLE ACCOMODATIONS. I DON'T THINK RR CAN KEEP UP WITH GROWTH.
- I have always been impressed with Round Rock. We moved here in 1985, we raised 3 children and they went through neighborhood schools and graduated from Stony Point. I have loved

Round Rock for many reasons. I do worry as I get older whether I will be able to afford to live here during retirement. I will be sad to leave, if I can't afford to stay due to taxes. We have had many good leaders that had a vision for Round Rock and many things have been done to make Round Rock great. Randomly, I would like to have the street sweeper come more often. I remember when we didn't have a street sweeper because I called once and that is what I was told. I thought no street sweeper? LOL Garage Sale code enforcement. LOL Please do not set his hours so early. How do we know where the garage sales are if CE takes the signs away? LOL. On University Blvd by the little bridge on both sides the road continues to erode. I notice street maintenance repairs that area and it continues to erode and have a hole again. I know the streets are a lot to keep up with and I think the city does a good job. With Kalahari opening, I haven't noticed Hwy 79 being too bad. But really since COVID, I don't get out that much. I guess traffic is doing ok in that area, but not sure. Thank you for the beautiful parks and the rec department. Please continue to plant trees and flowers. I love having flowers planted at intersections. I think others do, too. I remember the daffodils that were planted. So beautiful. Please keep Round Rock beautiful by continuing to remove weeds, trash, and other debris from our streets and grassy areas. Thanks for all the City workers and board do to make Round Rock a great place to live.

- I HAVE NOTICED THAT SINCE THE PANDEMIC THE CITY OF ROUND ROCK HAS NOT OFFERED FOOD BOX DISTRIBUTIONS. THE CITY OF AUSTIN HAS THESE TYPES OF DISTRIBUTIONS ALMOST WEEKLY. I KNOW THAT ROUND ROCK HAS THE SERVING CENTER BUT THAT SMALL PLACE CAN ONLY OFFER BUT SO MUCH
- I like the growth, I just hope my taxes do not go up. I am on a fixed budget.
- I LOVE LIVING IN RR. I WILL NEVER MOVE.
- I love Round Rock. I'm tired of the chain eating and shopping. Tired of the old and run down looking strip centers.
- I love RR. I raised two kids here. Both born at RR Hospital. The best quality of students that I have had the pleasure of teaching for over 29 years is how they love our town and want to represent well.
- I love this city. It is getting crowded more but that is to be expected. When you have planning and follow through like RR does, it's going to happen. Great job ppl.
- I LOVE THIS TOWN, LIVED HERE MY ENTIRE LIFE-SEEN IT GROW FROM 16000 TO WHAT IT IS TODAY-FREAT JOB
- I STILL APPRECIATE MAILED COMMUNICATION. EMAIL INBOXES ARE SO FULL OF SPAM AND UNSECURED SENDERS.
- I think the city is doing a great job with services. Only areas for improvement are:
  - Cutting weeks on public sidewalks during summer/fall
  - Better traffic planning - IH-35 and Rte 79
  - More nature trails for walking/running/biking (Brushy Creek and Wilco Park good, but would like at least one more option)
- I want to ensure our first responders and firefighters have all the equipment, PPE, support, staff that they need to keep us safe during these unstable times!
- I WOULD LIKE MORE LITTER PICKED UP ALONG ROADS AND PARKS. COUNTY ROAD 127 SPECIFICALLY. CONCERNED ABOUT THE EXPANSION OF 620 WITH BRIDGE AND ROUND A BOUT. WOULD LOVE TO SEE MORE MIXED USE DEVELOPMENT WITH GOOD WALKING. WOULD RECOMMEND A CONNECT WITH US SOCAIL MEDIA CAMPAIGN.
- I would like to see some kind of scaled charges for curbside trash/recycles pickup. I regularly only have trash to pick up every 2 or 3 weeks (half of the normal weekly schedule), but I pay the same for the service as someone who has trash for pickup every week. The same goes for the recycles.

- I would like to see the baca center require mask in the work out area. Last time I was down there the young people had took over the gym and there was no mask wearing and I went down there at noon when hardly anyone use to be down there. When I go to the park the younger people walk right by you with out a mask it seems like on the weekends you can't even go down there if you go to the dog park no one has a mask on. So it seems like the older people can't even go outside.
- I WOULD LOVE TO WORK IN ROUND ROCK, THE CITY I LOVE. I HAVE NOT FOUND ANY PROGRAMS LIKE AUSTIN HAS WITH THEIR DOWNTOWN COMMUNITY COURT. COMMUNITY SERVICE RESTITUTION PROGRAM. I WOULD LOVE TO TALK TO SOMEONE ABOUT GETTING THE PROGRAM ESTABLISHED IN ROUND ROCK.  
KRIS NEWMAN 512-573-5246
- I'm really looking forward to seeing the Brushy Creek trail completed on the west side of I35. I'm also interested in what happened to the bond that passed many years ago to build a rec center on the west side of Round Rock. Finally, we need better public transportation options. We need a rail line that hooks into the one Austin is building out.
- Improve mask mandates with actual penalties for not wearing masks and fix your police department. I think Office Gleason will bring transparency and honor back to the Round Rock police force. <3
- Intersection on the north edge of Randalls, on Gattis School Rd is super crazy dangerous! The smaller intersection from Randall's parking lot onto Gattis School. Lights are messed up.
- IT REALLY BOTHERS ME TO SEE THE WEEDS AND TALL GRASS ON THE ROADSIDES; THE TRAFFIC ON I-35 IS HORRIBLE AT ALL TIMES OF THE DAY
- Keep on Keeping on
- Keep the city small. If people want to live in the big city then move to a big city. Don't make a once small city big.
- KEEP THE POLICE WELL FUNDED, AS WELL AS OTHER FIRST RESPONDERS
- KEEP THE RECYCLE CENTER ON DEEPWOOD-THIS IS AN AWESOME SERVICE FOR RESIDENTS AND THE STAFF THERE IS GREAT, TOO
- keep up the good work
- KRESBACH SWIMMING POOL NEEDS DAILY LAP SWIM FOR ADULTS NOT JUST DURING DAILY POOL HOURS AS CREEKMONT POOL DOES.
- Let's engage the community in courageous conversations about race. Meet with the groups that are here in the city trying to make Round Rock safer for people of color.
- Like to have more companies to move here so we can have more jobs in future
- LIMIT BARS, HAVE CODE ENFORCEMENT MORE ACTIVE IN CITING TRASHY AREAS/HOMES.
- LISTEN TO RESIDENTS WHEN THEY SAY A TRAFFIC LIGHT TIMING IS WRONG AND NEEDS TO BE CHANGED!
- LIVE IN FLOOD PLAIN. AFTER 2010 FLOOD, CITY WORKING ON INCREASING DAMS ON LAKE CREEK AND RATTAN TO GET US OUT OF THE FLOOD. 2-3 YEARS CITIZENS INFORMED OF PROGRESS. ALL COMMUNICATION HAS STOPPED. STILL IN FLOOD
- Local business watering schedules - fine them if they leave them on in the rain.
- Love our Mayor. Our waste/recycling people are exceptional! Thank you to all our city services.
- Love the library and I'm looking forward to the new building!
- Love the new May's extension. Please add a sidewalk to the bridge between Popeye's and Starbucks on University
- Love to live here. Maybe selfish but Red Bud Ln should be five lanes in total all the way from i-45 to Highway 79. Also, I-45 from I-130 to I-35 should be free of charge.
- Manage smart ahead growth plans with maintaining the low taxes.

- More parking for the library.
- MOVING TO ROUND ROCK TX HAS BEEN A REAL PLEASURE TO US. WOULD NOT THINK ABOUT MOVING. ROUND ROCK CAN TAKE GREAT PRIDE IN THIS WONDERFUL PLACE TO WORK, RELAX AND LIVE IN TEXAS
- MOW GRASS AT LIGHT INTERSECTION 1431 AND UNIVERSITY BLVD
- MY CONCERN HAS BEEN BULK PICK UP SINCE IT HAS CHANGED. I BELIEVE IT SHOULD BE TWICE A YEAR FOR FREE.
- Need more business development on the west side along FM 620. Like nice places to eat out. Not fast food.
- NEED SCHOOL ZONE BEHIND RIDGEVIEW MIDDLE SCHOOL, DOWN RUSH ST WHEN SCHOOL RETURNS IN SESSION.
- NEED TO GET A HANDLE ON PROPERTY TAXES -GOING TO FORCE US TO MOVE WHICH WE DONT WANT TO DO
- Need to spend our tax money wisely. I understand our growth, water park tax sales revenue for the city needs to be managed in a responsible manner. Our property taxes are getting too high which will drive many residents to counties with lower tax rates. Households with no children or children out of college, are moving out of Round Rock. I see this happening in Austin as well, which has more problems than Round Rock. Just praying Round Rock does not become another Austin.
- Need traffic lights from Forest Ridge Blvd. left turn to Red Bud Ln.
- No feedback on improving city service, just worried about my ability to remain living in Round Rock if the taxes continue to become an increasing percentage of my outflow.
- NO MORE APARTMENTS!!
- north bound IH35 access road to Sam Bass Rd. (left) needs to be 2 lanes
- OLD SETTLERS PARK NEEDS BASKETBALL COURTS
- PAINT LANES ON I-35 AND STOP THE BOTTLENECK WITH THE OPEN BLACKTOP. LOOK AT IT. STOP WASTING OUR GAS AND STOP THE ACCIDENT YOU DESIGNED.
- People employed at grocery stores and other public places must be encouraged to wear face-masks
- Please change rules so venues that allow outdoor performances have to follow the city's noise level ordinances (and don't have an exception to have the noise level higher than what the city allows). We live 3 miles from the Dell Diamond. Often when there are concerts at the venue we hear the performance here inside our house. It has been loud and booming ,and they continue for hours into late at night.
- PLEASE CONSIDER WEEKLY RECYCLE PICK UP. ALL HOUSES IN THE AREA ARE IN DIRE NEED OF IT. FORCES US TO FILL OUR TRASH WITH RECYCLING MATTER. WHAT IS THE POINT OF RECYCLING THEN?
- Please continue to make parks and open space available. How about a public birdwatching park?
- Please enforce traffic and parking issue in neighborhood.
- Please expand Red Bud Ln between Gattis School Rd and Forest Creek!
- PLEASE FIX THE TRAFFIC LIGHTS-SOME ARE ON A TIMER EVEN WHEN A SENSOR IS PRESENT. ITS SO SPORATIC AT TIMES THROUGHOUT THE WHOLE CITY. THIS IS A MAJOR CONTRIBUTOR TO THE TRAFFIC ISSUES AND BACKUPS
- PLEASE FIX TIMING ON THE LIGHT AT MCNEIL AND 172. BEEN OFF SINCE CROSSING WORK. LOTS OF GREEN ON WITH NO CARS. NEEDS NEW STUDY.
- PLEASE MAKE A LAW PROHIBITING BIKE RIDERS ON CITY STREETS THAT HAVE NO BIKE LANES.

- PLEASE TELL TRASH PEOPLE TO PUT CAN CLOSE TO THE GATE, ON THE STREET WE GET COMPLAINTS. PATCH UP HOLES BETTER ON THE STREET. ADD SPEED BUMPS. DURING THE SUMMER FLYS COME OUT OF THE TOILET. WHY?
- PLEASE UPHOLD CODE/PARKING REGULATIONS. LAST SUMMER I CONTACTED THE CITY AND THEY CLOSED MY TICKET WITHOUT ANY RESOLUTION. SEC. 42-317-CODE 1995 AND 9.1815.
- Please work to lower apartment rents so younger adults can afford to live.
- POLICE PRESENCE AT NIGHT, PEOPLE BREAKING INTO CARS AND PROPERTY DAMAGE/THEFT.
- Police presence in my neighborhood would be great.... more and more petty crime as well as incidents of strangers walking in the neighborhood and attempting to open doors... going into back yards etc.
- POLICE SERVICES-WE NEED MORE POLICE MONITORING TRAFFIC VIOLATIONS. EVERY NIGHT AND SOME DURING THE DAY- WE HEAR CARS RACING ON FOREST CREEK RD, GATTIS SCHOOL RD AND HWY 45. I PREDICT A BAD ACCIDENT WITH INNOCENT VICTIMS IF SOMETHING ISNT DONE SOO; LOVE, LOVE, LOVE RABB PARK AND THE TRAIL WITH NEW EXTENSION. CAN SOMETHING BE DONE TO THE DOG PARK? MORE AREAS FOR LESS AGRESSIVE DOGS? THANK YOU
- PROPERTY (SCHOOL) TAXES ARE WAY TOO HIGH AND IT APPEARS A LOT OF WASTE IS OCCURING AS THERE ARE CONSTANT NEEDS FOR BOND PACKAGES- STOP THE WASTE.
- PROPERTY TAXES GOING HIGHER AND HIGHER EACH YEAR.
- Public transportation, high quality drinking water
- PUT UTILITY LINES UNDERGROUND-ABOVE GROUND LINES REALLY DATES MY AREA-IT WILL LOOK SO MODERN WITHOUT THEM; BURNT OUT STREET LIGHTS NEVER REPLACED ON MY STREET; ADDITIONAL STREET LIGHTS NEEDED ALL OVER CITY; MONTHLY-MINIMUM-HEAVY TRASH PICKUP INCLUDED WITH THE BILL; I MOVED HERE BECAUSE I LOVED THE TREES THAT LINED AND SHADED MY STREET-NOW, DUE TO THE POWER UTILITY COMPANIES OVER TRIMMING-MOST OF THOSE TREES HAVE BEEN KILLED OFF BOTH IN FRONT AND BEHIND MY HOUSE. THEY DON'T REPLACE THEM EITHER, AS CITY LAWS DICTATE. ONE HUGE OAK TREE IS CURRENTLY BEING SPLIT IN HALF. THEY ARE DOING AS THEY PLEASE-THE UTILITY COMPANIES.
- Rail way transportation
- REMEMBER THAT CITY POPULATION IS MADE UP OF MANY RACES AND ECONOMIC LEVELS, NOT EVERYONE HAS ACCESS TO A CAR. ALSO- TRUE SOCIAL MEDIA.
- Responsibility for I35 luminaries. many, many light are burned out, for years within city limits - State Administrative code Title 43, chapter 25.11.. Round Rock has this responsible.. city refuses to comply for past 10+ years. Every time I call its a circular discussion => Oncore => TXDOT => Round Rock. So frustrating. Hopefully someone reads this.
- Round Rock is amazing for families. Continue to offer family friendly events and youth programs. Keep our neighborhoods safe, clean and fun! Keep our parks beautiful!
- RR DONUT 5K WAS TERRIFIC ADDITION-MORE OUTDOOR, HEALTHY COMMUNITY EVENTS WOULD BE GREAT
- RRISD needs to stick with their own plans and not follow AISD. Go against the grain, stand out and provide children the education they deserve.
- RRPD NEEDED AT DOWNTOWN RR.
- Sad to see no green space available. We need more than 2 internet companies. Increased gunshots, robberies and drug deals at high schools. Drag racing on Grimes.

- Separate sidewalks from roads to make them safer for kids on bikes/scooters
- SET UP CITIZEN COMMUNICATIONS TO HELP WITH SOME OF THE ISSUES INSTEAD OF GROWING GOVERNMENT. I AM A FORMER RRDSB BOARD TRUSTEE, WORKS WELL AND SAVES MONEY.
- SOLVE I-35 CONGESTION IN ROUND ROCK AND THANK YOU FOR MANAGING A GREAT CITY-HAPPY TO BE HERE
- SPEED BUMPS NEEDED ON STONE OAK DR AND FLOWSTONE LANE
- Stop delivering local newspapers to me
- TAP WATER IS NOT AS CLEAN AS IN AUSTIN. ASHY STUFF SETTLES ON THE SIDES OF POTS USED TO BOIL WATER. MY FAMILY DRINKS BOTTLED WATER WHICH COSTS MORE.
- THANKS FOR ASKING FOR FEEDBACK. I ASSUME AGGREGATE RESPONSES WILL INFLUENCE DELIVERY OF SERVICE, FUNDING, POLICY ETC.
- The Brushy Creek Trail is exceptional. I look forward to a time when I can ride a bicycle from Red Bud Trail to Hero Way in Cedar Park without riding on any streets. Right now the path needs closure of a few gaps to that end.
- The city has done very little to help downtown. I really feel like the city wants to push out Hispanic and take over the flats.
- The city should have several "big bulk" pick up during the year.
- The existing parks and hike & bike trails are wonderful, but there are lots of neighborhoods that can't safely reach them because of major roadways.
- The intersection at FM3406 (Old Settlers) and Creek Bend has had a LOT of accidents, some pretty serious. I believe this could be avoided if it had a blinking yellow arrow instead of the sign that indicates not protected on solid green light. This seems to confuse a lot of drivers. The other lights around this intersection all have the blinking yellow and I don't believe there have been as many accidents in these locations.
- The intersection at university and IH35 is ridiculous. It is counter-intuitive and just seems to gum up a high traffic area.
- THE LIBRARY IS GREAT AND WE LOOK FORWARD TO LARGER BOOK SELECTIONS. RECENT COMMERCIAL DEVELOPMENT ON HWY 79 NEAR KALAHARI LOOKS LIKE UNMANAGED URBAN SPRAWL. THE CITY SHOULD KEEP FOCUS ON QUALITY, ATTRACTIVE DEVELOPMENT TO BRING VALUE TO THE CITY AND ITS APPEARANCE. LEAVE THE BEHRENS RANCH GREEN SPACE UNDEVELOPED AND KEEP MORE UNDEVELOPED LAND. MAINTAIN QUALITY ETHICS OF POLICING, INCLUDING MANAGING SAFETY IN FACE OF GROWTH, KEEPING POLITE NEIGHBORHOOD OFFICERS AND HAVING SOCIAL SERVICES FOR EMERGENCIES THAT ARE BEST HANDLED BY NON POLICE RESPONDERS.
- The person who handles City of RR Facebook page is amazing
- THE STREET LINES THAT DIVIDE THE LANES NEED PAINTED MORE OFTEN SO YOU CAN SEE WHAT LANE YOU ARE IN.
- The Traffic Diamond at I35&1431/university is absolutely horrible. I don't know who came up with mess but it really sucks! The traffic is worse than what was before. There should be 2 lanes to go North coming from 1431 heading east. The one lane traffic to go north is absurd! The entire intersection is absurd. Huge waste of money!! Why in the world ISD the city waste so much money and resources in the sidewalk, that never gets used, that runs along the I35 frontage south bound and goes under the bridge around to the traffic lights at an already ridiculous intersection. The sidewalk is huge and goes all the way down to Rudy's and now there's one the opposite along the i35 frontage north bound. HUGE WASTE OF money. I have never seen a single soul on this sidewalk since it has been built years ago. Also, why is it that residential streets in lower priced neighborhoods have crappy looking streets and only get 1/2 paved and never completed and

higher priced neighborhoods always have nice looking streets and always completely paved. This IS discrimination!! All neighborhood streets should look the same. Many city officials and chief of police streets are always in great condition and look nice and not half assed paved and have two-streets.

- This is silly, but I would love a beautiful, walkable holiday themed event in Old Settlers at Christmas. High end showcases of some sort. Something for families to enjoy but not cheaply done lighting. Also, maybe a charity raising Festival of Trees or something. Halloween corn mazes. holiday events that everyone of all ages find spectacular and draws crowds. Memory makers. I see a serious problem with car burglaries. I'm not sure why these aren't being stopped. It's the only crime complaint I hear about.
- TOO MANY TRAFFIC POLICE
- Traffic and overcrowding is definitely an issue in RR. Also please stop adding fluoride to the drinking water. Look it up ~ fluoride is poison, not something we should want to be consuming. Water fluorination is essentially mass poisoning. Not good.
- TRAFFIC CAUSED BY RR SERVICE CENTER IS GETTING OUT OF HAND-PARKING IS NOT ADEQUATE AND SHOULD BE ADDRESSED
- Traffic is a nightmare, the lights couldn't be timed worse if you let a blind 3rd grader program them and the transportation department's customer service is pathetic and they have 0 interest in addressing the issue but rather deflect.
- TRIM TREES AROUND CITY LIGHT POLES AND TRANSFORMERS.
- Under the code enforcement section there was nothing about enforcement of the Sidewalk codes. In the South Creek Neighborhood specifically we have a huge problem with people not trimming their trees to 8feet above the sidewalk or blocking the sidewalk right of way with cars in their driveway which forces children and other pedestrians into the street. Also there are way too many ant beds along public sidewalks and walking trails, as well as dangerous plants like poison oak/ivy, and Santa Maria Feverfew.
- University Blvd is a mess. Road has poor infrastructure, always a back up. We need more bus services, it stops at Sunrise, there is no service East of that. Add more buses!
- VEHICLES BEING PARKED ALONG THE STREETS IN THE FOREST CREEK NEIGHBORHOOD
- Very important to enforce city codes, especially violators that leave junk in their yards. Too many people using the road as a parking lot. Enforce the speed limit on Gattis School Road
- WE ABSOLUTELY LOVE THE EVENTS THE CITY PUTS ON FOR FAMILIES... WE ESPECIALLY LOVE THE NIGHT RIDER FAMILY BIKE RIDE EACH SUMMER AND THE CHRISTMAS LIGHT SON THE LAKE AT OLD SETTLERS PARK. MY MAIN SUGGESTION WOULD BE TO INCREASE THE PROGRAMMING FOR CHILDREN AT THE LIBRARY. HAVE MORE SPECIAL EVENTS (OTHER THAN STORY TIME) FOR THE PRESCHOOL KIDS AND MORE SPECIAL PROGRAMS IN THE SUMMER FOR ALL KIDS.
- We like living here, sorry I am not familiar enough with all the issues you included (maybe it's a good sign ;-)).
- WE LIKE LIVING IN RR, BUT WISH FOR MORE SENIOR EVENTS. MORE MUSICAL EVENTS AND JULY 4TH PARADES ON MAIN STREET.
- WE LOVE OLD SETTLERS PARK. IT IS ALWAYS CLEAN AND WELL MAINTAINED. EXCELLENT USE OF TAX DOLLARS
- We need more police presence on the roads and in neighborhoods. It would help with residential crimes such as home and vehicle break-ins. Please fix the wavy roads in South Creek Subdivision.
- We need recycling services every week

- We need restrooms at Joe B Freeman Park. There are no restrooms on the trail we go to walk. This is important for children and the elderly.
- We need to do more earth days I think if residence could have attest 2 times a year clean up I think it would make the Residential property look a lot better
- We would like to stay in round rock more for shopping and eating out. The increase in traffic on 35 and 79 are frustrating. We left austin, one reason, because of traffic. We would prefer to stay close to home and avoid 35 if possible.
- While there is very little (known) homeless issues in the Round Rock area, Austin and Pflugerville have been experiencing greater and greater issues in regards to having a homeless population. Proactive work in building homeless shelters, and programs designed to help homeless/jobless individuals "get back on their feet" would prevent this issue from increasing in Round Rock, while also helping to combat the issue in the greater Austin area as well. Social programs, shelters, food banks, etc. would all fall under this umbrella and are not topics currently discussed in Round Rock, despite how great of an impact investment into these programs would be. Even for low income families, who are not "homeless" would benefit from these safety nets, allowing them to have more economic freedom to be re-circulated into the local economy. Similarly the success and large usage of resources like Goodwill (like that built on 620) have benefitted even the more 'affluent' groups in the city (despite a fair bit of pushback from these same groups at the development of this specific establishment).
- Widen Red Bud and other 2 lane streets to 4 for better traffic flow. Provide smaller city swimming pools at smaller neighborhoods such as Forest Ridge
- WIDER SIDEWALKS TO ACCOMMODATE BIKE AND WALKERS-RUMORS MAYBE TRAILS TO CONNECT MORE OF THE PARKS
- Work for the good of the city and not for what the job can do to increase their personal financial status.
- Work with small businesses in the area more to help them with the loss pdf sales. I own a food establishment that has been hit very hard and could use assistance to stay open. Our landlord has not worked with us at all.
- WORK WITH TAXES YOU HAVE-DETERMINE NEEDS BEFORE WANTS-LOWER TAXES
- Work with TXDOT to improve I-35. A braided ramp is needed south bound near Hester's Crossing. Find ways to have a faster non 35 North/South option for West Round Rock.
- WOULD BE NICE TO HAVE A DOWNTOWN SQUARE AREA-PEDESTRIAN FRIENDLY-SIMILAR TO GEORGETOWN WITH NICE SHOPS AND RESTAURANTS-VERY HAPPY IN RR-WHICH IS WHY WE ARE STILL HERE-CONCERNED ABOUT GROWTH AND TRANSPORTATION
- Would like to see more expansion, support for higher edu action in Round Rock. Full programs at A&M and TSU
- Would like to see more tech and office jobs come to Round Rock. Also, I would like to see newer housing development have a minimum of 1/2 to 1 acre of land for the lot. This would reduce water runoff issues and lessen traffic volume.
- Would love to have more than one choice(Spectrum) for internet. We have lost power several times over the past few years, which is very frustrating. Please, can you find a way to enforce private use of fireworks.
- WOULD LOVE TO SEE COMPOST SERVICES ADDED TO WASTE AND RECYCLING COLLECTION
- Would not know where to start We love the old Round Rock
- Yes, under NO circumstances should ANY of our elected officials entertain the idea of Defunding our police, firefighters, and emergency services. These services are critical to the success of Round Rock.
