Check off a box each time you earn 15 points.

- 15 points is 15 minutes of reading, or one complete book.
Tip: Count the way that earns you the most points.
It's okay to count minutes sometimes, and books other times.
- Earn more points with missions in the online log.

Earn a Book Buck every time you record 300 points in the online log. You may earn up to 1200 points, total (4 Book Bucks). Redeem your Book Bucks for books and prizes at the library June 21 - August 2, 2021. Also, raffle prize winners will be chosen through the online logs.
