I take photos to make people feel good, to cherish moments of love, laughter, creativity and fun, to capture who they are as an individual. I enjoy photography as my preferred creative outlet.

Athena Silversmith | Claudio Lopez

www.athenasilversmith.com

Since an early age, I cultivated drawing and art. I remember visiting jewelry design shops with my dad who owned a jewelry and watch retail business in Mexico City. I was fascinated as I watched the masters work with gold, silver and stones and then polish the pieces into shiny jewelry.
