

Water Conservation Program Lawn Aeration and Compost Rebate

This rebate applies to Residential and Commercial properties for the combination of aeration and compost application lawn services. These lawn services help reduce water usage, improve lawn health to promote deep root growth and reduce water runoff.

APPLICANT INFORMATION:

Name (same as utility bill): _____ Water CID-Account #: _____

Physical Address: _____ Zip: _____

Rebate Mailing Address (if different): _____

Email: _____ Phone: _____

REBATE INFORMATION:

Core Aeration Performed By: _____ Date work completed: _____

Compost Installed By: _____ Date work completed: _____

PROGRAM GUIDELINES:

- Applicant must be a direct City of Round Rock water customer in good standing. (MUD customers are not eligible)
- Property must have **both services** (aeration and compost) completed on lawn. Services do not have to be performed by the same company or service provider.
- Lawn aeration **MUST be core aeration** and can be performed by a professional company or by renting aeration equipment and doing it yourself.
- Compost needs to be applied at a depth of ¼ to ½-inch over the entire lawn (grass areas) and can be done by the property owner or by a professional. Compost consists of soil and natural materials; it is not mulch. Mulch will not be rebated.
- An itemized receipt(s) with date and service performed, along with pictures of lawn during &/or after core aeration and compost has been applied, must be submitted with application within 60-days of service.
- Rebate amount is \$100 per residential water account; \$300 per commercial account. Rebate does not include tax.
- Rebate check will be mailed 2-4 weeks after application has been processed and approved.
- Rebates are available until funds have been expended. Visit roundrocktexas.gov/rebates for available rebates. Once funds are exhausted the rebate program will no longer appear on the website.

Please sign to confirm you have read and agree to the Program Guidelines stated above.
