

Round Rock Earth Day Exhibitor Application

The City of Round Rock Parks and Recreation Department cordially invites you to take part in its 2023 Earth Day Festival. This event aims to bring the community together while promoting the awareness to care for the Earth's environment. **The 2023 Earth Day Festival will be held in Old Settlers Park on Saturday, April 22, 2023 from 9:00am-12:00pm.** The Earth Day Festival is a free event, geared towards all ages and with the help of exhibitors such as you, along with a wide variety of activities and services, we anticipate a phenomenal event!

There is no booth or exhibitor charge, however registration is required, and all applicants must be approved. Applications will be reviewed on a rolling basis and exhibitors will be notified. **We are seeking exhibitors with a focus on environmental education to provide informational booths and activities to attendees.** One table and two chairs will be provided to each registered booth. Personal canopies are optional, and you will be responsible for securing them.

Setup will begin at 7:30am on the day of the festival and must be completed by 9:00am. Breakdown will begin at 12:00pm. No early setup/breakdown will be allowed.

If you would like to participate in the City of Round Rock's 2023 Earth Day Festival, please complete the below "Earth Day Exhibitor Application" and return it by April 7, 2023 to Katie Baker, kbaker@roundrocktexas.gov.

Thank you for your time and consideration in participating in the 2023 Earth Day Festival. If selected to participate in the event, an email will be sent prior to the event with more details.
