Nomination statement:

Explain in 300-500 words why the nominee should be named a Local Legend. This statement will become text for the Local Legend presentation to the City Council.

The statement should explain how the city changed as a result of these contributions; a simple list of achievements or qualifications is not sufficient. Because the public will understand this statement as the official account of history related to this nomination, it must be accurate and source information provided. Supporting materials may be submitted; however they are not a substitute for the nomination statement.

The nomination statement should include the nominee's:

- Importance to the City's founding or growth;
- Association with an historic place or event;
- Impact of service to the community's history, development or culture; and/or
- Achievements that have brought honor and distinction to the City of Round Rock.

Nomination statement may be given below or on a separate page.
