

4.1

OVERALL TRAIL ALIGNMENT

This trail alignment has been crafted through multiple revisions and careful consideration of the desires of each user group, the criteria of each trail or amenity type, and the expectations of the land managers. It offers:

- Diverse experiences for varying users
- Multiple, but controlled, access points
- Minimal trail intersections
- The ability to host programming and events
- Minimal maintenance requirements

- 201 Skills Trail
- 202 Cross Country Loop
- 301 Flow/Jump Alternate Line
- 302 Blue Technical Alternate Line
- 101 102 103 Access Trails
- 203 Pumptrack / Dirt Jump Area
- Project Site
- Nature Playground
- Parking
- Intersection
