

# NOTICE OF 2023 TAX YEAR PROPOSED PROPERTY TAX RATE FOR City of Round Rock

A tax rate of \$0.342000 per \$100 valuation has been proposed by the governing body of City of Round Rock. This rate exceeds the lower of the no- new-revenue rate or voter-approval rate, and state law requires that a public hearing be held by the governing body before adopting the proposed tax rate.

**PROPOSED TAX RATE: \$0.342000 per \$100 valuation**  
**PRECEDING YEAR'S TAX RATE: \$0.342000 per \$100 valuation**  
**NO-NEW-REVENUE TAX RATE: \$0.316334per \$100 valuation**  
**VOTER-APPROVAL TAX RATE: \$0.344659 per \$100 valuation**

You are urged to attend and express your views at the following public hearing on the proposed tax rate:

**Public Hearing:**

August 24, 2023 at 6:00 PM  
City of Round Rock Council Chambers – 221 E. Main St.  
Round Rock, TX 78664

The **no-new-revenue tax rate** is the tax rate for the 2023 tax year that will raise the same amount of property tax revenue for the City of Round Rock from the same properties in both the 2022 tax year and the 2023 tax year.

The **voter-approval tax rate** is the highest tax rate that the City of Round Rock may adopt without holding an election to seek voter approval of the rate.

The **proposed tax rate** is greater than the no-new-revenue tax rate. This means that the City of Round Rock is proposing to increase property taxes for the 2023 tax year.

The **proposed tax rate** is not greater than the voter approval tax rate. As a result, the City of Round Rock is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting members of City Council of the City of Round Rock at their offices or by attending the public hearing mentioned above.

Mayor Pro-Tem Matthew Baker	Councilmember Kristin Stevens
Councilmember Michelle Ly	Councilmember Hilda Montgomery
