## Comments

### Sales Tax

- Citywide total sales tax collections, net of all incentives, increased 0.3% over the prior year. However, Dell receipts, net of incentives, decreased 21.9%.

### Property Tax

- Most property tax collections occur November through February each year. Property tax collections were higher than the prior year due to the 4.8% tax rate increase for FY 2023 and new properties added.

### Other General Fund Revenues are trending as follows:

- Other Taxes and Franchise Fees* increased 8%. This is due to higher collections in both Gas and Electric Franchise Fees.
- License, Permits, and Fees* are up 65.7%. This is largely due to an increase in the City's subdivision inspection fee. Collections for Building Permits and Building Reinspections are also up. Some large developments in FY 2023 are Switch, KoMiCo, Salerno, and Avery Centre East.
- Program Revenues* increased 11%. This is attributed to the fee increase at Rock N River and higher participation in City programs including CMRC Memberships, Parks & Rec Facility Rentals, and Sports League Fees.
- Fines and Forfeitures* revenues decreased 9.3% due to fewer citations and cases filed than FY 2022.
- Contracts and Other* increased 356% due to higher interest earnings, sale of asset proceeds, and the Big Rig Training at the Public Safety Training Center. Also contributing to this increase is a one-time adjustment to ESD 9 for the MUD/Fire Contract made in FY 2022.

**Hotel Occupancy & Venue Tax revenues** for FY 2023 have increased 8.2% along with the increase in average daily room rates.

- The majority of Kalahari HOT tax revenues (7%) are used to pay debt and incentives per the agreement. Venue tax revenues (2%) from Kalahari are not part of the incentive agreement and stay in the Sports Center Fund.

**Water, Wastewater, and Stormwater revenues** are trending in line with budget.
