PROGRAM GUIDELINES:

- Applicant must be a direct City of Round Rock water customer in good standing.
- Property must have **both services** (aeration and compost) completed on lawn. Services do not have to be performed by the same company or service provider.
- Lawn aeration **MUST be core aeration** and can be performed by a professional company or by renting aeration equipment and doing it yourself.
- Compost must be applied at a minimum depth of ½-inch over the entire lawn (grass areas) by the property owner or a professional. Compost consists of natural materials, such as manure, chicken litter, green waste (lawn trimmings) and organic matter. *Mulch and Chemical fertilizers are not eligible.*
- An itemized receipt(s) with date and service performed, along with pictures of the lawn during &/or after core aeration and compost has been applied, must be submitted with application within 60-days of service.
- Rebate amount is \$150 per residential water account; \$400 per commercial account. Rebate does not include tax.
- Rebate check will be mailed 2-4 weeks after application has been processed and approved.
- Rebates are available until funds have been expended. Visit roundrocktexas.gov/rebates for available rebates. Once funds are exhausted, the rebate program will no longer appear on the website.
