The Old Settlers Association of Williamson County:

**Guest Speaker: Randy Michna**  
Old Settlers Association Grounds Manager and Caretaker

**Tuesday, May 13,  
12:00pm – 1:00pm.**

**Allen R. Baca Center, 301 W. Bagdad Ave.**

**Bring your lunch – We'll provide water and cookies.**

The Old Settlers Association of Williamson County was organized for the sole purpose of gathering fragments of history and to perpetuate them for future generations. As a sixth-generation Texan, Randy and his family have been a part of the Old Settlers Association since its origination in 1904. Randy will bring the history of the Old Settlers Association alive for this history program, highlighting the educational impact it had on Williamson County from its beginning to today.

Before the days of mass media, 5,000–10,000 people would gather, camp out, socialize and learn about the happenings of the past year, trading information about crops, business and politics. Today, the OSA proudly holds years of history on its property located at 3300 E. Palm Valley Blvd. They offer educational programs to children throughout the year. The grounds are open daily for the public to see and enjoy a step back in history.

Randy is driven by his deep love for this community and a passion for preserving its heritage. He is dedicated to nurturing the culture and values of the Williamson County Old Settlers Association while fostering strong family connections.
