

New Household Hazardous Waste Drop-Off Hours

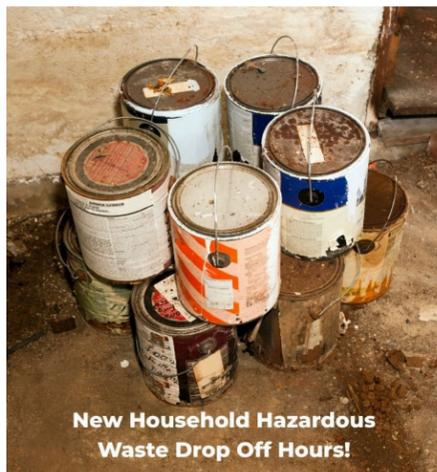

Got leftover paint, old pesticides, or unwanted cleaners? No more waiting in line! Drop them off any Tuesday through Saturday, between 12:00 -4:00 p.m.

Location: Deepwood Recycling Center

310 Deepwood Drive

- FREE for CORR water customers and voucher holders
- \$60 for non-residents (cash or check only)
- Bring driver's license AND one of the following:
 - Recent CORR water bill
 - HHW Voucher

Please follow these [guidelines](#) to prevent delays.

New Household Hazardous Waste Drop Off Hours!

Enter for a Chance to Win a Free Native Tree

The **Williamson County Chapter of the Native Plant Society** is offering one lucky resident the chance to win a free Mexican Plum tree!

Complete the form below to be entered into the drawing.

Winter is the ideal time to plant trees, and native species provide long-term benefits for our local environment. To encourage native tree planting, we're excited to offer this opportunity for one resident to receive a free tree.

Enter to Win a Free Tree

Brundage, S. (2008). Mexican Plum. Ladybird Johnson Wildflower Center

Details:

- **Pickup required**
- Small starter tree: 1-gal, 6-ft
- 10-35 ft tall when fully grown
- Produces small plums during the fall
- The winner will be contacted on 2/6/2026

No City-hosted Rain Barrel Sales in 2026

Due to ongoing construction at the City facility where rain barrel events are held, **we will be unable to host rain barrel sales in 2026**. However, residents can still take advantage of the City's [rain barrel rebate](#) by purchasing from any retailer.

Nearby communities such as the [City of Georgetown](#) and the [City of Leander](#), periodically offer rain barrels at discounted prices, which may be another option to explore.
