WATER CONSERVATION

## Welcome to our new city conservation newsletter!

We're excited to keep you informed about everything related to your water use and landscape.

**Water Conservation Tip for the Season:** As fall approaches and temperatures cool down, your landscape won't need as much water as it did this summer. Be sure to cut back on your outdoor watering. The easiest way to accomplish this is to move to a once per week schedule.

## Native Plant Society of Texas Fall Sale

The NPSOT–Wilco Chapter's Fall Native Plant Sale will be held on **Saturday, November 2** from **10:30 a.m. to 2:00 p.m.** at Southwest Williamson County Regional Park.

[More info Here](#)

## H-E-B Native Plant Sale

On October 16th and 19th from 11 a.m. to 2 p.m. both days, the Williamson County Native Plant Society Chapter will host tables at two local H-E-B stores. NSPOT volunteers will be giving away native plant seed mix packets and can help answer questions about native plants.

Store locations are Wolf Lakes Village (I-35 & Hwy 29) in Georgetown and Gattis School Rd & 130 Toll in Hutto.

## LCRA Lawn Conversion Rebate

Want to remove grass and get paid for it? LCRA's new landscape rebate may help! Get \$0.50 per sq ft, up to

# Local Native Plant Sales

Fall is a great time to plant shrubs and perennials to add color to your yard and help our fall migrators--like monarch butterflies! Take advantage of the local plant sales happening in the county (see sidebar).
