AQUA GROUNDING FLOW

Demo classes June 6/3 & 6/10. Official start is July 1st.
 Performed on aqua boards, this class focuses on balance, stability, and controlled movement while promoting deep core activation through slow, intentional exercises. Leave feeling grounded, strengthened, and more connected to both your body and the water beneath you.

GAINZ

Build confidence & achieve new personal records in this specialized group training class will focus on weight training & three main lifts: Bench Press, Squat, and Deadlift!

GRIT60

GRIT60 is designed exclusively for women looking to build strength, confidence, and endurance in a supportive, empowering environment.

YIN YOGA & SOUND

YIN YOGA & SOUND combines slow-paced movements and deep-held stretches using different props while listening to the sound of instruments.
