Rebate Special

July is Smart Irrigation Month, and for a limited time we're increasing our Smart Irrigation Rebate!

Receive up to \$800 for eligible irrigation system and lawn improvements completed during July and August 2026—that's \$300 more than our standard rebate. Upgrade your irrigation system, save water, and lower your utility bill while this special offer lasts.

Smart Irrigation Rebate

Healthy Lawn Rebate

Soil Test Rebate

Give Your Lawn Room to Breathe

If your lawn or landscaping isn't growing despite regular watering, **poor soil health might be your problem.** Clay-heavy soil, slope runoff, nutrient deficiencies, and compaction can all limit growth. Simple steps like soil testing, adding compost, and aerating can make a huge difference. Learn more about core aeration in the video below.

How to Test Your Rain Sensor

Rain sensors are a useful part of an efficient irrigation system, **but they're only effective if they're working properly.** Watch this video to learn how to check if your rain sensor is functioning properly.

Autopay Sweepstakes

The City of Round Rock is hosting an AutoPay Sweepstakes from **July 1 – September 30, 2026** where customers can win a **\$500 Visa gift card** simply by enrolling in AutoPay or making three consecutive online payments. Customers already enrolled in AutoPay are automatically entered.
